One last chance

Amnesty Scheme / Opportunity for
Settling Pending Disputes for Domestic,
Commercial and Industrial Electricity consumers...
(12 May - 11 June 2008)

EXCHANGE OLD AND TAMPERED METERS

Consumers can now change their suspected tampered meters or old electro mechanical meters for the new electronic ones - Free of cost

- Consumers who have made up to date payment of their normal electricity bills are eligible
- Consumers whose electronic meters are tampered / suspected tampered can get new electronic meters by paying the cost of the new meter, plus an amount equivalent to the last three bills as per the meter reading from the tampered meter

No criminal / legal proceedings will be initiated against consumers who make VOLUNTARY declaration under this Amnesty Scheme

SETTLEMENT OF ALL POWER THEFT CASES

For theft cases already booked under Direct Theft (DT) / Direct Abstraction of Energy (DAE)

- BSES will settle and close such cases if a domestic consumer pays 40% of their assessed bill and Industrial and Commercial consumers pay 50% of their assessed bill raised in DT / DAE cases
- Late Payment Surcharge (LPSC) will be waived off

GET NEW ELECTRONIC METERS

For consumers in JJ colonies and clusters, who are currently paying monthly fixed charges

- Apply for new metered connection/s in place of un metered ones, and you will not be charged any penalty, nor electricity charges for use of electricity in the past
- For voluntary disclosure for theft of electricity in JJ areas, no case will be registered, if consumers applies for a new connection
