

BRPL' CSR activities continue to positively impact the various sections of our society. During June, these activities further built on the momentum achieved in the previous months. Apart from the free eye camps, BRPL's CSR programs in June included Yoga sessions for the CRPF personnel and their families and tree plantation.

Yoga Program for CRPF

BRPL organised ten Yoga camps during the month, including on occasion of the International Yoga Day on June 21, at the CRPF establishment in Jharonda Kalan, Najafgarh. These were organised in association with the World Health Initiative for Peace (Dr. K. K. Jha-Yoga Specialist) and saw participation from 180 CRPF personnel and their families.

Tree Plantation

BRPL cares for the environment and like Delhi's residents; it too is concerned about the incidence of growing pollution. Doing its bit, BRPL routinely plants trees in its licensed area. In the last three years, it planted over 50,000 saplings - meeting its mandated targets year-on-year. On occasion of the World Environment Day on June 5, 2019, BRPL planted 100 trees at the CRPF camp Jharonda Kalan, Najafgarh. The location was carefully chosen to ensure that the planted trees are properly watered and looked after.

Eye Care Camps

During the month, three eye care camps were organised in the Najafgarh and Jaffarpur divisions in association with our NGO partner, I-Care Hospital. Over 900 residents' visited the OPD. After examination, over 600 glasses were distributed
