...enlightening lives

BRPL's CSR programs maintain a symbiotic relationship with the community and continue to reach-out to the needy. Being a responsible corporate citizen, BRPL has been augmenting the efforts of the authorities to improve the quality of lives in the National Capital through its well structured CSR programs.

Powering clean drinking Water

With an aim to provide safe drinking water to the unprivileged sections of the society, BRPL is installing two water ATMs. While the Water ATM at the Tigri Camp (Khanpur) has been commissioned, the one at Sanjay Camp (Dakshinpuri) is under commissioning. These will benefit around 4000 residents of this JJ clusters (2000 each), who will get access to affordable and clean drinking water. Every house hold will get 20 liters water from these ATMs.

BRPL partners Delhi Govt for the ambitious School Health Clinic Project

BRPL has partnered the Delhi Government's ambitious School Health Clinic (SCH) project in South and West Delhi. Initially covering 20 Delhi Government schools. Health is not merely the absence of any disease or an infirmity, but a state of complete physical, mental and social well-being. Holistic healthcare of children, one of the most vulnerable sections of our society, needs equal focus on physical as well as mental health. These SHCs will do just that, look after the overall wellbeing of a student.

Initially covering 20 Delhi Government schools, the SCH project was inaugurated at the Sarvodya Kanya Vidyalaya in Moti Bagh(South Delhi) by the Delhi's Hon'ble Deputy Chief Minister Mr. Manish Sisodia and Delhi's Hon'ble Health and Family Welfare Minister Mr. Satyendar Jain.

Powering cleanliness and hygiene in the communities

With an aim to keep our surroundings and environment clean, BRPL is engaging with the communities, sensitising and creating awareness among the targeted households. The program is engaging with the rag pickers for collection, segregation and disposal of household generated sanitary waste. As part of the exercise, around 100 dustbins were distributed, adding to the 200 dustbins already provided in the previous month. A pad vending machine was also installed at the Pratibha Kanya Vidyalaya.

Powering safe disposal of sanitary waste and Hygiene

Awareness programs on safe disposal of sanitary waste and hygiene were organised at various location in South and West Delhi, benefitting around 2200 people. Under this project, BRPL has largely focused on reduction in water borne diseases, sensitisation and improvement in sanitation at home and surrounding areas, hygiene, limiting the school dropout rate among girl students and sensitization of adolescents to sexual behaviour and preventing their exploitation.

Wheelchairs, tri-cycles, smart-phones and artificial limbs distributed to the needy

Under BRPL's CSR programs, BRPL handed over wheelchairs, tri-cycles (motorised and manual) and artificial limbs to the Divyangjans. The visually impaired were handed-over smart phones with special software as part of the discom's Sparsh initiative. A total of around 50 people benefitted. Senior discom officials led by the CEO Rajesh Bansal and CHRO Ashok Gautam handed-over the aids to the needy.

Education & healthcare has been the thrust BSES Rajdhani Power Limited's CSR programs. It has partnered with Artificial Limbs Manufacturing Corporation of India (ALIMCO), a Government of India undertaking, to help identify & distribute aids and appliances to people with disability (PWD).

Powering awareness on energy programs

In order to sensitise the residents of the JJ on the importance and benefits of energy conservation and legal electricity connections, BRPL organised five awareness programs, benefitting around 100 people.

Powering the health of Police personnel and school staff through Yoga camps

For the well-being of our Police personnel, teaching and the non-teaching staff and children of government schools, two Yoga camps were organised in West Delhi. These benefited over 400 participants during the month, adding to the existing tally of 688. The participants were also trained on simple exercises that they can do at their leisure for their well being.

Not only electricity, BRPL also powers dreams

BRPL not only supplies reliable electricity, it also powers dreams. Hundreds of youngsters from the underprivileged backgrounds are realising their dreams and aspirations through the discom's vocational training centers. The students at these VT Centers are undergoing training in various fields, including, Basic & Advance Computers, Beauty Culture, Fashion, Designing & Tailoring through the hybrid training mode.

These VT Centers enrolled total 1133 students and examinations are being conducted at various centers.

Powering hygiene and safety: 2300 sanitary napkins and ~3500 masks stitched and distributed

Continuing with its theme of hygiene, BRPL is striving to make homemade sanitary napkins and affordable masks accessible to the underprivileged sections. Stitched by BRPL's Self Help Groups, over 2300 sanitary napkins and around 3500 (3 ply) masks were stitched and distributed among the neediest in the month of March. In 2021-22, around 18,000 sanitary napkins and around 30,000 masks have been distributed.

Powering financial literacy among the needy

For powering financial literacy among the needy, BRPL, through its CSR programs, is spreading awareness on the financial concepts, personal finance and the management of money. Bank accounts are being opened for the beneficiaries who don't have accounts and are willing to be part of the formal banking system. Around 500 women benefitted from the drive in March and around 4500 so far.

Powering capacity building through Self Help Groups

The Self Help Groups (SHGs) are envisaged as an instrument to bring social and economic empowerment of Women, particularly those belonging to the under privileged sections of the society. The project aims to strengthen the skill capacities of five SHGs in the Vikaspuri area of West Delhi for making the ladies socially and economically empowered. Around 52 people benefitted through this project.

BRPL renovates 5 crematoriums

BSES touches all aspects of people's lives, including in their final journey. Doing its bit to give dignity to the departed soul's last journey and to provide comfort to the family and the loved ones during the last rites, BRPL has been renovating crematoriums. After completing the renovation and upgradation of 10 Crematoria (four in FY 21-22) in South Delhi, including a Pet Crematorium (Paws to Heaven), the discom has now renovated five more at Nangal Raya, PaschimPuri, Green Park, LalKuan and Bindapur.
