

BRPL awarded for the most reliable Supply in India

BSES Rajdhani Power Limited (BRPL) has been awarded the prestigious 'diamond' award for the 'Most Reliable Supply of Electricity by Utility in India' at the recently concluded India Smart Grid Forum (ISGF) Smart Innovation Awards. It was received by BRPL CEO Amal Sinha. Organised during the ISGF Smart Utility Week 2020, the 4th edition of the innovation awards were decided by a distinguished and eminent jury. These awards foster and recognize break through innovations in Smart Grid and Smart City Domains.

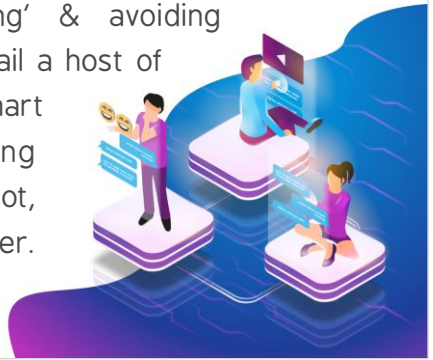

BRPL wins the prestigious CBIP Award 2020 for "Outstanding Performance"

In the latest testimonial of its continued achievements, BRPL has received the coveted Central Board of Irrigation & Power (CBIP) Award 2020 for "Outstanding Performing Power Distribution Utility". It was presented by Mr Rattan Lal Kataria, Hon'ble Minister of State, Ministry of Jal Shakti. It was presented for outstanding contribution to the nation by providing reliable & quality power to its consumers for industrial & overall economic development through optimisation of available resources with promotion of green & smart initiatives in the distribution sector.

Stay Safe: Go Digital!

In the wake of COVID-19, stay safe by practising 'social distancing' & avoiding crowded places. You can avail a host of BSES services through our smart digital platforms, including Website, Mobile App, Chat-Bot, WhatsApp, SMS & Call Center. #GoDigital

BRPL & Havells India partner to promote safety among consumers

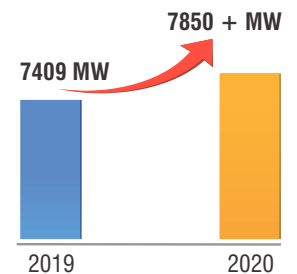

BRPL and Havells India Limited (HIL) have signed a Memorandum of Understanding (MoU) to promote safety among BRPL's over 25 lakh consumers in South and West Delhi. Under the agreement, two innovative programs are being launched:

- **Attractively priced ELCB/RCCBs:** BRPL consumers will be offered the next-generation technology devices (RCCB/ELCB*) at attractive rates. These are important human protection devices that detect "current leakage" (earth leakage) in one's premises, automatically disconnecting the electricity supply to the premises, thus preventing serious mishaps.
- **Training of RWA nominated electricians:** A unique training program approved by the National Skill Development Council (NSDC), is being launched for 1000 RWA nominated electricians & linemen. Qualifying electricians will be Havells and NSDC certified and granted Rs 500/ through DBT under the Pradhan Mantri Kaushal Vikas Yojana (PMKVY), as also 3 years personal accident insurance of Rs 2 lakh, covering death and permanent disability.

BSES Discoms fully geared-up for the summer months

Delhi's peak power demand during the summers of 2020 may breach the 7850 MW mark. Last summers, it had crossed 7400 MW, highest ever-recorded in the national capital. Arrangements have been firmed up by BSES discoms to source adequate electricity to meet the power demand. These arrangements include long term PPAs and banking arrangements with other states.
