| 1 | Clause 4 | COMMERCIAL CRITERIA: (a) | The bidder must have executed a single order of a minimum value of Rs 80 Lac or two orders of a minimum value of Rs 50 Lac each or three orders of a minimum value of Rs 40 Lac each in the field of Project Execution or 11 KV projects in the last three financial years (FY21 to FY24). | We have query regarding above mention tender of trenchless at various schemes at different location, the name itself suggest the scope of work of many schemes has been merge due to which qualifying criteria of single order has been increase at a very high level. We been qualified in all other aspect except this one so i request C&M kindly reduce the order value so that we can also participate . We have a experience certificate of two 11kv orders of 30 Lac each. | Tender condition shall Prevail. |
| 2 | Clause 4 | COMMERCIAL CRITERIA: (a) | The bidder must have executed a single order of a minimum value of Rs 80 Lac or two orders of a minimum value of Rs 50 Lac each or three orders of a minimum value of Rs 40 Lac each in the field of Project Execution or 11 KV projects in the last three financial years (FY21 to FY24). | As we all know that the work of projects badly suffered during FY 2020-2021 & 2021-2022 due to COVID-19. Further we would like to say that despite long association with BRPL, it will be very disappointing for us if we do not qualify for an important and valuable Tender. | Tender condition shall Prevail. |
