

During FY 2019-20, BRPL' CSR program continue to build on the gains of the previous years and reached-out to around 1 lakh beneficiaries. Empowering women, the initiatives ensured that over 50 percent of the beneficiaries are women. Since the advent of Covid-19, the focus of the CSR programs quickly shifted gears in doing their bit for those impacted by the invisible enemy. Already, over 6000 people have benefitted from the underprivileged sections of the society.

### BRPL hands over 3000 PPE Kits to DHS, Delhi Government

Practicing social distancing & personal hygiene are the only vaccines at present against Covid-19. Complimenting the Delhi Govt efforts, BRPL has handed over 3000 PPE kits to the Directorate of Health Services, Delhi Government.

### BRPL Self Help Groups are stitching affordable masks

BRPL promoted Women Self Help Groups are stitching affordable & reusable masks for thousands of people residing in the slums of West Delhi. These masks (10,000 & counting) are helping these women supplement their loss of income during the pandemic. These masks are also being distributed amongst the needy and vulnerable population.
