5	Scope of work				As per the pre-bid meeting discussion, it emerged that the budget is approximately 20 Lakhs + GST, however, we would like to state on the fact that considering the size, scale, and scope of this project covering 2 different entities (Rajdhani and Yamuna), it will not be possible to undertake this work in the stated timelines and budget as both entities have a lot of differentiation in systems and structure.	SOW IS FOR BOTH BRPL & BYPL
6	Scope of work				Any other data sources would be required to be integrated other than BIW/Oracle and excels	There are few SQL Server and MYSQL
7	Scope of work				Who will take responsibility for Data preparation queries, infocubes and its sanity from all the systems of BSES (BIW/ Oracle, Excel etc.).	Except SAP BIW Infocubes, rest all data source queries including Excel will be managed by Bidder

8	Scope of work				Delay in relevant data availability for KPI development would delay the milestone and further project timelines, hope the same would be agreed by the BSES team.	Yes
9	Scope of work				Any further migration of source systems during the project timeline will impact the data sources used for KPI & further dashboard development, the same would be agreed by BSES.	Migration of data is limited to KPI SOW only.
