

# SPARSH

...enlightening lives

In the September edition of Sparsh, BRPL's commitment to the community shines brighter than ever, reinforcing that its purpose extends beyond just being an electricity provider. From organising self-defense training programs for girls, ensuring their safety and empowerment, to powering dreams by providing vocational training to hundreds of underprivileged youngsters, BRPL is making noteworthy strides in nurturing a more inclusive society.

This month also marked the inauguration of three community centers across West Delhi. One remarkable initiative includes a specialized Braille center in Najafgarh catering to visually-impaired computer enthusiasts. Furthermore, a unique VT program has been kick started for the Tihar jail inmates, showcasing the breadth of BRPL's community outreach.

The month also witnessed the company's unwavering dedication to the environment, with the planting of over 11,000 trees and shrubs in various locations. Initiatives like promoting cultural preservation through support to Kalashram, hosting yoga camps, championing hygiene with the distribution of homemade sanitary napkins, and fostering financial literacy further stand testament to BRPL's holistic approach to social responsibility

## BRPL Empowers Dreams: From Braille Center in Najafgarh to Lighting Up Hopes in Tihar Jail

While BRPL shines as a beacon of reliable electricity, it also illuminates the dreams of countless youth. Numerous underprivileged youngsters are witnessing their aspirations come to life via BRPL's vocational training centers. Just last month, BRPL inaugurated three such centers across West Delhi. One remarkable initiative includes a specialized Braille center in Najafgarh catering to visually-impaired computer enthusiasts. Furthermore, a unique VT program has been started for Tihar jail inmates. In September alone, 160 new students embarked on their vocational journeys.

## Sowing Seeds for a Greener Tomorrow: BRPL's Tree Plantation Drive

Caring deeply about the environment and Delhi's escalating pollution levels, BRPL has taken proactive measures by organising regular tree plantation drives. This September witnessed the planting of over 11,000 trees and shrubs, primarily within government schools of West Delhi and CRPF camps in Dwarka and Najafgarh.

## Echoing India's Cultural Symphony: BRPL's Support for Kalashram

Kalashram, started by the legendary Padma Vibhushan Pt. Birju Maharaj, has been a luminary in showcasing the timeless charm of Kathak dance. BRPL, recognizing the school's contribution to our rich cultural tapestry, proudly supported its Janmashtami program, celebrating the eternal love and camaraderie embodied by Lord Krishna.

## Mind, Body, and Spirit: BRPL's Yoga Initiative Benefits 640

In the quest for holistic well-being, BRPL organised 19 yoga camps across various government schools in South and West Delhi in September 2023. These camps, benefiting over 640 participants, were not only about yoga but also about fostering a lifelong commitment to health.

## Empowering Girls through Self-Defense: Unleashing Inner Warriors

BRPL, in its unwavering commitment to women's safety, organized an essential self-defense training program at Bholi Ram Public School in Najafgarh. In September, 147 empowered girls were recognized with certificates, marking their successful completion of the training.

## Weaving Dreams: Introduction to BRPL's 'Anokha Dhaga' Handloom Incubation

In a nod to tradition and skill development, BRPL's recently established Handloom Unit 'Anokha Dhaga' in Sangam Vihar began its training sessions. With 25 eager enrollees in September, this initiative aims to make community members financially independent. It especially prioritizes the upliftment of marginalized women.

## Hygiene in Hand: BRPL's Sanitary Napkin Initiative

With a focus on hygiene and health, BRPL's Self Help Groups took the lead in manufacturing and distributing homemade sanitary napkins. A staggering 2,650 napkins reached those in need this September, making a yearly total of 6,850.

## Brightening Minds: BRPL's Energy Conservation Drive

In a bid to spread knowledge on energy conservation, an important program was held in the Johri Farm Jhuggi area of Jamia Nagar Okhla on September 20. A total of 135 attendees benefitted from this singular event, with the year's tally reaching 360 beneficiaries.

## Financial Freedom at Fingertips: BRPL's Literacy Drive

BRPL, striving to bridge the financial knowledge gap, has been disseminating critical insights on money management. As part of this endeavor, 500 women, previously devoid of formal banking, opened their bank accounts in September, taking the yearly count to 3,000.

## Strengthening Society: BRPL's Endeavor with Self Help Groups

Self Help Groups, curated by BRPL, are envisioned as vehicles for socio-economic empowerment, particularly for marginalized women. In September, 172 women found their voice and purpose through this transformative initiative.
