

BRPL Solar App launched

As part of the "European Union India Technical Cooperation Project – Energy" and in association with the Ministry of New and Renewable Energy (MNRE) and BRPL, a 'BRPL Solar App' has been designed. It was launched by BRPL CEO Amal Sinha, in presence of a project team from the European Union (EU). The Solar App has been meticulously designed as a one-stop solution for information and associated services on grid-connected PV solar system. It empowers consumers and installers through information dissemination and data analytics*. It can be downloaded from the Google Play Store.

**To be developed in Phase2*

BRPL energises record 2000 + roof top solar connections

In a short span, BRPL has energised over 2000 rooftop solar connections – with a connected solar load of over 60 MW – in South and West Delhi. Consumers across categories, including residential and CGHS, have warmed up to roof top solar net metering in big-way. It is an ideal method to reduce electricity bills and do your bit for the environment. To go solar, call 19123 (Option 9) or logon to www.solarbsesdelhi.com.

BRPL' Energy Wise Energy Rise program sensitises 60,000 students

With an aim to sensitise and educate 90,000 students, BRPL, in partnership with TERI had launched 'Energy Wise Energy Rise' (EWER) in 2018, an innovative educational program, sensitising Government school students on environment. Now, two years down the line of this three year program, it has educated 60,000 students from 200 schools in South and West Delhi.
