**Dwarka Society taps sun's energy to light-up homes**

By installing a 100 KW grid-connected rooftop solar plant, the Shiv Bhole Cooperative Group Housing Society in Dwarka has become the first CGHS to go live as part of BRPL's ambitious 'Solar City Initiative - Solarise Dwarka'. Installed as per the RESCO model – at a zero cost to the society - each of the 60 households in the society will save roughly Rs 4500 annually. It will also be able to offset around 32 per cent of a resident's annual carbon emission. The plant was inaugurated by Dr Wolfram Klein (Head of Division India; South Asia German Federal Ministry of Economic Cooperation and Development) in the presence of Mr. Amal Sinha (CEO-BRPL), Ms Susanne Dorasil (Head of Economic Cooperation and Development, German Embassy, New Delhi) and senior officials from BMZ, GIZ and residents from the CGHS.

**TERI and BRPL partner to educate 90,000 students**

BRPL and The Energy and Resources Institute (TERI) have joined hands to launch an innovative educational program on energy conservation. Aimed at young minds and titled, 'Energy Wise Energy Rise', the program will educate, train and reach out to around 90,000 students in government schools.

**ENERGY WISE ENERGY RISE**  
A BSES-TERI Initiative

**Easy steps for prevention of Dengue, Chikungunya and Malaria**

- Don't allow water to accumulate around you, mosquitos breed in clean stagnant water
- Scrub, dry and clean water coolers weekly
- Change water of indoor plants/ containers for birds every week
- Keep lids of water tanks / containers closed. Don't let water tanks overflow
- Use mosquito repellents / mosquito nets to avoid mosquito bites
- Avoid mosquito bite by wearing full sleeve clothes
