

Hon'ble Delhi CM Smt. Rekha Gupta Inaugurated BSES' State-of-the-Art Palam Village Grid

In a landmark boost to Delhi's energy infrastructure, Hon'ble Chief Minister Smt. Rekha Gupta recently inaugurated BRPL's state-of-the-art 66/11 kV GIS Grid Sub-Station at Palam Village, South West Delhi, along with Delhi's Hon'ble Power Minister Shri Ashish Sood.

The occasion was also graced by Hon'ble MLA Palam, Shri Kuldeep Solanki and other public representatives of the area. BSES team was led by Director and Group CEO, BSES Shri Amal Sinha, BRPL CEO Shri Abhishek Ranjan and BYPL CEO Shri Amarjeet Singh

This 63 MVA capacity grid will meet the present load and future demand surge, benefiting over 1 lakh residents across Palam, Dwarka, Manglapuri, and nearby areas.

Stay Cool, Save More: Simple Tips to Cut Your AC Bills!

Air conditioning / cooling load can make up a significant portion, upto 50 percent, of a household or company's yearly energy expenses. By following easy-to-implement tips, you can considerably lower your electricity bill.

- Set your AC thermostat at 24 °C for comfortable and cost-effective cooling.
- Increasing AC temperature by 1 degrees C reduces electricity consumption by 6% - Set your AC thermostat at 24 °C for comfortable and cost-effective cooling.
- Keep air-conditioned room doors closed as much as possible to retain cool air.
- Clean your AC filter every month for efficient functioning.
- Use ceiling fans alongside the AC to circulate air and reduce the AC's workload.
- Line windows and walls with plants and curtains to block sunlight and insulate the room from heat.
- Turn off the AC when leaving the room or house for extended periods to reduce energy consumption
- Cool roofs, like painting them white or installing white tiles, can significantly reduce air conditioning costs.
- Use energy-efficient appliances: When purchasing new appliances, look for those with an Energy Star label. Higher ratings result in higher savings.

Big Savings on Electricity Bills

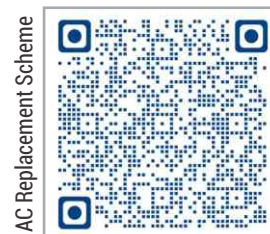

Appliance	Save Upto (₹)	Estimated Units Saved (kWh)
Split AC	₹24,696 - ₹ 34,423	3000
Window AC	₹27,236 - ₹ 32,058	2800
BLDC Fan	₹911 - ₹ 1831	160

Savings are on per AC/BLDC fan annually
