New Delhi-110017

**Sub: Power Purchase Adjustment Charges (PPAC) for January, February and March 2025**

**Ref: Delhi Electricity Regulatory Commission (Business Plan) Regulations, 2023 and Tariff Order dated 30.09.2021**

Sir,

We refer to Regulation 30 of Delhi Electricity Regulatory Commission (Business Plan) Regulations, 2023, which provides for the mechanism for recovery of Power Purchase Cost Adjustment (PPAC). The relevant extract of the above Regulation is reproduced below:

**"30. MECHANISM FOR RECOVERY OF POWER PURCHASE COST ADJUSTMENT CHARGES**

*The mechanism for recovery of Power Purchase Cost Adjustment Charges (PPAC) in terms of the Regulation 134 of the DERC (Terms and Conditions for Determination of Tariff) Regulations, 2017 from FY 2023-24 to FY 2025-26 of the Distribution Licensees shall be as follows:*

*(4) The treatment of PPAC computation as per the specified formula shall be as follows:*

- a) *in case PPAC does not exceed 5% for any quarter, the Distribution Licensee may levy PPAC at 90% of computed PPAC with prior intimation to the Commission without going through the regulatory proceedings.*
- b) *in case PPAC exceeds 5% but does not exceed 10% for any quarter, the Distribution Licensee may levy PPAC of 5% and 75% of balance PPAC (Actual PPAC% - 5%) with prior intimation to the Commission without going through the regulatory proceedings.*
- c) *in case PPAC exceeds 10% for any quarter, the Distribution Licensee may levy PPAC as per sub-regulation (a) and (b) as above without going through the regulatory proceedings and shall*

Page 1 of 3

file an application for prior approval of the Commission for the differential PPAC claim (Actual PPAC% – 8.75%).

d) The Distribution Licensee shall file Petition only for their claim of PPAC.

(5) The Distribution Licensee shall upload the computation of PPAC on its website before the same is levied in the consumers' electricity bills prospectively..."

Accordingly, the PPAC for the period January-march, 2025 (i.e. Q4 of FY 2024 – 2025) is computed at 6.72%. Moreover, in terms of Rule 14 of Electricity Rules, 2005 (as amended by the Electricity (Amendment) Rules, 2022) our computed PPAC is 10.27%. The detailed computations are enclosed as **Annex – 1**. The other details such as the Power Purchase Audited statement and SLDC accounts are enclosed as **Annex – 2**.

Additionally, this Hon'ble Commission vide its Tariff Order dated 30.09.2021 for BRPL had considered a PPAC of 7.94% equivalent to Rs. 1116.30 Cr. for meeting the revenue gap arising in the Annual Revenue Requirement (ARR) for FY 2021-22. The relevant extracts are under:

**Table 4. 62: Commission Approved: Revenue (Gap) for FY 2021-22 (Rs. Cr.)**

Sr. No.	Particulars	Amount
A	ARR	8814.59
B	Carrying Cost for FY 2021-22	366.16
C	PPAC Cost Subsumed	242.8
D	Revised ARR	9423.55
E	Revenue at Revised Tariff	8325.13
F	Revenue from PPAC	1116.3
G	Total Revenue	9441.43
H	Revenue (Gap)/ Surplus	17.88

As it is evident from the above table, entire PPAC of 7.94% has been utilized to meet the fixed cost recovery forming part of ARR of FY 2021-22. In the past, the Hon'ble Commission has allowed PPAC including 7.94% along with other quarterly PPAC.

Further, the Petitioner has filed a petition before this Hon'ble Commission being Petition No. 05/2025 seeking approval differential power purchase cost adjustment charges (PPAC) incurred during October to December, 2024 which was reserved on 26.03.2025. As on date, final Orders in the said Petition are awaited.

In view of the above, pending the above referred Review Petition before the Hon'ble Commission, the actual PPAC required for recovering of the Power Purchase Cost is 14.66% (i.e. 6.72%+ 7.94%) in terms of Regulations of the Hon'ble Commission and 18.21% (i.e. 10.27%+ 7.94%) in terms of Rule 14 of Electricity Rules, 2005 (as amended by the Electricity (Amendment) Rules, 2022).

In any event and without prejudice to the above, given that the Hon'ble Commission vide its Order dated 19.01.2024 has withdrawn its directions issued in para 2 of its earlier Order dated 21.07.23 for all DISCOMs including BRPL, BRPL will levy the suo-motto capped PPAC of 6.29% (in terms of DERC's Business Plan Regulations, 2023) on the bills of all consumers from the billing cycle w.e.f. 01.05.2025 for a period of 3 months.

For the balance/differential PPAC, we shall be filling a separate petition before Hon'ble Commission. In view of the above, we shall upload PPAC computation on our website before the same is levied on the consumers' electricity bills.

This is submitted for the kind information of the Hon'ble Commission.

Thanking you,  
Yours sincerely,

*For BSES Rajdhani Power Limited*
