

BRPL awarded for the most reliable Supply in India

BSES Rajdhani Power Limited has been awarded the prestigious 'diamond' award for the 'Most Reliable Supply of Electricity by Utility in India' at the recently concluded India Smart Grid Forum (ISGF) Smart Innovation Awards. It was received by BRPL CEO Amal Sinha.

During the ISGF Smart Innovation Awards, BRPL was also awarded the 'order of merit' for its innovative 'Home Energy Report Program' (Data Analytics using Artificial Intelligence and Machine Learning).

Organised during the ISGF Smart Utility Week 2020, the 4th edition of the innovation awards was decided by a distinguished and eminent jury. These awards foster and recognize break through innovations in Smart Grid and Smart City Domains.
