

In the last few years, our CSR programs have positively impacted the lives of over 4.5 lakh beneficiaries in South and West Delhi. The FY 2019-20 too was an eventful year from the CSR point of view. During the year, we reached-out to around 1 lakh beneficiaries. Our efforts were also recognised by the industry and the company was bestowed with the ET Now's coveted "Star of the Industry Awards for Excellence in CSR in Community Development". Because of Covid-19, from March 2020 onwards, our efforts shifted to helping the needy during these trying times.

The discom is providing dry food rations (like rice, pulses, atta, cooking oil etc), masks, sanitisers and soaps at the door-steps of over 3000 residents of several JJ clusters in South and West Delhi.
