THE MAHATMA CONTINUES TO INSPIRE US!

BSES pays tribute to Mahatma Gandhi, the father of this great nation on his 150th birth anniversary. His teachings are as relevant today, as they were then. We at BSES imbibe them in our daily lives.

"A customer is the most important visitor on our premises. He is not dependent on us. We are dependent on him. He is not an interruption of our work. He is the purpose of it. He is not an outsider of our business. He is part of it. We are not doing him a favour by serving him. He is doing us a favour by giving us the opportunity to do so."

MCD permissions and Fire Safety Clearance a must for all schools and coaching centres

According to the directions of the Hon'ble High Court of Delhi, educational establishments like coaching centres and schools have to provide MCD permission and Fire Safety Clearance at the time of applying for a new connection.

Further, all the existing educational institutions like coaching centres and schools are advised to ensure that they are in compliance of the fire safety norms and have a valid MCD permission. Without these, electricity is liable to be disconnected.

Delhi's power demand increasingly peaking at night on account of ACs

On July 2, 2019, Delhi's peak power demand clocked an all-time high of 7409 MW. This is an increase of over 250% since 2002, when it was 2879 MW. Do you know, contrary to popular perception, increasingly, Delhi's peak power demand is peaking during the night hours? Reason: Cooling load (ACs, Coolers and Fans).

During the recent summer months between May and August, Delhi's power demand peaked during the night on 89 days - 19 days in May, 18 days in June and 24 days in July and 28 days in August. The As against this, in BRPL' area of South and West Delhi, power demand peaked at night on 115 days - 26 days in May, 29 days in June, 29 days in July and all 31 days in August.
