COMMERCIAL AND GENERAL CONDITIONS

TENDER NO: Head (PMG)/BRPL/Tender/2025-26 /633
Date: 09.09.2025

Head
Power Management Group
BSES Bhawan, 02nd Floor, D-Block
Nehru Place, New Delhi – 110019
Phone No. 011-49207039;

Web: www.bsesdelhi.com

1. Introduction and Background:

M/s BSES RAJDHANI POWER LIMITED is a limited company incorporated under the companies Act 1956 and engaged in the business of distribution of electricity within its licensed area in NCT of Delhi. BRPL wishes to invite offers from the licensed power traders and utilities (Bidders) for banking of power on a short-term basis on Firm/Day a head basis for the period commencing from 1st November 2025 to 30th September 2026

2. Banking of Power:

Utility/Trader shall take/ return the banked power as per Arrangement B in Annexure I. Trader/utilities are requested to clearly indicate trading margin, return period, return slots and the premium (Conversion Ratio) in percentage offered by them on the quantum of banked power returnable/supply to BRPL (On Annexure – II)

Preference shall be given to the trader/utilities who will accept the return of power to BRPL in summer months with maximum percentage premium on return.

3. Submission of Bid:

The Tender should be submitted in Two Parts. The following procedure will be adopted for the submission/opening of tenders.

• Part A –

- Covering Letter
- Earnest money deposit in the form of Bank Guarantee in favor of BSES RAJDHANI POWER LIMITED, payable at Delhi.
- Earnest Money Deposit, Tender Specification No. and due date of opening should be indicated on the envelope itself.
- Authorization Certificate of the Supplier / LOI (Letter of Intent) of Suppliers. / Procures
- The undertaking from supplying utility to return RE power if it intends to do so
- A disclosure statement regarding participation of any related companies in this bidding process.
- Copy of valid inter-state/intra-state Energy Trading License issued by CERC/DERC to deal in inter-state/intra-state trading of energy. (In case of bid by trader).
- Acceptance of Schedule of deviations of Power Banking Agreement, as per Annexure III.
- A disclosure statement regarding their share-holding pattern in the company.

• Part B

Financial Bid consisting of percentage premium on return and Quantum bid for banking of energy with BRPL as per Annexure II and should be unconditional.

Firstly the part A containing the Bank Guarantee towards the EMD will be opened in the

presence of the bidder's representatives who choose to be present at the prescribed time, date and address. If the EMD is found to be as per the requirement of the specifications, only then the tender i.e. Part B shall be opened. The bids without Earnest money shall be out summarily rejected. The price bids will be opened in the presence of the representative of the qualifying bidders who choose to be present.

Both the part A & Part B shall be put together in one sealed envelope marked "Offer for Banking of power of M/s BSES RAJDHANI POWER LIMITED" and shall be sent to:

Head (PMG)
BSES Rajdhani Power Limited
BSES Bhawan, 2nd Floor, D-Block
Nehru Place, New Delhi-110019
Tel (O) – 011-49207039

The Bid submitted by the Bidder and all correspondence and documents relating to the bid shall be written in the English Language.

4. Contract Documents:

Successful bidder fulfilling the specified criteria and matching BRPL power requirement shall be intimated the intent of power swap (banking) through a Letter of Intent (LOI) to be dispatched by e-mail/Fax. Successful Bidder shall convey his acceptance of Letter of Intent within 3 days of issue of Letter of Award. Acceptance of Letter of Intent shall be construed as a binding contract.

The terms and conditions of LOI along with acceptance shall be construed to be an agreement for transaction of contracted power for the duration/period as mentioned in the LOI and in the event of any commercial / operation dispute, the said documents shall be treated as a legal document in the Court of Law for all intents and purposes. As such no separate agreement shall be executed.

5. Compliance to the terms and conditions:

The Bidders are advised to ensure that the bid is fully compliant with the requirements specified, terms and conditions contained in the Bid Document.

6. Bid Security:

The prospective bidder shall deposit Earnest Money of Rs.5.00 Lac (Rupees Five Lacs) in the form of Demand draft of any Nationalized Bank / Scheduled bank drawn in favor of "BSES RAJDHANI POWER LIMITED" payable at New Delhi or Bank Guarantee of same amount as Earnest Money Deposit ("EMD"). However, Government Discoms / Utilities, which are owned/ controlled by Central or State Governments, are exempted from requirement of furnishing EMD. The details of BRPL's Bank and Account Number are as below: -

- Account Name: BSES Rajdhani power Ltd.

- Bank Name: State Bank of India, Industrial Finance Branch, 14th and 15th Floor, Jawahar Vyapar Bhawan, 1, Tolstoy Marg, New Delhi 110001.
- Account Number: 00000010277791773
- RTGS Code: IFSC CODE: SBIN0009601

The EMD of the successful bidders shall be converted as a part of Performance Guarantee, which shall be returned after completion of the contract in all respects. EMD of unsuccessful bidders shall be returned after 30 days from the date of opening of the tender enquiry or finalization of tender enquiry and completion of formalities by successful bidders, whichever is earlier.

7. Bid Validity Period:

The offer shall remain valid for a period of 60 days from the date of opening of bid ("Bid Validity Period") and the Bidders shall have no right to withdraw the offer or alter any terms and conditions during the period of validity. In case the bidder withdraws or alters any terms and conditions during the period of validity, EMD submitted by the bidder may be forfeited.

8. Back-to-Back Arrangement:

In case the bidder is Trading Licensee, back-to-back LOI / Agreement with the importing/exporting utility shall be attached with the bid. Bids received without LOI / Agreement with the importing/exporting utility shall be liable for rejection.

9. Governing Law:

All matters arising out of or in conjunction with the Bid Documents and/or the bidding process shall be governed by and construed in accordance with Indian Law and the courts of New Delhi shall have exclusive jurisdiction.

Thanking you,

Yours faithfully

Head (PMG)

Annexure-I

General Terms and Conditions

Terms and conditions for the banking of BRPL surplus power to bidders shall be as under: -

1. Quantum

BRPL invites offers in the prescribed format for banking of power as per the details given below:

Arrangement:

BRPL Tender Quantum MW for Banking of power (Supply by BRPL)

Month	Period	RTC	00:00 to 05:00	18:00 to 24:00
Nov'25	1st to 30 th	Upto 100	50	50
Dec'25	1st to 31 st	25	50	50
Jan'26	1st to 31 st	25	50	50
Feb'26	1st to 28th ^l	Upto 100	50	50
March'26	1st to 31 st	100	100	100

Remarks

1. Minimum bid quantum shall be 25 MW & for a minimum continuous period of 15 days.
2. The bid should be for the entire period of a block ie minimum 15 Days.
3. Sources/bids from NR shall be preferred
4. Sources/bids from other regions like WR/ER/SR/NER may be considered based on the corridor availability.

. Return of Power to BRPL of Arrangement

Return in summer months from 1st May'2026 to 30th Sep'2026 will be taken by BRPL during RTC hrs or alternatively during 0-2 and 14-24 hrs. Preference will be given for the return slots 0-2 & 14-24 hrs during summer. Bidders may also submit bids with different return slots or any combination thereof like slot-to-slot return, night to night return etc. The return % offered by the bidders shall be considered for the purpose of bid evaluation and finalization of the successful

bidder However, Selection/Rejection of such bids shall be at sole discretion of BRPL.

2. Delivery Point:

The delivery point in either case shall be Regional Periphery (Interconnection of STU with CTU). It is clarified that bid received with deviation in the Delivery Point will not be entertained and likely be rejected.

3. Transmission Charges & Losses:

All the open access charges, transmission with drawl charges(T-GNA) including Delhi STU charges& losses, Scheduling Charges, operating charges, Application fee of SLDC beyond delivery point shall be borne by BRPL. And the same up to delivery point, if any, shall be borne by bidder

Importing Utility shall create GNA contract for successful LOI transaction, if capacity available under GNA with BRPL otherwise successful bidder(s) shall be applying for the short-term open access booking under T-GNA as per the latest open access Regulations / Guidelines in vogue after consulting with Importing Utility. The successful bidder(s) shall be responsible for the delivery of power at NR periphery.

In case, bidder is a trader then T-GNA shall be booked by trader and BRPL shall reimburse the T-GNA charges (i.e. CTU transmission charges, application fee and other charges such as RLDC operating charges, STU charges etc., if any beyond delivery point) to the trader on submission of bill. The T-GNA charges shall be reimbursed by BRPL within 03 days of production of Proof of payment of T-GNA charges through e-mail.

Revision/cancellation of T-GNA is possible only from 30 days and above In case of revision /cancellation of approved open access quantum, the party seeking revision /cancellation shall bear all the consequent open access charges and any other charges, as applicable, for such revision/ cancellation under the open access Regulations in force".

4. Scheduling:

(i)The Scheduling and Dispatch of power shall be as per relevant provisions of IEGC (Indian Electricity Grid Code)/ DEGC (Delhi Electricity Grid Code) and shall include, following:

The scheduling and dispatch of power shall be coordinated with the respective RLDCs as per the relevant provision of IEGC and other decisions of RLDC and RPCs and Delhi SLDC. Scheduling of power should be uniform throughout the block period provided in the tender document in line with Open Access approval received from nodal RLDC.

(ii)The trader/utility shall explore all possibilities to schedule and obtain Open Access approval

for full quantum by means of Advance submission of application for booking of corridor. The importing utility can schedule power under T-GNA or GNA regime (In accordance with Central Electricity Regulatory Commission (Connectivity and General Network Access to the inter-State Transmission System) Regulations, 2022) as per its suitability.

(iii) Both the parties (BRPL & successful bidder) shall obtain the month wise SLDC consent for open access booking in advance for scheduling of contracted power as per applicable CERC regulations.

(iv) Both the parties (BRPL & successful bidder) shall exchange their SLDC's consent on Format-D for entire Banking cycle within 30 days of issue of LOA. In case of Trader/s, Trader will obtain consent of both the utilities for entire banking cycle and will supply the copies of the same to both the utilities respectively.

(v) The schedules/applications so exchanged shall not be revised/ changed without consent of both the parties. However, if it becomes necessary to alter/amend the same on account of corridor congestion/change in scheduling procedure, the same will also be made with mutual consent of both the parties.

(vi) Treatment in case of Power Regulation-Power supply regulation by POSOCO under LPSC rules-2022 (as amended from time to time), shall be dealt as under: -

-In case of Trader-

a. In case, there is curtailment of power, the shortfall energy for that month shall be returned to BRPL, as per mutual consent.

b. Alternatively, the trader can arrange the power from alternate sources for the shortfall quantum.

-In case of Utility-

a. In case, there is curtailment of power, the shortfall energy for that month shall be returned to BRPL, as per mutual consent.

(vii) The successful bidder(s) shall put all efforts to ensure booking of corridor under Advance T-GNA Application Category or as applicable due to time-to-time instructions of BRPL under GNA/T-GNA regime

5. Payment/surcharge on late payment: -

All payments against Open Access/T-GNA bills shall be made within 3 working days from the date of receipt of bills in hard copy/ e-mail to BRPL account through ECS/EFT/RTGS. However, for delay in payment beyond 30 days from issuance of bill, surcharge will be applicable @

1.25% per month on day to day basis.

All payments against trading margin bills shall be made within 7 working days from the date of receipt of bills in hard copy/email to BRPL account through ECS/EFT/RTGS. However, for delay in payment beyond 30 days from issuance of bill, surcharge will be applicable @ 1.25% per month on day-to-day basis. The receipt of hard copy/ e-mail of the bills shall be required for releasing the payment.

6. Trading margin:

No trading margin will be applicable on the quantum supplied by BRPL. The trader (i.e. bidder) is required to specify the minimum trading margin for the quantum of power supplied to BRPL. In case the offers of different bidders have the same provision for return of power, then the offer of the bidder with less trading margin shall be preferred. In case of bidding by traders it will be ensured by participating traders that trading margins charged from either side is in compliance of Central Electricity Regulatory Commission (Procedure, Terms and Conditions for grant of trading license and other related matters) Regulations, 2020 and amendment thereof

7. Payment Security Mechanism:

The Importing utility/Bidder shall have to submit adequate payment security mechanism to BRPL as mentioned below:

The Importing utility/Bidder shall provide a LC/BG for an amount equivalent to 100% of the contracted energy calculated @ Rs. 6.00/kwh, in terms of energy (MUs) quoted by any bidder. The LC/BG shall be valid up to 45 days beyond the contract period. The Importing utility/Bidder shall furnish LC/BG within 10 days of issue of LoA by BRPL. All LC charges i.e. opening, operation/negotiation/recoupment shall be borne by the Trader.

OR/AND

The importing utility may take SLDC consent for return of power under GNA/TGNA within 5 days after issuance of Lol . Both Trader/ Utility and BRPL shall sign the schedules/application for exchange of power under banking arrangements as per schedule agreed before start of banking cycle and will supply one copy to the other utility duly consented by SLDCs. The schedules/applications so signed shall not be revised / changed without consent of both the parties. However, if it becomes necessary to alter/amend the same on account of corridor congestion/change in scheduling procedure the same will also be made with mutual consent of both the parties. In case change is done without mutual consent of both the parties, the required compensation on changed quantum of power shall be payable by the bidder/trader as per tender document.

If the successful bidder fails to fulfill any of the above-mentioned requirements as per case a) /and/or b) above within the timelines provided, BSES Rajdhani Power Ltd may not provide open access approval for the Banking export quantum/ period. Further, if the successful bidder fails to furnish the LC/BG of the required value and/or approved Format for the return period, within 10 days of issue of LoA by BSES Rajdhani Power Ltd or as required by BSES Rajdhani Power Ltd reserves the right to terminate the contract without any financial liability,

whatsoever, on account of BRPL. The decision of BSES Rajdhani Power Ltd shall be final and binding in this regard.

8. Energy Accounting:

- i) For the power supplied by BRPL to trader/utility during entire month, trader/utility shall issue a certified energy statement to BRPL based on the REA issued by nodal RPC.
- ii) In case of RE power return the trader/utility shall provide certificate from competent authority on monthly basis for the quantum returned.
- iii) For the return of banked power by trader/utility to BRPL during entire month, trader / bidder shall issue a certified energy statement based on REA issued by nodal RPC.
- iv) Once all the transactions in the banking agreement are completed, trader/utility shall prepare final energy account for BRPL showing the supply and return of power in energy terms (MU's) and prepares a settlement bill based on the final energy accounting.

9. Compensation for Returnable Energy

- I. The traders/utility shall apply for obtaining Open Access / TGNÁ approval from the nodal agency for booking of corridor for contracted quantum on advance basis.
- II. During supply of Power to BRPL without prejudice to the provisions of Force Majeure, once Open Access quantum is approved and Utility thereafter revises the schedule of power to the extent of below 85% of approved Open access quantum in energy terms in a month, then Utility shall pay compensation @ 100 Paisa /kWh for the quantum which falls short of 85% of approved open access quantum. Similarly, if the power scheduled by BRPL is less than 85% of the approved Open Access quantum for the concerned month in energy terms, BRPL shall pay compensation @ 100 Paisa /kWh for the quantum which falls short of 85% of approved open access quantum.
- III. At the time of final settlement, the - amount of compensation paid by the trader/utility/BRPL, if any shall be adjusted. The compensation amount shall remain independent of settlement clause.
- IV. In case of revision/cancellation of approved open access corridor, the party seeking revision/cancellation of open access corridor shall bear all the open access charges as applicable under Inter-State Open Access Regulations from the injection point till the point of drawl applicable due to such surrender/cancellation.
- V. The change of source ie supply/ return of power to BRPL from alternate source in specific cases may be permitted subject to BRPL approval., The party changing the source shall submit the NOC from earlier source and also provide the supporting from alternate source. The party requesting for change of the source shall bear any additional OA charges and E-bidding charges in such case.

10. Corridor Surrender/Revision:

During period of supply of power by BSES Rajdhani Power Ltd reserves the right to reduce the quantum of supply. Once open access (TGNA) application is approved by the concerned RLDC, any schedule revision shall be allowed only after consent from BRPL. In case of revision / cancellation of approved open access quantum, the party seeking revision / cancellation shall bear all the consequent open access charges and any other charges as applicable under the Inter-State Open Access Regulations in force from the injection point till the point of drawl applicable due to such surrender/cancellation. Please note that any curtailment/ downward revision of the approved open access quantum shall be done equally/proportionately in every time block with a clear three days (excluding Sundays & holidays) written notice to BSES Rajdhani Power Ltd/trader/utility as the case may be, from the implementation date of the surrender.

It will be the responsibility of the successful bidder/trader to apply open access on time subsequent to receipt of LoA from BRPL and necessary consent being provided by BSES Rajdhani Power Ltd in this regard as per the stipulated time line of RLDC's guidelines in force; In case of corridor congestion from specified source , E bidding charges shall be as per decision of importing utility and the charges for E bidding shall be borne by the same. However in case of request for change of source , the applicant requesting for change of source shall bear E bidding charges.

11. Settlement Rate:

Energy will be exchanged only with energy. If the energy is exchanged between BRPL and trader/ utility in the desired proportion, no monetary transaction will take place. However,

- In case of any corridor constraint during the normal returning period, the balance quantity shall be returned during the immediate succeeding month of return period or as per mutual consent of both utilities.
- In case quantum of power returned by trader / utility is less than the power returnable by it, the differential energy will be settled at the rate of **Rs.2.00/kwh + IEX rate/kWh of Importing Utility region for that particular time slot of that day for quantum less supplied on that day for particular time slot or Rs. 5.00/kWh whichever is higher.**
- If banked power is being returned by Utility and BRPL is not able to avail the banked power then settlement rate payable by BRPL shall be Rs. 3.00/Kwh.
- During return of banked power if power to be returned by utility is more than or equal to 99.5% and less than 100% of power returnable by it, and commercially scheduling of power is not viable, in that case the differential energy will be settled at the rate of Rs 4.50/Kwh.

The settlement clause shall remain independent of clause 9 above. The date for finalizing above clause shall be one month after the expiry of contract period. The authority to exercise this option shall be at the sole discretion of BRPL.

12. Force Majeure:

A "Force Majeure Event" shall mean any event or circumstance or combination of events or circumstances (not otherwise constituting an Indian political Event) that adversely affects, prevents or delays any party in the performance of its obligation in accordance with the terms of this Agreement, but only if and to the extent

(i) Such events and circumstances are not within the reasonable control of the affected party and

(ii) Such events or circumstances could not have been prevented through employment of prudent Utility Practices.

Neither party shall be in breach of its obligations pursuant to this understanding to the extent that the performance of its obligation was prevented, hindered or delayed due to Force Majeure Event, and without in any way prejudicing the obligation of either party to

Make payments of amounts accrued due to prior to the occurrence of the event of Force Majeure, which shall be payable on the original Due Date.

Force Majeure events shall include but limited to:

- a) Act of war, invasions, armed conflict, blockade, revolution, riot, insurrection, or civil commotion, terrorism, sabotage, fire or criminal damage.
- b) Act of God, including fire, lighting, cyclone, typhoon, tidal wave, storm, earthquake, landslide, epidemic or similar cataclysmic event.
- c) Any curtailment/suspension/ no availability of transmission capacity imposed by any Intervening RLDC's.
- d) Change in law.

e) Regulatory / Govt. Intervention in the matter of power trading as also orders from CERC/SERCs/Appellate Tribunal of Electricity/ High Courts/ Supreme Court particularly related to rates at which power can be sold/ purchased / traded. This will also include regulations/ orders already issued but yet to be conclusively enforced.

13. Arbitration:

Subject to the statutory provisions for arbitration under the Electricity Act 2003, all other differences or disputes between the parties arising out of or in connection with this "Bid Document" shall be settled through arbitration subject to the provision of the Arbitration and Conciliation Act, 1996. The venue for arbitration shall be at New Delhi.

14. Disputes:

Any disputes or difference, arising under, out of, or in connection with this “Offer Document” shall be subject to exclusive jurisdiction of competent Court at New Delhi only. In any event Discom shall not be responsible for any dispute between Buying Utility and its customers. Similarly, Buying Utility shall not be responsible for any dispute between Discom and its customers.

15. Change of Law:

In case of change of law of restriction imposed by regulator (Central or State) or Government (Central or State) or Appellate Tribunal or Courts on any aspect of sale or purchase of power, the same shall be binding on both the parties.

16. Other important dates and information:

1	Last date for receiving queries if any	16 th Sept 2025
2	Utility response to queries latest by	18 th September 2025
3	Last date and time of submission of bid document	26 th Sept 2025 till 3pm
4	Date and time of opening of bid document	26 th September 2025 from 3.15 pm onwards
