

Living –up to their mission, BRPL' CSR programs continue to reach-out to the under privileged and the targeted sections of the society. Since April 2019, the programs have positively touched the lives of over 18000 residents. In September alone, the programs reached out to nearly 5,000.

Self Defence Training

As a champion of women's safety, BRPL has been organising self defence training programs for girl students in various schools. During September, one such program was organised at the Modern Child Public School Punjabi Basti, Nangloi. Over 285 girls participated in this program, conducted in association with our partner, a former SPG commando.

Eye Care Camp

During the month, an eye care camp was organised at the Panna Dallan Village, Surkhapur (Jaffarpur division) in association with our NGO partner. A total of 167 residents, many of them women, visited the OPD. Medicines and glasses were distributed to those in need.

Readying an army of green warriors

BSES' relentless pursuit of its mission for sustainable growth encompasses its entire eco system. In quest of this objective, BSES in partnership with its NGO partner organised workshops in two schools and around 250 students participated in them. The students were also sensitised by experts on "how to conserve electricity". They also undertook and awareness rallies in their neighbourhood.

Tree Plantation

BRPL cares for the environment and like Delhi's residents; it too is concerned about the incidence of growing pollution. Doing its bit, BRPL routinely plants trees in its licensed area. In the last three years, it planted over 50,000 saplings – meeting its mandated targets year-on-year. In the month of September, BRPL has planted 2090 in Najafgarh, Mukka and Nagloi areas.

Renovation of school toilets and personal hygiene in schools

BRPL' continued focus and emphasis on sanitation saw 54 toilets being renovated in 27 MCD schools during February, benefitting over 4000 students. The students were also sensitised on sanitation and personal hygiene.

Tobacco De-Addiction

Around 245 residents attended the two tobacco de-addiction programs that were organised during the month. Over 200 quitting smoking speaks volumes about the success of the programs. They were organised in collaboration with Dr Sajeela Maini, a renowned expert in the field.
