

# BRPL wins Global Safety Award 2020

At BRPL, 'safety' is mission critical. As part of its 'Mission 100% Safety', the discom is regularly undertaking several initiatives like 'Safety Tool Talk' and on-the-job coaching of linemen and ALMs. Recently, to ingrain the importance of safety, over 2000 linemen and ALMs, also attended motivational training sessions on 'safety at workplace'.

Do you know, some of these initiatives and practices are also being recognised by the industry? Yesterday, BRPL was awarded the prestigious Global Safety Award 2020 for outstanding achievements in "practicing excellent work place culture in safety & evolving safe work practices in operations". Promoted by the Energy and Environment Foundation, the award was presented by the former Hon'ble Supreme Court judge (retd), Justice Swatanter Kumar and former Secretary Power, GOI, Mr Anil Razdan in presence of representatives from 20 odd countries. Mr Sanjay Garg and Amit Srivastava from the Safety Department received the award on behalf of the organisation.
