6	Reverse Auction	As per RA terms	Schedule will be intimated to eligible bidders through email from email id: BRPL.Eauction@relianceada.com

8. AWARD DECISION

- 8.1. Company intends to award the business on a lowest bid basis, so bidders are encouraged to submit the bid competitively. The decision to place order/LOI solely depends on Company on the cost competitiveness across multiple lots, quality, delivery and bidder's capacity, in addition to other factors that Company may deem relevant.
- 8.2. The Company reserves all the rights to award the contract to one or more bidders who meet the execution requirement or nullify the award decision without assigning any reason thereof.
- 8.3. In case the performance of any contractor is found unsatisfactory during the execution process, the award will be cancelled and BRPL reserves the right to award the work to another contractor(s) who will be found eligible/fit.
- 8.4. The abnormally higher or abnormally lower bids shall not be considered with respect to estimated cost. The criteria decided by BRPL on this shall be final and binding on the bidders.
- 8.5. The bidding firms are advised to quote their Margin / Administrative Service Charges accordingly. BRPL reserves the right to reject the bids quoted with abnormally higher or abnormally lower individual activity rates. The criteria decided by BRPL on this shall be final and binding on the bidders and will not be open for discussion under any circumstances.
- 8.6. BRPL reserves the right to award MMG works either company wise or circle wise level i.e South circle / West circle / South – I circle / South – II Circle / West – I Circle / West – II Circle or Division wise. Also BRPL reserves the right to exclude any of the part / activities from the award.

9. MARKET INTEGRITY

We have a fair and competitive marketplace. The rules for the bidders are outlined in the Terms & Conditions of the tender documents. Bidders must agree to these rules prior to participating in the tender. In addition to other remedies available, we reserve the right to exclude a bidder from participating in future markets due to the bidder's violation of any of the rules or obligations contained in the Terms & Conditions. Bidder(s) who violate the marketplace rules or engage in

behavior that disrupts the fair execution of the marketplace restricts a bidder from participation in future tenders of BRPL to a length of time as decided by BRPL, depending upon the seriousness of the violation. Examples of violations include, but are not limited to:

- Failure to honour prices submitted to the market place.
- Breach of the terms published in Request for Quotation/NIT
- Misrepresentation of facts, submitting false and fabricating documents

10. CONFIDENTIALITY

All information contained in this tender document is confidential and may not be disclosed, published or advertised in any manner without written authorization from BRPL. This includes all bidding information submitted.

All tender documents remain the property of BRPL and all bidders are required to return these documents to BRPL upon request.

Bidder(s) who do not honour these confidentiality provisions will be excluded from participating in future bidding events.

The bidder shall sign a Non-Disclosure Agreement (NDA) in the format attached in tender document and submit along with its bid.

SECTION-II

INSTRUCTIONS TO BIDDERS (ITB)

SECTION-II

INSTRUCTIONS TO BIDDERS (ITB)

1. GENERAL

BSES RAJDHANI Power Ltd (BRPL), hereinafter referred to as the “Company” is desirous for awarding work of “Meter Installation etc in BRPL” as notified in this tender document.

- 1.1 All the Bids shall be prepared and submitted in accordance with these instructions.
- 1.2 Bidder shall bear all costs associated with the preparation and delivery of its Bid, and the Company will in no case shall be responsible or liable for these costs.
- 1.3 The Bid should be submitted by the Bidder in whose name the bid document has been issued and under no circumstances it shall be transferred /sold to the other party.
- 1.4 The Company reserves the right to request for any additional information/documents and also reserves the right to reject the proposal of any Bidder, if in the opinion of the Company, the data in support of RFQ requirement is incomplete.
- 1.5 The Bidder is expected to examine all instructions, forms, terms & conditions and specifications in the Bid Documents. Failure to furnish all information required in the Bid Documents or submission of a Bid not substantially responsive to the Bid Documents in every respect may result in rejection of the Bid. However, the Company’s decision in regard to the responsiveness and rejection of bids shall be final and binding without any obligation, financial or otherwise, on the Company.
- 1.6 The company reserves the right to split the order among various successful bidders in any manner it chooses without assigning any reason whatsoever.

2. SCOPE OF WORK

Detailed specification/scope of work is provided in Section-V of this tender document.

3. DISCLAIMER

- 3.1. This NIT is not an agreement and further it is neither an offer nor an invitation by BRPL to bidders or any other person for award of contract. The purpose of this NIT is to provide bidders information that may be useful to them in the preparation and submission of their bids.
- 3.2. This Document includes statements, which reflect various assumptions, which may or may not be correct. Each Bidder should conduct its own estimation and analysis and should check the accuracy, reliability and completeness of the information in this Document and obtain independent advice from appropriate sources in their own interest.
- 3.3. Neither Company nor its employees will have any liability whatsoever to any Bidder or any other person under the law or contract, the principles of restitution or unjust enrichment or otherwise for any loss, expense or damage whatsoever which may arise from or be incurred or suffered in connection with anything contained in this Document, any matter deemed to form part of this

Document, provision of Services and any other information supplied by or on behalf of Company or its employees, or otherwise arising in any way from the selection process for the Work.

- 3.4. Though adequate care has been taken while issuing the Tender document, the Bidder should satisfy itself that Documents are complete in all respects. Intimation of any discrepancy shall be given to this office immediately.
- 3.5. This Document and the information contained herein are Strictly Confidential and are for the use of only the person(s) to whom it is issued. It may not be copied or distributed by the recipient to third parties (other than in confidence to the recipient's professional advisors).
- 3.6. It shall be deemed that by submitting a bid, a bidder agrees to release BRPL and its employees, agents and advisors irrevocably unconditionally fully and finally from any and all liability for any claims losses damages costs expenses or liabilities in anyway related to or arising from exercise of any rights and all performance of any obligations under this NIT and or in connection with the bid process to the fullest extent permitted by applicable law and waives any and all rights and all claims it may have in this respect whether actual or contingent whether present or in the future
- 3.7. BRPL and its employees and advisors also accept no liability of any nature whether resulting from negligence or otherwise arising from reliance of any bidder upon the contents of this NIT. BRPL may in its absolute discretion but without being under any obligation to do so, update amend or supplement the information assessment statement or assumptions contained in this NIT.
- 3.8. The issue of this tender document does not imply that BRPL is bound to qualify any bidder or to award the contract to any bidder. BRPL reserves the right to reject all or any of the bids without assigning any reasons whatsoever.

4. COST OF BIDDING

The Bidder shall bear all cost associated with the preparation, submission and processing of its Bid and the company will in no case be responsible or liable for the costs.

5. TENDER DOCUMENTS

- 5.1. The Scope of Work, Bidding Procedures and Contract Terms are described in the Bidding Documents. In addition to the covering letter accompanying Bidding Documents, the Bidding Documents include:

“Check List, Sections, Annexure & Formats as elaborated in CONTENT of this NIT.”

- 5.2. The bidder is expected to examine the tender documents, including all Instructions, Forms, Terms and Specifications. Failure to furnish all information required by the tender documents or submission of a bid not substantially responsive to the tender documents in every respect may result in the rejection of the Bid.

6. AMENDMENT OF TENDER DOCUMENTS

- 6.1. At any time prior to the deadline for submission of Bids, the Company may for any reason(s), whether at its own initiative or in response to a clarification requested by a prospective Bidder, alter/amend/modify the tender documents by corrigendum /amendment.

- 6.2. The corrigendum / amendment shall be part of tender document, pursuant to Clause 5.1, and it will be notified
- (a) by way of uploading the corrigendum/amendment on BSES website (in case of public tender),
 - (b) in writing by e-mail to all the Bidders who have received the Bidding Documents by email. (in case of limited tender)

All such corrigendum & amendments will be binding on the bidders.

- 6.3. In order to provide prospective Bidders a reasonable time in which to take the Amendment into account in preparing their Bids, the Company may, at its discretion, extend the deadline for the submission of Bids.

7. PREPARATION OF BIDS & LANGUAGE

The Bid prepared by the Bidder, and all correspondence, documents etc. relating to the Bid exchanged by the Bidder and the Company shall be written in English Language. Any printed literature furnished by the Bidder may be written in another Language, provided that this literature is accompanied by English translation, in which case, for purposes of interpretation of the Bid. In case of ambiguity in the English translation, interpretation of the Company as regards to translation will be final.

8. DOCUMENTS COMPRISING THE BID

The Bid prepared and submitted by the Bidder shall comprise the following components:

- (a) Techno-Commercial Bid & Price Bid as elaborated in RFQ. (STRICTLY AS PER FORMAT)
- (b) All the Bids must be accompanied with the required EMD & Tender Fees against each tender.

9. BID FORM

The Bidder shall complete "Original" Bid Form and submit it along with details mentioned in Techno-Commercial bid (without filling price).

10. BID PRICES

Bidders shall quote for the entire Scope of work with prices for individual items. The bidder is required, at his expense, to obtain all the information he may require to enable him to submit his tender including necessary visits to the site to ascertain the local conditions, procurement of necessary materials, labour, etc., requirements of the local/government/public authorities in such matters.

11. BID CURRENCIES

Prices shall be quoted in Indian Rupees Only.

12. PERIOD OF VALIDITY OF BIDS

12.1. Bids shall remain valid & open for acceptance for a period of 180 days from the date of opening of the Bid.

12.2. Notwithstanding above, the Company may solicit the Bidder's consent to an extension of the Period of Bid Validity and the bidder shall be liable to extend the same at the sole cost and consequences of the bidder and no claim from the company in this regard shall be maintainable.

13. ALTERNATIVE BIDS

Bidders shall submit Bids, which comply with the Tender Documents. Alternative Bids will not be considered. The attention of Bidders is drawn to the provisions regarding the rejection of Bids in the terms and conditions, which are not substantially responsive to the requirements of the Tender Documents.

14. FORMAT AND SIGNING OF BID

14.1. The original Bid Form and accompanying documents (as specified in Clause 9.0), clearly marked "Original Bid", must be received by the Company at the date, time and place specified in Section-I, RFQ.

14.2. The original copy of the Bid shall be typed or written in indelible ink and shall be signed by the Bidder or a person or persons duly authorized to sign on behalf of the Bidder. Such authorization shall be indicated by written Power-of-Attorney accompanying the Bid. All pages of the bid shall be signed by the signatory accompanied with seal of the Agency.

14.3. The Bid shall contain no interlineations, erasures or overwriting except as necessary to correct errors made by the Bidder, in which case such corrections shall be signed by the person or persons signing the Bid.

15. SEALING AND MARKING OF BIDS

15.1. Bid submission: One original (hard copies) and one duplicate (total two copies) of all the Bid Documents shall be sealed and submitted to the Company before the closing time for submission of the bid.

15.2. The Bidder has the option of sending the Bids in person. Bids submitted by Email/Telex/Telegram /Fax will be rejected. No request from any Bidder to the Company to collect the proposals from Courier/Airlines/Cargo Agents etc shall be entertained by the Company.

16. DEADLINE FOR SUBMISSION OF BIDS

16.1. The Original bid must be timely received by the company at the address specified in Section –I, RFQ.

16.2. The Company may, at its discretion extend the deadline for the submission of bids by amending the Tender Documents in accordance with Clause 6.0, in which case all rights and obligations of the

Company and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

17. ONE BID PER BIDDER

Each Bidder shall submit only one Bid by itself. A Bidder who submits or participates in more than one Bid will cause all those Bids to be rejected.

18. LATE BIDS

Any Bid received by the Company after the deadline for submission of Bids prescribed by the Company, pursuant to Clause 16.0, will be declared "Late" and rejected and returned unopened to the Bidder.

19. MODIFICATIONS AND WITHDRAWAL OF BIDS

The Bidder is not allowed to modify or withdraw its Bid after the due date of bid submission.

20. EVALUATION OF BID

- 20.1. The bids will be evaluated techno-commercially on compliance to tender terms and Conditions.
- 20.2. BRPL reserves the right to ask the bidders to provide any additional information including breakup of the prices as quoted by them against line items.

21. CLARIFICATION OF BIDS

To assist in the examination, evaluation and comparison of Bids, the Company may, at its discretion, ask the Bidder for a clarification of its Bid. All responses to requests for clarification shall be in writing and no change in the price or substance of the Bid shall be sought, offered or permitted

22. PRELIMINARY EXAMINATION OF BIDS / RESPONSIVENESS

- 22.1. Company will examine the Bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the Bids are generally in order.
- 22.2. Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price per item that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price per item will be corrected. If there is a discrepancy between the Total Amount and the sum of the total price per item, the sum of the total price per item shall prevail and the Total Amount will be corrected.
- 22.3. Company will determine the substantial responsiveness of each Bid to the Tender Documents including execution capability and acceptable quality of the services offered. A substantially responsive Bid is one, which conforms to all the terms and conditions of the Tender Documents without deviation.

22.4. Bid determined as not substantially responsive will be rejected by the Company and may not subsequently be made responsive by the Bidder by correction of the non- conformity.

23. EVALUATION AND COMPARISON OF BIDS

23.1. The evaluation of Bids shall be done based on the delivered cost competitiveness basis.

23.2. The evaluation of the Bids shall be a stage-wise procedure. The following stages are identified for evaluation purposes: In the first stage, the Bids would be subjected to a responsiveness check later on the Techno-Commercial Proposals and the Conditionality of the Bidders would be evaluated.

Subsequently, the Financial Proposals along with Supplementary Financial Proposals, if any, of Bidders with Techno-commercially Acceptable Bids shall be considered for final evaluation.

23.3. The Company's evaluation of a Bid will take into account, in addition to the Bid price, the following factors, in the manner and to the extent indicated in this Clause:

- (a) Contract completion schedule
- (b) Conformance to Qualifying Criteria
- (c) Deviations from Tender Documents
- (d) Conformity and compliance to the conditions/details provided in pre-bid meeting
- (e) Change in the quantity from mentioned in the tender

23.4. The cost of all quantifiable deviations and omissions from the specification, terms and conditions specified in Tender Documents shall be evaluated.

23.5. The Company will make its own assessment of the cost of any deviation for the purpose of ensuring fair comparison of Bids.

23.6. Adjustments in price, if any, based on the above procedures, shall be made for the purposes of comparative evaluation only to arrive at an "Evaluated Bid Price". Bid Prices quoted by Bidders shall remain unaltered.

24. CONTACTING THE COMPANY

24.1. From the time of Bid opening to the time of contract award, if any Bidder wishes to contact the Company on any matter related to the Bid, it should do so in writing.

24.2. Any effort by a Bidder to influence the Company and/or in the Company's decisions in respect of Bid evaluation, Bid comparison or Contract Award, will result in the rejection of the Bidder's Bid.

25. THE COMPANY'S RIGHT TO ACCEPT ANY BID AND TO REJECT ANY OR ALL BIDS

The Company reserves the right to accept or reject any Bid and to annul the Bidding process and reject all Bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Company's action.

26. AWARD OF CONTRACT

The Company will award the Contract to the successful Bidder whose Bid has been determined to be the lowest-evaluated responsive Bid, provided the Bidder has been determined to be qualified to satisfactorily perform the Contract. Company reserves the right to award order to other bidders in the tender, provided it is required for need of the work. The full or part of the contract may be awarded to other bidder(s) on differential rates.

27. THE COMPANY'S RIGHT TO VARY QUANTITIES

The Company reserves the right to vary the quantity i.e. increase or decrease the Numbers/ quantities without any change in terms and conditions before the award of Contract. Further BRPL may increase or reduce the area/ scale of operations / increase or decrease the Numbers/ quantities after the start of work execution under the contract and the size of contract / contract value shall be adjusted accordingly. In case of decrease in base resources decided mutually then contract value will be adjusted accordingly.

28. LETTER OF INTENT/ NOTIFICATION OF AWARD

The letter of intent/ Notification of Award shall be issued to the successful Bidder whose bids have been considered successful for award of work/order.

The successful Bidder shall be required to furnish acceptance of LOI / notification of award within 7 days of issue of the letter of intent /Notification of Award by Company.

29. CORRUPT OR FRAUDULENT PRACTICES

29.1. The Company requires that the Bidders observe the highest standard of ethics during the entire period of work execution under the Contract.. In pursuance of this policy, the Company:

(a) Defines, for the purposes of this provision, the terms set forth below as follows:

"Corrupt practice" means behaviour on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves and/or those close to them, or induce others to do so, by misusing the position in which they are placed, and it includes the offering, giving, receiving, or soliciting of anything of value to influence the action of any such official in the procurement process or in contract execution; and "Fraudulent practice" means a misrepresentation of facts in order to influence a award process or the execution of a contract to the detriment of the Company, and includes collusive practice among Bidders (prior to or after Bid submission) designed to establish Bid prices at artificial non-competitive levels and to deprive the Company of the benefits of free and open competition.

(b) Will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

(c) Will declare a firm ineligible either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract.

29.2. Furthermore, It shall be the responsibility of the Bidders to read and understand & aware of the provision stated in the Terms and Conditions of tender before participating in the tender.

30. PROCESS TO BE CONFIDENTIAL

Information relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process. Any effort by a Bidder to influence the Company's processing of Bids or award decisions may result in the rejection of the Bidder's Bid.

BIDDER

SECTION – III

SPECIAL TERMS & CONDITIONS (SCC)

SECTION – III:

SPECIAL TERMS & CONDITIONS (SCC):

These Special Terms and Conditions of Contract (SCC) shall be read in conjunction with the Terms and Conditions of the Contract, General Conditions of Contract (GCC), Scope of Work and other documents forming part of the contract wherever the context so requires. Notwithstanding the subdivision of documents into separate sections and volumes, every part of each such document shall be deemed to be supplementary to and complementary of every other part.

1. DEFINITIONS

1.1. Engineer-in-charge (EIC) / Officer-in-charge (OIC)

The term “Engineer-in-charge (EIC)” / “Officer-in-charge (OIC)” shall mean the Company's nominated representative for the purpose of supervision of the execution of the Contract. The same shall be mentioned in the Contract.

2. SCOPE OF WORK

The scope includes providing meter installation work, etc. as per detailed scope of work as enumerated in Section – V.

3. EFFECTIVE DATE, TIME AND VALIDITY

3.1. The order/agreement shall become effective for all purposes from the date to be specified under the agreement and continue to remain in force for the period of one (1) year. Notwithstanding the continuous/periodic review/assessment of contractor's performance by BRPL, at its discretion, the annual performance of the Contractor will be evaluated /reviewed Annually.

3.2. That further Renewal and extension of the agreement shall be the sole prerogative of BRPL. BRPL reserves the right to renew the agreement.

3.3. Illustrative Conditions for Renewal and Extension of Agreement Beyond Agreement Duration:

BRPL may, at its sole discretion, consider renewal and extension of the agreement beyond agreement duration. Such a decision for extension, if envisaged, may be taken 1 month before the expiry of the agreement. However, BRPL may, at its discretion, renew even within One Month of expiry of agreement. BRPL reserves the right not to renew and extend the agreement beyond agreement duration. However, in exceptional cases when the Contract period shall be extended beyond 3 years then same shall be discussed and agreed mutually.

3.4. BRPL shall notify the Contractor of any possible extension or request the Contractor to furnish additional information, as may be required, for granting such extension.

4. ORDER VALUE

Value of the Contract will be contracted out on the basis of finalized rates.

The Contractor shall not be entitled to adjustment in the Service Fees during the term of this Agreement for increase due to

- (a) increased labour costs including minimum wages or costs related to vehicles or other equipments provided,
- (b) changes in insurance premiums, and/or
- (c) changes in legislations or regulations relating to the Service.

5. RATES & ESCALATION

5.1. The Rates/Agreement Consideration are firm and fixed for the Agreement period. The Rates shall not be subject to escalation or increases on any account/reason(s) whatsoever.

5.2. The rates set out above are also inclusive of reasonable incidental expenses incurred by Contractor on the following:

- I. Cost of Labour, tackles and supervision.
- II. All taxes and levies, including but not limited to GST, etc as applicable during the currency of the contract.
- III. Mobile and Conveyance of the Contractor's employees up to place of work and/ or from one place to another place for carrying out the job.
- IV. Uniform with all accessories for the team as per the sample decided.
- V. Rates shall be valid for all heights and locations.
- VI. All other expenses incidental to the job.
- VII. The Company shall pay only once against the service provided irrespective of the fact that the Contractor might have to take more than one attempts for providing the service.
- VIII. Compliance with all labour laws including Minimum Wage Act, Bonus Act, The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) ACT, 2013 etc in respect of employees engaged by the Contractor for the discharge of services as per this agreement.

6. CONTRACT CUM PERFORMANCE SECURITY BANK GUARANTEE (CPBG)

6.1. Contractor shall furnish the CPBG in the prescribed format within 15 days from the date of issue of LOI / Work Order for due performance of the provisions of Work Order/Agreement.

6.2. The CPBG shall be of 7.5% (Seven and half percentage) of initial average annual contract value inclusive of taxes & duties and shall be valid till agreement period plus three (3) months towards claim period or latest RBI guidelines (if any) regarding claim period, whichever is higher. This amount shall remain fixed during the currency of the agreement.

6.3. CPBG value to be enhanced @7.5% if initial annual contract value increases by more than 5%.

6.4. The CPBG shall be issued from any nationalized / scheduled bank as per company format.

6.5. The Company shall reserve the right to invoke the CPBG unconditionally and without recourse to the Contractor, if there is failure to perform any part of the Agreement for whatsoever reason. This

clause is pertaining to performance of contractual obligations and the decision of Company shall be final in this regard.

- 6.6. In the event of any claim or any other outstanding Contractual obligations remaining unfulfilled, the Contractor shall be required to extend the CPBG till the settlement of all claims and completion of all Contractual obligations at the cost and consequences of contractor.
- 6.7. In the event, in Company's sole judgement, the Contractor has fulfilled all its obligations under this Agreement, The CPBG shall be released without any interest after the expiry of CPBG and its claim period as mentioned above upon compulsory submission of i) No Demand Certificate ii) Indemnity Bond iii) Work completion certificate issued by BRPL iv) NOC issued by BRPL compliance cell
- 6.8. If the CPBG is or becomes invalid for any reason (other than its expiry), the Contractor shall immediately notify the Company/BRPL and provide within five (5) days a replacement CPBG in the form set out in the Contract/Agreement.
- 6.9. Not later than sixty (60) Business Days before the expiry of the CPBG, the Contractor shall, upon request of the Company/BRPL obtain extension of the validity of such CPBG for the period stated in such request by the Company/BRPL and provide a copy of such renewed CPBG.
- 6.10. It is Contractor's responsibility to incur charges / cost to maintain and for extension of CPBG without claiming reimbursement from the company/BRPL.

7. PAYMENT TERMS

- 7.1. All monitoring , measurement , billing & payment processes shall be on IT enabled platform of BRPL as per Company's guidelines issued from time to time and bidders to ensure adherence.
- 7.2. Contractor shall upload correct monthly running bills along with all supporting documents in online BTS (Bill Tracking Systems) software or any other IT enabled platform of BRPL as per Company's guidelines issued from time to time for certification / approval purpose and bidders to ensure adherence. Further the contractor shall also submit original bill (hard copy) along with all supporting documents at Vendor Support Cell of BRPL. The bills shall be made in favor of BSES Rajdhani Power Ltd, BSES Bhawan, Nehru Place, New Delhi - 110019.
- 7.3. Invoices raised for work carried out under this order, in the manner indicated above, will be either returned to the contractor with observations by BRPL within 7 days of its receipt or duly certified by Engineer-in-charge i.e. Circle Head.
- 7.4. Company shall make payments, without any interest/charges and after deduction of taxes, penalties as applicable, against the bills within 30 days from the date of receipt of the bills, duly verified and certified by Engineer-in-Charge.
- 7.5. The billing period shall be till the end of the calendar month for all the bills.
- 7.6. The bill shall consist of the prescribed documents on standard stationary designed by the Company. Contractor shall collect the details of such documents and formats from the Company.
- 7.7. The Contractor shall submit to the Company proof of all taxes paid, PF / ESI deposited & Employee salary paid in previous month along with the bills of the current month.

- 7.8. Notwithstanding anything with the release of payment of bills by the Company to the Contractor, the Contractor shall at all times ensure the due and timely payment of wages to all persons, including workmen, employed by the Contractor pursuant to this Agreement and compliance with other applicable statutory requirements within time limits. Nothing contained herein shall establish any link between release of payment of the bill by the Company to the Contractor and the payment of any salary, wages or any other dues whatsoever by the Contractor to its employees and workmen.
- 7.9. Contractor shall, at no point of time, claim or have the right to claim any additional fees, expenses or charges of any nature whatsoever, other than the Rates set out in the contract.
- 7.10. The company may modify the procedure for the submission of bills. The Contractor shall be obliged to submit its bill as per the procedure stipulated by the company from time to time.

8. INSURANCE

The contractor shall take suitable insurance policy for its men and materials (Term Insurance for life , GPA, Medclaim policy, Workmen Compensation Policy etc.) as listed below for the resources deployed by him:

8.1. Insurance Policies:

a) Term Insurance for life

Before commencing the execution of the work the Contractor shall take Term Insurance Policy for life for the staff engaged/deployed by them for the work under agreement, to insure against any loss of life which may occur during the agreement for the work of the Company. The policy shall have coverage of Rs. 10 Lakh

b) Group Personal Accident Insurance :

Before commencing the execution of the work the Contractor shall take Accidental insurance policy for the staff engaged/deployed by him for the work under agreement, to insure against any loss of life which may occur during the agreement for the work of the Company. The policy shall have coverage of Rs. 5 Lakh (Table C- Death + Permanent Total Disability + Partial permanent Disability due to external accidents). Permanent total disability coverage shall be 125% of the basic sum assured of Rs 5 Lakh.

The Contractor shall be responsible for on the spot same day claim settlement with the victim's legal heirs without waiting for settlement by insurance claim and without any liability on BRPL. The premium amount for both the above policies shall be borne by the Contractor. The Contractor shall furnish copy of policy within 15 days of start of work under the contract.

8.2. Medical Insurance Policy:

Contractor shall take a medclaim policy including family floater of minimum sum assured value Rs. 2.00 lakhs for the resources who are not covered under ESI. Recovery of premium of GMC insurance shall be as per bidder company policy.

8.3. Comprehensive Marine Storage cum Erection insurance policy:

Company shall take at his own cost Comprehensive Marine Storage cum Erection insurance policy for the total work. However, Contractor shall take at his own cost third party insurance and other suitable insurance policy for his own men and materials. Please note that these insurance

policies shall be taken in consultation with the company and a copy of the such insurance policies shall have to be furnished to company within 15 days of the date of LOI/Order.

- 8.4. For all the insurance policies (whether taken by the Company or Contractor), the Contractor shall be responsible for settlement of claims with the underwriters without any liability on the company and will arrange replacements / rectification expeditiously without a waiting settlement of insurance claim, at contractor's own cost and this shall not entitle the Contractor for any extension of time.

9. PENALTY

- 9.1. Penalty related to score card shall be levied as mentioned in Section-V, Scope of Work.
9.2. Penalty related to HR issues & ID Cards shall be applicable as defined in GCC.
9.3. Penalty for non-compliance of statutory regulations shall be applicable as defined in GCC.
9.4. Penalty for misconduct/failure in performance of task under the agreement shall be applicable as defined in GCC.
9.5. Penalty for violation of safety & quality norms shall be applicable as defined in Annexure-III, EHS Conditions of the Contract.
9.6. Total annual aggregated Liquidated Damages and Penalty against various clauses of the contract shall be limited to maximum 10% of the annual Contract Value.

10. GUIDELINES REGARDING INSPECTION & MAINTENANCE OF PITS /DUG AREA WHILE DOING WORK AT SITE IN BRPL AREA

The contractor shall ensure strict compliance of the following directions:

- a) The sites of all manholes, pits, holes, tanks or any other opening in the ground of any kinds shall be regularly inspected and maintained.
- b) Schedule and protocols of inspections and maintenance shall be drawn up and notified to BRPL.
- c) These sites shall be cordoned off to render them inaccessible to the public.
- d) The existence of these sites shall be clearly & visibly marked by the display of signboards/signages.
- e) If they are required to be covered, it shall be ensured that the covers are in place.
- f) If required, as per law, prior permission from authorities shall be secured before the commencement of work.

The Execution contractor shall solely be responsible for all the preventive and protective environmental steps as per guidelines. Any violations from the above guidelines has been viewed very seriously by the authorities. Contractor is liable for the penalties / other action by the authorities, the contractor shall indemnify BRPL its employees/directors/associates from all liabilities/penalties/claims including litigation expenses on this account.

11. DERC GUIDELINES & REGULATIONS

The bidder shall make themselves fully aware & familiarise with prevailing DERC guidelines / regulations.

SECTION – IV

GENERAL TERMS & CONDITIONS(GCC)

SECTION – IV

GENERAL TERMS & CONDITIONS(GCC)

This GCC shall form an integral part of the Agreement and will be of full force and effect as if they were expressly set out in the body of the Agreement.

Reference to any legislation or law to any provision thereof shall include references to any such law as it may, after the date hereof, from time to time, amended, supplemented or re-enacted, and any reference to a statutory provision, shall include any subordinate legislation made from time to time under that provision.

1. DEFINITION & INTERPRETATION

1.1 Definition

In the Agreement (as defined below) the words and expressions defined below shall have the meanings assigned to them herein except where the context requires otherwise:

- 1.1.1 “Accounting Year” means the financial year commencing from 1 April of any calendar year and ending on 31 March of the next calendar year.
- 1.1.2 “Applicable Laws” means all Law / Laws in force and effect, as of the date hereof and which may be promulgated or brought into force and effect hereinafter in India including any revisions, amendments or re-enactments including without limitation regulations, rules and notifications made there under and judgments, decrees, injunctions, writs and orders of any court or regulators or quasi-judicial body or any appropriate authorities, as may be in force and effect during the subsistence of the Contract. 2. PRIORITY OF CONTRACT DOCUMENTS

The several documents forming the Agreement are to be taken as mutually explanatory of one another, but in case of ambiguities or discrepancies, the same shall be explained and adjusted by the company, who shall, accordingly, issue suitable instructions thereon

to the Contractor. In such event, unless otherwise provided in the agreement or explained by way of instructions by the company, as mentioned above, the priority of the documents forming the Agreement shall be as follows:

- i) Contract Agreement/Work Order.
 - (a) Special Conditions of Contract
 - (b) General Conditions of Contract
- (ii) The Letter of Acceptance/ Intent
- (iii) Agreed Minutes of the Tender Negotiation Meetings
- (iv) Agreed Minutes of the Tender Technical Meetings
- (v) The Priced Bill of Quantities
- (vi) The Technical Specifications / Scope of work
- (vii) The Tender document, including all Appendices and/or Addenda, Corrigendum the latest taking precedence.

In the event of any conflict between the above-mentioned documents, the more stringent requirement or conditions which shall be favorable to the company shall govern and the decision of company/BRPL shall be final and binding upon the parties.

3. AMENDMENT

Any modification, amendment or other change to the Agreement shall be affected only by a written instrument signed by the authorized representatives of both, the Company and the Contractor.

4. LANGUAGE AND MEASUREMENT

All correspondence and documents relating to this order placed on the Contractor shall be written in English language. Metric System shall be followed for all dimension, units etc.

5. EXAMINATION OF SITE & LOCAL CONDITIONS

The contractor is deemed to have visited all the sites that comes under Company's licensed area under the Contract and therefore, ascertained all site conditions and information pertaining to the services to be provided under this contract. The company shall not accept any claim whatsoever arising out of the difficulties at site/terrain/local conditions, if any.

6. TAXES & DUTIES

- (i) Prices shall be inclusive of all taxes and duties including labour cess (except GST). However, Income Tax(TDS) as per applicable rate in accordance with Income Tax Act will be deducted from contractor's bills.
- (ii) GST at actual shall be paid extra on submission of GST Registration and self-declaration on Contractor's letter head stating that you have deposited/or will deposit the Tax as per the applicable GST laws. Contractor shall furnish its GST registration number.

- (iii) Any statutory variations i.e. increase/decrease in Taxes / Duties introduced by central Govt. / State Govt. shall be reimbursed/recovered to/from Contractor against documentary evidence and proof.
- (iv) As Per Notification No. 39/2021 # Central Tax dated 21st December, 2021 w.e.f 01/01/2022 registered person (ie, Recipient/Purchaser) can avail tax credit on those invoices only which have been reflected in GSTR 2A or GSTR2B (it means 100% matching of invoice is required). Also, GST has to be deposited by Supplier/Contractor by filing of GSTR- 1 and GSTR-3B.
- (v) In view of above, if the same is not complied with by the supplier/Contractor and the Recipient/Purchaser is not in position to avail / utilize Input Tax Credit due to non-compliance or non-filing of GSTR-1 and GSTR-3B for the month/quarter (as applicable) in which the supply was made, then Recipient/Purchaser has right to hold 100% GST amount from next payment due of the subsequent month till the time default is not cured.
- (vi) For releasing of the payment kept on hold on account of non-compliance of GST Act, supplier/Contractor shall submit payment proof i.e GST Portal screenshot reflecting name of Recipient/Purchaser alongwith GSTR-1 and GSTR-3B for month/quarter (as applicable) in which the same has been discharged. Payment shall not be released, till the time necessary proof showing the discharge of GST liabilities by the contractors for the period in default are submitted to the Company.
- (vii) Further, the recipient/purchaser shall also be entitled to recover any financial loss suffered by the Company (including tax, interest, penalty and lapse of input credit) due to non-compliance or non-filing of GSTR-1 and GSTR-3B by the supplier/Contractor.
- (viii) In case where delivery of goods is being made on FOR site basis, the Supplier/Contractor is responsible to comply with rules applicable for E-way bill. Any violation in provision of E-way Bill will attract penalty and seizure of Transit Material. Any Penalty and Pre-Deposit due to violation of rules/provision shall be paid and borne by Supplier/Contractor. Also, Supplier/Contractor is responsible to get the goods released from the concerned authority. Delay in supply due to seizure of goods shall attract liquidated damages as per Order / Agreement provisions.

7. PAYMENT

- 7.1. Subject to the Contractor fulfilling its obligations under the Contract, the Company shall pay to the Contractor the Contract Value as per the terms of the Contract. The Company shall, notwithstanding any provision to the contrary included in the Contract, be entitled to deduct from and/or set off against any amount due or become due, whether related to this contract or other contracts awarded to contractor. However, any and all amounts which the Contractor is liable to pay to the Company, the contractor shall make payment as per the agreed schedule to avoid any set off / deductions.
- 7.2. Subject to the provisions of the Contract, the Contractor shall submit to the Company, monthly on-account Running Bills on or before the 10th of every month in respect of the Services executed by the Contractor in the preceding month. If the Contractor fails to submit any Tax Invoice (Running Bill) by the 10th of any month, then the Company shall have the right to consider such Tax Invoice (Running Bill) only in the immediately succeeding month. The Running Bills shall only be for such Services, as, in the opinion of the Company, the Contractor has executed in accordance with the Contract, based on the certification of Services by the Company in accordance with the Contract. Within 30 days from the receipt of correct Running Bill along with relevant documents, payment shall be released to Contractor's designated bank account through RTGS /online payment as per payment terms under the Contract.

- 7.3. The Running Bills to be submitted by the Contractor shall be in the format approved by the Company. Each Running Bill submitted by the Contractor under the Contract shall be supported with relevant documents as instructed by the Company from time to time. On receipt of the Running Bill by the Company, the Company shall scrutinize the same to check for any errors and to verify that the amount claimed under the Running Bill is in conformity with the Contract. The Running Bill shall be payable only after certification of Service(s) and approval of the Running Bill for payment by the Company.
- 7.4. All monitoring , measurement , billing & payment processes shall be on IT enabled platform of BRPL as per Company's guidelines issued from time to time and bidders to ensure adherence.
- 7.5. Contractor shall upload correct monthly running bills along with all supporting documents in online BTS (Bill Tracking Systems) software or any other IT enabled platform of BRPL as per Company's guidelines issued from time to time for certification / approval purpose and bidders to ensure adherence.
- 7.6. The Contractor shall ensure that their billing documents support cost / expenses booking at Divisional level / Sub Divisional level as required by the Company.
- 7.7. Monthly Billing and payment are subject to retention as per retention policy of the company for retentions on any HR, statutory or other non compliance w.r.t deployed manpower , vehicles or any other resources as per scope of work.

8. TAX INVOICE SUBMISSION PROCEDURE AND CERTIFICATION

- 8.1. Tax Invoice shall be submitted to the Company for certification. Contractor must pay due attention for submission of Tax Invoice in time and along with relevant Documents to Company.
- 8.2. Tax Invoice shall be certified by Company after verifying relevant original Documents submitted by Contractor. If original Document associated with Tax Invoice is misplaced or lost during transit or for any genuine reason(s) attributable to Contractor, the reason(s) should be informed to Company in writing in stipulated period as instructed by Company. A true copy of certified Document with an indemnity bond or Bank Guarantee, as the case may be, must be submitted in the format provided by the Company.
- 8.3. Incomplete Tax Invoice will not be considered for processing of payments in terms of the Contract. Company reserves right to recover payable amount or part of Tax Invoice from available financial security or other dues of the contractor with the Company. Contractor shall be paid in terms of the Contract based on certification of Tax Invoice along with associated relevant Document(s) by the Company only.

9. TIME ESSENCE OF CONTRACT

Time is the essence of the contract and the contractor shall be responsible for performance of his works in accordance with the specified schedule. If at any time, the contractor is falling behind the schedule for reasons attributable to him, he shall take necessary action to make good for such delays by increasing his work force or by

working overtime or otherwise to accelerate the progress of the work and to comply with schedule timelines and shall communicate such actions in writing to the company, to the satisfaction of the Company that his action will compensate for the delays. The contractor shall not be allowed any extra compensation for such actions.

Time shall be the essence of the Contractor. Contractor shall complete his work in accordance with the specified time-lines/ Schedules as per the terms of the contract or as may be instructed by the Company from time to time.

10. LIQUIDATED DAMAGE

10.1. Contractor shall ensure that the work under the agreement is carried out in accordance with the terms and conditions of the agreement. The decision of the authorized personnel / Engineer – in- charge as regards performance of the contract will be final and binding. If the work under the agreement is not carried out to the satisfaction of the authorized personnel/Engineer – in- charge of BRPL including events of delay for reasons attributable to the Contractor, the Contractor shall be liable to pay and/or reimburse to the Company a sum:

- a) Equivalent to charges for completion /rectification of work plus 30% overhead charges, which will be recovered from the Contractor's invoice/outstanding payment/CPBG;
- b) Equivalent to the penalties defined in various clauses of tender/contract.

10.2. The parties agree that the above amounts, including the amounts set out in the provisions relating to the penalty, are a reasonable estimate of the additional expenses required to be incurred by the Company due to the breach by the Contractor of the terms and conditions of this agreement. The Company shall be entitled to set off the entire amounts due from the Contractor against the amount payable by Company to the Contractor and CPBG.

11. PERIOD OF MOBILISATION

The contractor shall mobilize its resources to carry out the assigned services under this Agreement within 30 days from the issuance of LOI/Order so that services are made available from the date of start of the work mentioned in LOI/Order.

12. OPENING OF SITE OFFICE:

The Contractor shall also open and maintain a site office in the area and depute its authorized representative there.

13. ACCESS TO THE SITE

13.1. The Company shall provide to Contractor the right of access to the Site progressively for the Execution of the Works. The Contractor acknowledges that its access to the Site shall not be exclusive to the Contractor but subject to the restrictions as contained in the Contract as well as the following:

- (a) Any public passage or right existing over any part of the Site from time to time;
- (b) The rights and obligations of persons or authorities under any Applicable Laws; and
- (c) The rights of the Company's Representative, Consultants or any other representative of the Owner or any statutory authorities to have access to the Site for inspection of the Works

13.2. If the Contractor foresees any delay in the Execution of the Works due to failure on the part of the Company to provide right of access to the Site, the Contractor shall immediately give written notice to the Company's Representative substantiating its claim for any delay in the execution of the works due to delay in providing the Site. After receipt of such notice, the Company's Representative shall determine extension of time, if any, to be granted to the Contractor and notify the Contractor accordingly. The Contractor acknowledges and agrees that it shall not be entitled to any monetary claim under any circumstances whatsoever due to any delay in handing over of the Site by the Company.

13.3. The Contractor shall not demolish, remove or alter any structures or other facilities on the Site without the prior written approval of the Company's Representative. The Contractor shall further ensure that all garbage resulting from the Execution of the Works is removed or disposed off, in accordance with Applicable Laws.

14. INSPECTION & QUALITY CONTROL

Inspection shall be performed by BRPL or its appointed authorized inspection agency. The contractor at his sole expenses shall correct defective works. Such rectification needs to be done / completed within the timelines specified by BRPL.

15. DEMOBILISATION/ HANDOVER ON CONTRACT COMPLETION

- 15.1. The contractor shall ensure that all the premises/equipment/services are in good working condition and are with full configuration while handing over back to the Company/new Contractor at the end of the contract.
- 15.2. The demobilization/ handover period will be a period of upto 30 days starting from the date of expiry of the contract. The Contractor shall have to complete the demobilization process including closing all pending calls, and handing over all site-related information to the new Contractor/BRPL during this period.
- 15.3. Within 30 days of the expiry of the contract, the Contractor's representative and BRPL's representatives or the new Contractor may carry out a Joint survey/physical inspection to identify the status of the premises/equipment/services at their locations. If any of the premises/equipment/services are found non-working/ irreparable / unsatisfactory, it is the responsibility of the contractor to make the same good as part of the existing contract.
- 15.4. No payments shall be admissible for the demobilization period/activities.
- 15.5. In case the Contractor is not able to close the pending work as identified in Joint survey/physical inspection during the demobilization period, BRPL at its sole discretion can get the work done / Services rendered/ equipment restored/ repaired/substituted by new Contractor/the third party at the risk and cost of the Contractor and the same will be deducted/recovered from the bills of the

contractor or the security amount , CPBG , retention amount or otherwise as per terms of the contract and no claim from the Contractor's side , of any nature, including the claim citing the award of work to third party and consequences thereof, shall not be maintainable.

15.6. Payments for the last month shall be cleared only after all the pending works have been closed successfully as indicated above.

15.7. Ceiling on deductions/penalty stipulated in this contract, if any, shall not be applicable on deductions stipulated herein during demobilization/ handover on contract completion.

16. REPORTS AND INFORMATION

The Contractor shall be obliged to submit or furnish to Company, all or any information as desired by company, in the form of a report or otherwise. The report may be required at regular interval as specified/required by company. The information shall be provided in a format to be specified by the company to the Contractor. However, company, reserves the right to revise this format which would be communicated to the Contractor and it shall be valid and binding obligation on the Contractor to submit the desired information in the revised format.

17. STATUTORY OBLIGATIONS

The Contractor shall ensure the due compliance of all the applicable statutory acts, including but not limited to the following acts, where special attention of the Contractor is required to be drawn towards the compliance of provision (along with the latest amendments/additions)including any statutory approval required from the Central/State Governments, Ministry of Labour.

Before commencing the work it would be mandatory for the Contractor to furnish the Company the permanent PF code no and ESI of the employees.

- 20.4. Contractor ensures that Manpower deployed at the site must adhere to terms & conditions as set out in the Contract.
- 20.5. The Contractor shall give a written declaration / undertaking on or before 15th of the following month that he has complied with the following:
- a) Has paid minimum wages to his manpower along with its proof.
 - b) Deduct and deposited ESI/PF contribution. Copy of the same shall be submitted
- 20.6. Contractor shall comply with all the amendments to existing acts, upcoming new comprehensive labour acts related to applicable labour law, wage code etc

21. PERMITS, LICENSES & APPROVALS

- 21.1. It shall be the Contractor's exclusive responsibility to obtain all requisite approvals, permits or licenses required for the performance of the Services. However, upon the request of the Contractor, the Company may, where it is necessary to do so, provide reasonable assistance to the Contractor, at the risk and cost of the Contractor, in applying for and obtaining such permits, licenses or approvals. Any delay in obtaining any such permits, licenses and approvals shall not relieve the Contractor from any of its obligations under the Contract.

- 21.2. The cost of obtaining the above mentioned permits, approvals and licenses and follow-up of the applications for such permits, approvals and license shall be borne by the Contractor.
- 21.3. It shall also be the Contractor's exclusive responsibility to obtain those requisite approvals, permits or licenses required for the performance of the Services which needs to be obtained by the Company. However, the cost of obtaining such permits, approvals and licenses shall be borne by the Company. Company shall provide reasonable assistance to the Contractor in applying for and obtaining such permits, licenses or approvals. Any delay in obtaining any such permits, licenses and approvals shall not relieve the Contractor from any of its obligations under the Contract.

22. REPRESENTATION, WARRANTIES AND GUARANTEES

The Contractor hereby represents warrants and guarantees that:

- 22.1. It is a legally recognized entity under the laws of India;
- 22.2. The Agreement contains valid and binding obligations and is enforceable in accordance with the terms hereof;
- 22.3. It has studied the technical feasibility, Site conditions and other prevailing conditions and all other operational details and based on these studies carried out, has agreed to provide to the Company the services as contemplated in this Agreement;
- 22.4. It has appraised itself of all applicable rules and regulations, and shall at all times comply with such rules and regulations;
- 22.5. It shall procure vehicles and hire manpower suitable for the purposes of rendering services as contemplated in this agreement;
- 22.6. The Services would be conducted in a safe and efficient manner at the Site and at all times in compliance with Good Industry Practices and requirements of the Company, and in any event, in accordance to this Work Order/agreement;
- 22.7. It shall procure all consents, licenses, permits, approvals and certificates and authorizations as may be required from any governmental authority for the performance of services at the Site;
- 22.8. It shall duly pay the duties, taxes and levies as are set out in this agreement or otherwise, which are to be paid by the Contractor;
- 22.9. There is no action, suit or proceeding, at law or in equity, or to the best of knowledge of Contractor, any official investigation before or by any governmental authority, arbitration tribunal or other body pending or, to the best of its knowledge, threatened against or affecting it or any of its property, rights or assets, which could reasonably be expected to have material adverse effect on its ability to perform its obligations under this Agreement or on the validity or enforceability of this agreement;

23. EVENTS OF DEFAULTS

Company may, without prejudice to any of its other rights or remedies under the Contract or in law, terminate the whole or any part of this Contract by giving written notice to the

Contractor, if in the opinion of Company, contractor has neglected to proceed with the Contracts with due diligence or commits a breach of any of the provisions of this Contract including but not limited to any of the following cases:

- 23.1. Failing to complete execution of Contract as per the terms and conditions specified in the Contract.
- 23.2. Failing to complete Contracts in accordance with the approved schedule of Contract.
- 23.3. Failing to comply with any reasonable instructions or orders issued by Company in connection with the Contract.
- 23.4. Failing to comply with any of the terms or conditions of this Contract.
- 23.5. In the event Company terminates this Contract, in whole or in part, on the occurrence of any event of default, Company reserves the right to engage any other vendor or agency to complete the Contract or any part thereof, and in addition to any other right Company may have under the Contract or in law including without limitation, including the right to penalize for delay under clause "Liquidated Damage" of this Contract, the contractor shall be liable to Company for any additional costs that may be suffered/borne by Company for the execution of the Contract.
- 23.6. Failure on the part of the Contractor to maintain its confidentiality obligations and or compromising its integrity, which are required to be of highest standards, in so far as the present scope of work is concerned.

24. RISK & COST

If the Contractor fails to execute the work as per specification/Agreement/as per the direction of Engineer-in-charge within the scheduled period and/or even after the extended period, the company shall be having the right to cancel/terminate the agreement and the company reserves the right to get the work executed from any other source at the Risk & Cost of the Contractor. The Extra Expenditure so incurred shall be debited to/recovered from the Contractor.

25. LIMITATION OF LIABILITY

- 25.1. The Contractor's liability (except Third Party Liability; covered under the agreement and addendums thereto) for all damages, losses, acts or omissions, howsoever occasioned, shall not, at any time exceed an amount equivalent to Contract Value.
- 25.2. Notwithstanding anything stated in the agreement, the limitation of Liability shall not be available /applicable in case of wilful default/breach/negligent act/misconduct on the part of the Contractor and/or its employees.

26. TERMINATION

26.1. TERMINATION BY COMPANY FOR NON PERFORMANCE

During the course of the execution, if at any time the Company observe and forms an
NIT: CMC/BR/22-23/RB/CR/DG/1084 Page 49 of 158 Bidder Seal & Signature

opinion that the work under the order is not being performed satisfactory and the performance of the Contractor not found satisfactory, the Company reserves its right to cancel/ terminate this Agreement giving minimum 30 days' notice without assigning any reason and the Company will recover all damages including losses occurred due to loss of time from the Contractor. After termination of the agreement, the Contractor shall immediately stop all activities related to the work terminated. This is without prejudice to other rights under the terms of contract. The Contractor shall hand over the Company all drawing/documents prepared for this contract up to the date of cancellation of order.

26.2. PREMATURE TERMINATION

The order can be terminated by the Company before the expiry of its term under the following conditions:

- (i) The Contractor repudiates this order or otherwise evidences intention not to be bound by this order;
- (ii) The Contractor assigns, mortgages, or charges or purports to assign, mortgage, or charge any of its obligations or rights in contravention to the provisions of this order; or, transfers or negates any of its obligations in contravention to the provisions of this order.
- (iii) The Contractor breaches the Secrecy/Non-disclosure Clause/Confidentiality obligations.
- (iv) If at any stage during the tenure of the work order, Contractor is found to be involved or indulging or even attempting illegal, unlawful action or activities or some fraudulent or even trying to take or ask bribe from any customer or to give bribe official/staff or misuse or abuse any meter or property of the Company.
- (v) The Company shall be entitled to deduct from any money due or to becomes due to the Contractor, money paid or payable by way of compensation as aforesaid or cost or expenses in connection with any claims thereto. The Contractor shall abide by the decision of the Company as to the amount payable by the Contractor under the provision of this clause.

26.3. TERMINATION BY COMPANY FOR CONVENIENCE

The Company shall, in addition to any other right enabling it to terminate the Contract, have the right to terminate the Contract at any time without assigning any reason, by giving a written notice of minimum 30 days to the Contractor. The Contract shall stand terminated on the date as per the notice but such termination shall be without prejudice to the rights of the Parties accrued on and before the date of termination.

27. GOVERNING LAW AND ARBITRATION

27.1. Governing Law: This Work Order/Agreement shall be governed by the laws of India and each party submits to the exclusive jurisdiction of the courts in New Delhi.

27.2. Dispute Resolution Mechanism. All disputes and differences arising out of or in connection with this Agreement shall be resolved amicably by mutual discussion within 30 days. If the dispute cannot be resolved by mutual discussions and agreement, the parties will take such dispute to an arbitral panel comprising Sole Arbitrator jointly appointed by the parties to agreement.

27.3. In the event parties fail to appoint the sole arbitrator within 30 days from the date of request made by party, the Sole Arbitrator shall be appointed as per the provisions of The Arbitration and Conciliation Act 1996 as amended upto date. The arbitration shall be conducted in New Delhi in accordance with the provisions of the Arbitration and Conciliation Act 1996. The award of the

arbitral panel shall be final and binding on all parties. The arbitration proceedings shall be conducted in English. The venue and seat of Arbitration shall be in Delhi Only. The cost of arbitration shall be shared equally between the parties unless otherwise directed by the Arbitrator.

28. FORCE MAJEURE

28.1. General

An "Event of Force Majeure" shall mean any event or circumstance not within the reasonable control, of the Party affected, but only if and to the extent that:

- (i) Such event or circumstance, despite the exercise of reasonable diligence, could not have been prevented, avoided or reasonably foreseen by such Party;
- (ii) Such event or circumstance materially and adversely affects the ability of the affected Party to perform its obligations under this agreement, and the affected Party has taken all reasonable precautions, due care and reasonable alternative measures in order to prevent or avoid the effect of such event on the affected party's ability to perform its obligations under this Agreement and to mitigate the consequences thereof. For the avoidance of doubt, if such event or circumstance would not have materially and adversely affected the performance of the affected party had such affected party followed good industry practice, such event or circumstance shall not constitute force majeure.
- (iii) Such event is not the direct or indirect result of the failure of such Party to perform any of its obligations under this Agreement; and
- (iv) Such Party has given the other Party prompt notice describing such events, the effect thereof and the actions being taken in order to comply the relevant clause

28.2. Specific Events of Force Majeure

Subject to the provisions of the agreement, Events of Force Majeure shall include only the following to the extent that they or their consequences satisfy the above requirements:

- (i) The following events and circumstances:
 - a. Effect of any natural element or other acts of God, including but not limited to storm, flood, earthquake, lightning, cyclone, landslides or other natural disasters, and
 - b. Explosions or fires or flood
- (ii) Public disorder, insurrection, rebellion, sabotage, riots or violent demonstrations of a local character;
- (iii) Declaration of the Site as war zone.
- (iv) Any order, regulation, directive, requirement from any Governmental, legislative, executive or judicial authority.

28.3. Notice of Events of Force Majeure

If a force majeure event prevents a party from performing any obligations under the Agreement in part or in full, that party shall:

- (i) Immediately notify the other party in writing of the force majeure events within 2 working days of the occurrence of the force majeure event
- (ii) Be entitled to suspend performance of the obligation under the Agreement which is affected by force majeure event for the duration of the force majeure event
- (iii) Use all reasonable efforts to resume full performance of the obligation as soon as practicable
- (iv) Keep the other party informed of all such efforts to resume full performance of the obligation on a regular basis
- (v) Provide prompt notice of the resumption of full performance or obligation to the other party.

28.4. Mitigation of Events of Force Majeure

The Contractor shall:

- (i) Make all reasonable efforts to prevent and reduce to a minimum and mitigate the effect of any delay occasioned by an Event of Force Majeure, including applying other ways in which to perform the agreement;
- (ii) Use its best efforts to ensure resumption of normal performance after the termination of any Event of Force Majeure and shall perform its obligations to the maximum extent practicable as agreed between the Parties; and
- (iii) Keep the Company informed at regular intervals of the circumstances concerning the event of Force Majeure, with best estimates as to its likely continuation and what measures or contingency planning it is taking to mitigate and or terminate the Event of Force Majeure.

28.5. Burden of Proof

In the event that the Parties are unable in good faith to agree that a Force Majeure event has occurred to an affected party, the parties shall resolve their dispute in accordance with the provisions of this agreement. The burden of proof as to whether or not a force majeure event has occurred shall be upon the party claiming that the force majeure event has occurred and that it is the affected party.

28.6. Termination for Certain Events Of Force Majeure

If any obligation of any Party under the Agreement is or is reasonably expected to be delayed or prevented by a Force Majeure event for a continuous period of more than 1 (one) month during the Term of the Agreement, the Agreement shall be terminated at the discretion of the Company and neither Party shall be liable to the other for any consequences arising on account of such termination.

The Company reserves the right to demand the Contractor's services on holidays as well as beyond the normal working hours.

The Contractor will ensure that none of their person is engaged in any unlawful activities subversive of the Company's interest failing which suitable action may be taken against the Contractor as per the terms and condition of this order.

The Contractor shall be liable for payment of all taxes and duties as applicable, to the State/ Central Govt. or any local authority.

The Contractor's employees shall not be treated as Company's employees / persons for any purpose whatsoever & facilities/ benefits applicable to the Company's employees shall not be applicable to Contractor's employees. If due to any reasons whatsoever the

Company is made liable to meet any obligation under any of the laws & enactment etc, for any reason whatsoever the same shall be recovered from the Contractor either from the present and future amount payable to him or as per law.

29. NOTICE & COMMUNICATION

Any notice or other formal communication to be given under this agreement shall be in writing and signed by or on behalf of the party giving it and shall be sent by registered post, A.D. to the addresses of Contractor or BRPL as mentioned herein above or to any other addresses as agreed by the parties, in writing from time to time.

Any notice or other formal communication can also be sent through official e-mail ID of authorized person of Contractor or BRPL.

30. SAFETY CODE

- 30.1. The Contractor shall ensure adequate safety precautions at site, as required under the law of the land to facilitate safe working, during the execution of work under agreement/work order and shall be entirely responsible for the complete safety of their workmen as well as other workers at site and premises during performance of work under agreement.
- 30.2. The Contractor shall observe the safety requirements as laid down in the agreement and in case of sub-contract/assignment (only after written approval of company), it shall be the responsibility of Contractor that all safety requirements are followed by the employees and staff of the sub-contractor.
- 30.3. The Contractor employing two hundred employees or more, including employees deputed under agreement, shall have a safety officer in order to ensure the implementation of safety requirements of the agreement and if the Contractor having lesser number of employees, including agreement workers, shall nominate one of its employees to act as safety coordinator who shall liaise with the safety officer on matters relating to safety and his name shall be displayed on the notice board at a prominent place at the work site.
- 30.4. The Contractor shall be responsible for non-compliance of the safety measures, implications, injuries, fatalities and compensation arising out of such situations or incidents.
- 30.5. In case of any accident, the Contractor shall immediately submit a statement of the same with BRPL and the safety officer, containing the details of the accident, any injury or casualties, extent of property damage and remedial action taken to prevent recurrence and in addition, the Contractor shall submit a monthly statement of the accidents to BRPL at the end of each month.
- 30.6. The contractor / safety officer shall be responsible for providing training to all staff & workers , safety compliances , testing and fitness of all T&P , PPE, annual safety audit reports etc in line with CEA norms

31. WORKMEN COMPENSATION

- 31.1. The Contractor shall take insurance policy at his own cost under the Workmen Compensation Act to

cover such workers who are not covered under ESI by the Contractor however engaged to undertake the jobs covered under this order and a copy of this insurance policy will be given to Company for reference and records. This insurance policy shall be kept valid at all times. In case there are no workers involve other than those who are covered under ESI by the Contractor, the Contractor shall certify for the same.

31.2. The Contractor shall keep the Company indemnified at all times, against all claims of compensation under the provisions of Workmen Compensation Act 1923 as amended from time to time or any compensation payable under any other law for the time being involving workmen engaged by the Contractor in carrying out the job involved and against costs and expenses, if any, incurred by the Company in connection therewith and without prejudice to make any recovery.

31.3. The Company shall be entitled to deduct from any money due to or to become due to the Contractor, moneys paid or payable by way of compensation as aforesaid or cost or expenses in connection with any claims thereto and the Contractor shall abide by the decision of the Company as to the amount payable by the Contractor under the provisions of this clause.

32. THIRD PARTY INSURANCE

The Contractor shall, before the commencement of work, take a Third Party Insurance of an adequate value, at his own cost and expenses, securing all the risks/losses/damages which may be caused to any third party and/or BRPL and/or its employees/associates, because of the omission/performance of tasks by the Contractor under this agreement. The full and final settlement of claims raised by third parties shall be the sole responsibility of the Contractor without any liability to BRPL.

It is further agreed by the Contractor that in case of defect/damage to the system because of default on the part of the Contractor, the Contractor shall, at its own cost, be liable to replace/rectify the same at the earliest or make good the loss suffered by BRPL

33. HUMAN RESOURCE ISSUES

- (A) The Contractor would execute the works under agreement through its own resources.
- (B) The Contractor shall bear all expenses/cost to be incurred towards salary, allowances, perks, travelling allowances, advances, insurance, safety measures, annual increment, security, transportation, conveyance reimbursement, telephone expenses, leave pay and all other misc. expenses etc. of their employees/ workmen during the validity/tenure of the Agreement or any renewed tenure thereto. Also, the Contractor shall be solely responsible for making payment for Hospitalization, Compensation thereof in case of any accident & injury.
- (C) The Contractor to deploy its manpower immediately for carrying out the work as specified in the tender document.
- (D) The Contractor shall ensure that there are no disputes regarding service, payment etc. of the persons engaged by it, anytime during the tenure/validity of the contract. At no point of time during the tenure/validity of contract, the Contractor's employees shall insist upon the Company for employment, wages, and allowances or any other related matter,

payment etc.

- (E) The Contractor shall not deploy the manpower below the age of 18 years or above the age of 58.
- (F) The Contractor shall not deploy the female manpower between 7 PM to 6 AM.
- (G) The Contractor shall be directly responsible for any / all disputes arising between Contractor and its persons and keep the Company indemnified against all losses, damages and claims arising thereof. The Contractor shall resolve all disputes of its manpower. All the legal dues of the manpower of Contractor is to be paid on or before due date as per applicable laws or within 8 days from date of the termination of manpower.
- (H) All safety wears required for the Contractor's manpower during the execution of work must be provided by the Contractor at its own cost and the Contractor shall ensure that its employees regularly use such safety gears.
- (I) The Contractor shall be responsible for discipline of its manpower and shall ensure that the personnel deputed should adhere to the disciplinary procedure set by the Company. The Contractor shall ensure that none of its associate/personnel is engaged in any unlawful activities or any other activity subversive of the Company's interest, failing which the same shall be termed as breach of the terms of agreement and annexures thereto and suitable action may be taken against the Contractor as per the terms & conditions of the Agreement. The Contractor will ensure that none of the manpower engaged by it will demonstrate before the offices of the Company in any manner whatsoever. In case any of the manpower engaged by Contractor is found indulging in such activities, the same shall be termed as breach of the terms of agreement and annexure thereto and the Contractor will take suitable action against such of their employees and submit the ATR with company.
- (J) The Contractor shall ensure compliance with minimum wage requirements of the correct category and shall ensure the following:
 - (a) Timely payment of minimum wages to deployed manpower as per the rate notified from time to time by the Government of National Capital Territory of Delhi.
 - (b) Compliance with all other relevant PF, ESI, Insurance and other laws as applicable per statute.
 - (c) To retain Challans/Receipt issued by Statutory Authorities like Regional Provident Fund Commissioner (RPFC)/including its own Pension Provident Fund Trust for previous month & proof of payment towards compliance of other statutory provisions like E.S.I., GST etc.
 - (d) Contractor will also produce challan/receipt with respect to payment of GST as a proof for such statutory payment.
- (K) Contractor shall comply with provisions of the Payment of Wages Act 1936, Minimum wages Act-1948, Employee's Provident Fund & Miscellaneous Provision Act 1952, ESI Act 1948, Company's Liability Act 1936, Industrial Dispute Act 1947, Maternity Benefit

Act 1961, Contract Labour (Regulations & abolition) Act 1970, Delhi Shops & Establishment Act or any modification thereof, THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013 or any other Act relating to rules made hereunder from time to time. For the said purpose the Contractor shall get itself covered under the Employee's Provident Fund & Miscellaneous provision Fund 1952 & ESI directly with the appropriate Regional Provident Fund Commissioner, if not done so far and shall intimate to the Company the Code No. allotted by the RPFC & ESI Authorities within one month from the date of commencement of the work under agreement.

- (L) Contractor shall organize periodic awareness session on POSH, 2013 and strict compliance to POSH, 2013.
- (M) Contractor shall have a detailed HR policy for retirement, training, safety, job suitability, health etc. for it's employees. Further the Contractor shall have proper grievance redressal process for addressing HR issues raised by it's employees.

(N) **ID CARD:**

The Contractor will not issue any ID cards to the manpower deputed under agreement, on its own. All ID Cards for the workforce will be issued by BRPL Security ID Card Cell only. The Contractor should maintain the records of Identity Cards of their employees and whenever any employee quits/is removed then his/her Identity card should be collected & submitted to BRPL Security ID Card Cell. Penalty will be imposed on the Contractor in case of violation of the above rule. Contractor shall submit the details/ list of the employees that they are going to be deputed with BRPL Security before the commencement of the work under agreement.

The penalty clause related to employee's ID card shall be as under:

- (i) It is agreed by the Contractor that within five (5) days from the commencement of agreement/ date of award of work order/ date of renewal of agreement, the Contractor shall be bound to intimate BRPL, the details of manpower deputed by Contractor for the performance of task under this agreement in BRPL specified format.
- (ii) It is agreed by the Contractor that in case of change of manpower deputed by the Contractor under this instant agreement, the Contractor shall, promptly but not later than twenty four (24) hours of such change, intimate BRPL in writing about the said change and submit the revised details in the BRPL specified format.
- (iii) It is further agreed by the Contractor that it shall, promptly but not later than seven (7) working days from the commencement of agreement/ date of award of work order/ date of renewal of agreement, ensure the issuance of the photo identity cards, issued by BRPL Security, to all the personnel deputed by the Contractor. The ID Cards shall also bear the name of the Company/ Contractor, the contact details of the personnel and the Company and shall ensure that all the personnel, during the performance of task under the agreement, shall wear/ display those ID Cards.
- (iv) In addition to the events of default as specified in the agreement and annexures thereto including as specified above, it has been agreed by the parties to the agreement that the following events shall also be counted as events of default and the Contractor shall

ensure not to commit the same:

- (a) of staff found working without valid ID Cards (ID Cards issued by BRPL Security) / Not carrying ID cards to the workplace.
- (b) of staff carrying validity lapsed (expired) ID Cards as against the number of staff billed for
- (c) of staff found carrying Contractor issued ID Cards, instead of through BRPL Security - CONTRACTORS cannot issue ID cards for the manpower deployed on BRPL work.
- (d) That the failure by the Contractor in compliance of the terms stated in section above and/ or the commission of defaults as notified above, i.e. non issuance of ID Cards, non-display of ID Cards by the personnel of the Contractor and/ or the commission of any of the defaults, shall attract an agreed penalty for the sum of Rs. 1000/- per person per day and the same shall be deducted/recovered from the monthly bill of the Contractor, without any advance intimation to Contractor by BRPL.
- (e) Certification of penalty (defaults and sum penalized) shall be through BRPL Security, along with intimation to concerned User Department, C&M, F&A. A notice shall be sent to Contractor/ agency.
- (f) That in addition to the penalty as specified above, in case of any blacklisted manpower/personnel is found working/deputed by the Contractor, with BRPL for the performance of work under agreement, the same shall be termed as breach of terms of agreement and annexures thereto and shall, in addition to other penalties and rights available with Company/BRPL, levy a penalty of 1% of the contract value or Rs Fifty Thousand (50000), whichever is lower, and deduct/recover from the monthly bill of the Contractor.
- (g) In case of second or subsequent default as specified above, within 6 months from the first default, the same, without prejudice to other penalties/ remedies that can be imposed/resorted under the terms of this agreement, BRPL reserves the right to terminate the contract.
- (h) It is further agreed by the Contractor that the imposition of penalty and the quantum thereto shall be the sole discretion of BRPL and no claim/dispute by Contractor, challenging the imposition of penalty and/or the quantum thereto shall be maintainable.
- (i) BRPL may review/revise ID card Policy including penalty during the tenure of agreement. This shall be at the sole discretion of BRPL and Contractor shall be liable to comply in full the revised policy, notified time to time.
- (j) The Contractor shall submit resumes of its personnel to be deputed/Supervisors within 2 days of Award of Agreement/Work Order for approval and selection by BRPL. BRPL shall conduct interview and select the personnel to be deputed/Supervisors and provide inputs to Contractor for further action and deployment.
- (k) The Contractor shall collect the following documents from the personnel deputed under agreement, within two weeks of mobilization and shall deposit the same with BRPL, as follows:
 - (i) Educational Qualification Certificate: Certificate and mark-sheet of all manpower demonstrating the highest educational qualification of all personnel, making them competent for the task assigned.
 - (ii) Permanent Address Proof: Supporting document for permanent address proof of all personnel.

(iii) Identity Proof: Copy of PAN card should be submitted as identity proof, for all personnel.

Contractor shall share the above information on demand from BRPL. BRPL reserves the right to reject deployed manpower, in case the same is not found suitable.

- (O) The Contractor shall conduct relevant background checks and prepare Background Reports through an authorized agency of all personnel deployed for the performance of task under agreement in BRPL within one month of deployment.
Such reports shall be shared with BRPL as requested. Contractor shall submit an Affidavit clearly stating that back-ground check for all personnel is complete and back-ground reports have been prepared to this effect within one month of deployment.
- (P) Failure by the Contractor's personnel to wear PIC shall attract a penalty of Rs.1,000/- per incident per day.
- (Q) In case, any of the manpower has been found not serving his part of duty on any day as per the instructions, Contractor will be fined at the rate of Rs 500/- per person per day.
- (R) A separate penalty as per score card shall be levied.
- (S) There will not be duplicity of penalty for the same default.

34. DEPLOYMENT OF RESOURCES

- 34.1. Number of resources to be deployed by the Contractor at all-time shall be specified by the bidder as per the format in Section-V, scope of work.
- 34.2. The contractor shall deploy adequate resources for the smooth execution of work assigned to them. The contractor shall provide complete details including name, address, and Aadhar Card number of resource deployed.
- 34.3. The contractor shall deploy qualified & experienced resources comprising engineers, supervisors, diploma holders, skilled, semi-skilled & unskilled staff in accordance with the requirements of electricity rules, safety laws and other applicable regulatory laws. The contractor shall also ensure to meet the requirements of performance standards as mentioned in this document. If at any stage, the Company/Engineer In-Charge finds the resources not suitable or not up to the mark, the Contractor shall deploy the alternate resources immediately.
- 34.4. Distribution of electricity is an essential service as well as a public utility service. It is imperative to secure the electric network of our license area so that uninterrupted distribution of power supply to essential services like Delhi Metro, Police, hospitals, etc. is maintained. Proper security measures are essential due to the extremely sensitive and critical nature of these services. Therefore, Contractors shall be responsible for maintaining Personal Identification Data of all staff deployed by him at our premises in electronic or any other form as prescribed by the company. In addition to this, the Contractor shall also submit a record of his deployment in various locations to BRPL on a daily basis if required by the Divisional In-charge.
- 34.5. The resource deployed by the contractor shall exercise highest level of integrity at work place and shall not involve in any type of malpractice. In case any resource of the contractor is found involved in any malpractice, the contractor shall indemnify the company for the loss incurred by

the company on account of such malpractice/misconduct. Since this scope of work and the assistance contemplated under the present contract or in the nature of statutory assistance towards preventing the theft of electricity under the provisions of the electricity act 2003 the integrity levels of the Contractor and /or the agency which is awarded the contract is expected to be of the highest standards.

- 34.6. In case the contractor or the resource deployed by him unable to execute the work assigned to it as per satisfaction of the company or the workmen of the Contractor refuses to work, going on strike or for any other reason likely to lead to loss of productivity, the company shall have right of engaging any other agency or resorting to any other suitable means without giving any reason and to recover the cost incurred out of the amount payable or become due to the contractor.

35. REPLACEMENT OF RESOURCE(S)

- 35.1. Should the Company consider at its sole judgment that the persons deployed by the Contractor are not suitable for the job for whatsoever reason, the Company will have the option either (i) to seek prompt replacement deputing the other person at the cost of Contractor or (ii) to terminate this work order/agreement in part or as a whole.
- 35.2. If the Company finds any employee of the Contractor guilty of any misconduct, incompetence or negligence, the Contractor shall, if so intimated by the Company, withdraw such employee from the work of company and replace him with a qualified and competent manpower. Contractor shall keep the Company informed of all manpower replacements and all such data shall be submitted with the person nominated by Company along with personal & qualification details of such persons deputed as replacement.
- 35.3. If any employee of the Contractor found indulged in unfair practices or causing direct or indirect damage to Company's Image/Property/Revenue, immediate action shall be taken by the Contractor and the Contractor shall suitably compensate the company for all loss incurred by the Company. Contractor shall have retrenchment / removal policy in place to handle such matters.

36. CONTRACTOR'S OBLIGATIONS

A) General Obligations

- 36.1 The performance of Services as completed by the Contractor shall be wholly in accordance with the Contract and fit for the purposes for which they are intended to and as defined in the Contract. The Services shall include any Service which is necessary to satisfy the Company's requirements and as implied by the Contract.
- 36.2 The Contractor shall execute the Services within the time frame for completion as specified in the order/agreement and Scope of Work. Without prejudice to the provisions of the Contract, before commencing the Services, the Contractor shall satisfy itself regarding the BRPL's requirements. The Contractor shall give notice to BRPL, within forty-eight (48) hours of the receipt of BRPL's requirements, of any error, fault or other defect in the BRPL's requirements or such items of reference.

- 36.30 Contractor to provide master plan for deployment of Manpower and related resourced to the Company/BRPL before commencement of the Services. Along with this Contractor shall provide documentations in details covering Manpower details as requested by BRPL.

B) Compliance with Applicable Laws by Contractor

- 36.31 The Contractor shall fully familiarize itself and conform in all aspects with all Applicable Laws. The Contractor shall be bound to give all notices, file all returns, etc., required by Applicable Laws, as aforesaid and to pay all fees and charges in respect thereof. Contractor must have experienced manpower with knowledge to handle all statutory compliance related matters
- 36.32 The Contractor shall not be absolved from any of its obligations under Applicable Laws or the Contract or claim any additional amount from the Company/BRPL or seek any extension of time due to its ignorance of any Applicable Law.
- 36.33 The Contractor shall indemnify the company/BRPL against all costs, expenses, penalties and liabilities incurred/ suffered by any of the Company due to non-compliance of any Applicable Law by the Contractor in relation to the performance of the Services.
- 36.34 Contractor is required to obtain requisite license issued by the licensing officer/competent authority in the Government office before commencement of Services.
- 36.35 Contractor shall ensure that it remains in compliance with Applicable Laws at all times and maintained registers and records with all particulars as may be specified in the Applicable Laws.
- 36.36 Payment of gratuity (if any) to Manpower will be sole responsibility of the Contractor.
- 36.37 Contractor to submit details of payments made to PF and ESIC authorities with a list of Manpower deployed at the Site with copy of deposit challans—List of Manpower with PF and ESIC numbers to maintained up to date by Contractor and if required to be shared with BRPL.

C) Contractor's Other Obligations

- 36.38 The Contractor shall also provide the necessary proof of remittances of EPF, Pension amount and ESIC for the previous month, along with their invoices for the current month to Company. Without such proof, the invoices will not be processed for payment.
- 36.39 The employees deployed by the Contractor shall be employees of the Contractor.
- 36.40 At no point in time shall any employee of the Contractor claim to be the employee of the Company.
- 36.41 The Contractor is committed to recruit and provide qualified, experienced, well-trained, physically & mentally fit personnel in accordance with the Company's standard, duly verified by the local police Station as regards their antecedents and backgrounds.

- 36.42 The Contractor shall ensure that, the Contractor's manpower deployed at the Company shall be in good health, shall have proper eyesight and shall not have any medical problems which may endanger his life and the life of the other Company employees appointed at the said location. The Contractor shall ensure that, the Contractor's personnel deployed at the Company shall be entirely responsible for the stock of the commodities stored at the said location. To ensure such safety, the Contractor shall, before deploying any employee in the premises, shall have him medically examined by a registered medical practitioner at its own cost and expenses and produce a medical certificate certifying that the said employee is medically fit. It is further agreed that without such medical certificate, Company shall not permit any such Contractor's personnel to work in its premises. It is further agreed that Company may, from time to time, call upon the Contractor to have all or any of its Contractor's personnel examined.
- 36.43 The Contractor shall uphold the strictest disciplinary standards for all their personnel and any transgressions are dealt with immediately, and to the fullest extent that the law allows.
- 36.44 The Contractor shall provide uniforms to the its manpower and shall provide an authority letter to the its manpower and they shall carry the same when they are on duty at the Company.
- 36.45 Whenever any Contractor's personnel go on leave, the Contractor will arrange for a suitable replacement immediately.
- 36.46 The Contractor shall deploy electronic attendance marking system for their Resources and maintain records for the same. The same has to be produced if demanded by the Company.
- 36.47 The Contractor shall fully guide, supervise and monitor the Contractor's manpower deployed in Company locations by its Supervisors.
- 36.48 Supervisors will inspect every location at least once every 15 days during day/night to check the level of control exercised by Contractor's personnel. The Supervisors will take digital photographs of Contractor's personnel in the location during their inspection. The photographs will contain date and time stamp to identify the date the photographs are taken and send the photographs to Company along with their inspection report on weekly basis.
- 36.49 The Contractor undertakes to provide required resources to maintain desired service level. In case of any failure in services due to paucity of resources, BRPL shall be within its rights to make necessary deductions in addition to such rights as available under contract.

36.50 TIMELY DISBURSEMENT OF WAGES

The Contractor shall ensure that monthly wages/salary disbursed to its manpower timely but not later than 7th of each month. Though the company endeavours to process Contractor's bills on time as per the payment timelines mentioned in agreement (payment terms), under no circumstances delay in disbursement of wages shall be acceptable, it is the Contractor's responsibility to ensure the same, accordingly the bidders are expected to quote their rates to fulfil their obligations towards the timely disbursal of wages and all other benefits including PF/ESI/Bonus/leave pay/allowances etc.

It may please be noted that BRPL reserves the right to terminate the agreement in case of second or subsequent repeated instances of delay in disbursal of the wages.

37. THE COMPANY/BRPL'S OBLIGATIONS/RESPONSIBILITIES

- 37.1 BRPL may check the competencies of the manpower for the work for which they are deputed to ensure that requisite skill and competency levels are being met with by the Contractor .
- 37.2 BRPL shall not exercise direct control (including matters of payments, discipline and removal/termination) and supervision over the Contract Manpower and that shall be done by the Contractor. However, BRPL shall have a right to assess the abilities and skills of the Manpower deployed by the Contractor to ensure the quality of Service provided under the Contract, without actually managing or directing such Contract Manpower.
- 37.3 The contractor shall ensure to maintain the registers like muster roll, wage register, etc., and shall share the copy of the same with BRPL as and when demanded,
- 37.4 The Company/BRPL reserves the right to engage other party(ies) to perform similar or identical Services to be performed by Contractor under this Contract / Agreement for which Contractor shall not have any objections.
- 37.5 BRPL reserves right to review the resources requirement for the performance of assigned task, on periodically or preferably on monthly basis for their respective performance. The Contractor, without any objection, shall deploy resources on time accordingly. The Contractor to deploy resources within 2 days (including Central and State holidays) to Site / establishment as notified by BRPL in writing. Failure to do so shall result into delay in deploying resources for the completion of the assigned task, the reasonable compensation shall be applicable in terms of the Contract.
- 37.6 BRPL shall at all times have access to any Site where the Manpower is engaged and performing any of the Services and BRPL shall have the right to inspect performance at Site. Any deviation or gap or discrepancies arises while executing Services shall be communicated to Contractor within 3 working days. The Contractor within next two working days shall provide reasonable feedback with evidence if any to BRPL. If Contractor does not respond to the Communication in time under this sub Article, it tantamount to breach of the Contract and shall attract reasonable compensation in terms of the Contract.

38. INDEMNITY

The Contractor shall indemnify, defend, save and hold harmless all directors, company and its employees against any and all suits, proceedings, actions, demands and third party claims for any loss, damage, cost and expense suffered by company on account of the negligence, act or omission inaction by the Contractor or its employees under this Agreement. Agencies shall also wholly indemnify and compensate company against any theft, misappropriation, fraudulent act or omission, any collusion with customer/s, intentional recording of incorrect reading/DATA, or any other offence under the applicable laws or breach of obligation under the present agreement, and would also render itself liable to appropriate legal action being initiated against it by company.

The Contractor shall also be responsible and liable to company for any loss or damage caused to company for any negligence or inaction, damage to the property of company caused by the Contractor or its employees.

39. **SECRECY & CONFIDENTIALITY**

- 39.1 The technical information, data and other related documents forming part of order and the information obtained during the course of investigation under this order shall be the Company's exclusive property and shall not be used for any other purpose except for the execution of the order. The technical information drawing, records and other document shall not be copied, transferred, or divulged and/or disclosed to third party in full/part, not misused in any form whatsoever except to the extent for the execution of this order.
- 39.2 These technical information, drawing and other related documents shall be returned to the Company with all approved copies and duplicates including data/drawing/plans as are prepared by the Contractor during the executions of this order, if any, immediately after they have been used for agreed purpose.
- 39.3 In the event of any breach of this provision, the Contractor shall indemnify the Company against any loss, cost or damage or claim by any party in respect of such breach.
- 39.4 The Contractor shall not use the name/logo/emblem of the Company in any manner either for credit arrangement or otherwise and it is agreed that the Company shall not in any way be responsible for the debts, liabilities or obligations of the Contractor and/or his employees.
- 39.5 The Contractor hereby covenant that the Contractor shall be responsible for theft, if any committed, by his staff and the Contractor shall indemnify Company from and against all claims, demands, actions, suits and proceedings, whatsoever that may be brought or made against the Company by or on behalf of any person, body, authority whatsoever and whomsoever and all duties, penalties, levies, taxes, losses, damages, costs, charges and expenses and all other liabilities of whatsoever nature which the Company may be liable to pay, incur or sustain by virtue of or as a result of the performance or non- performance or observance or non- observance by the Contractor of any of the terms and conditions of this agreement. The Company shall have full power and rights at its discretion to pay or defend or compromise any suits, claims or demands brought or made, whether pending or threatened touching upon this agreement as it may consider necessary or desirable and shall be entitled to recover from the Contractor all sums of money including all legal costs, charges and expenses incurred by virtue of any such compromises which shall not be called into question by the Contractor but shall be final and binding on the Contractor.
- 39.6 Contractor shall submit signed NDA as per the format 4.3 attached.

40. **NON-EXCLUSIVITY**

The award of the work order/agreement to the Contractor shall not preclude the Company from awarding the same order for similar work at the same rates, or on any terms and conditions to other party or parties. The Company at its discretion may place the order on any other party.

41. **SEVERABILITY**

If any provision of this Agreement is or becomes invalid or unenforceable by the courts of any jurisdiction to which it is subject, such invalidity or unenforceability shall not prejudice the remaining provisions of this Agreement, which shall continue in full force

and effect.

42. ASSIGNMENT & SUBLETTING

The Contractor shall not, without company's prior consent in writing assign or sublet or transfer any portion of services awarded to the Contractor as envisaged herein and falling under this contract. Moreover, any such consent shall not relieve the Contractor from any obligation, responsibility, or duty under this Contract.

43. ASSIGNMENT BY THE COMPANY

The rights and obligations of BRPL under the Contract shall be assignable to Affiliates, associate company, joint venture or any other company including change in Management Control and BRPL's lenders without consent of the Contractor. Upon written notice of seven Business Days (07 days) by BRPL, the Contract shall be deemed to have been assigned to the third party under this Article. This Article fulfils its meaning notwithstanding the notice is not accepted by the Contractor and BRPL shall not be obliged to the Contractor after seven days (07) of issue of any further notice.

44. NOT USED

45. NO JOINT VENTURE

The Contractor shall not constitute a joint venture, consortium or other unincorporated grouping of two or more Persons, following the execution of the Contract.

46. WAIVER OF RIGHTS

No delay or forbearance by company in exercising any right or power under this Agreement shall be construed as a waiver of such right or power, nor shall any single or partial exercise of such right or power preclude any further exercise of such right of power.

47. THE COMPANY'S RIGHT TO VARY QUANTITIES

The Company reserves the right to vary the quantity i.e. increase or decrease the Numbers/ quantities without any change in terms and conditions during the execution of the Order. BRPL may increase or reduce the area/ scale of operations after starting of execution of the contract and the size of contract may be adjusted accordingly.

48. CONTRACTOR'S EQUIPMENT

48.1. All Contractor's Equipment and Temporary Works provided by the Contractor or any permitted Subcontractor, shall, when brought on to the Site, be deemed to be exclusively intended for execution of the Works and not be removed without the consent, in writing, of the Company's Representative.

- 48.2. Upon completion of the Works, the Contractor/permitted Subcontractor shall remove from the Site, all its Equipment and Temporary Works and its unused materials.
- 48.3. The Company shall not at any time be liable for the loss or damage to any of the constructional plant, Temporary Works or materials.
- 48.4. The Contractor shall, upon written request by the Company's Representative, produce to the Company's Representative, all documents evidencing title to or the contractual arrangement giving the right to the Contractor to use the Contractor's Equipment. In the event of failure to comply with such request within seven (7) days, then without prejudice to any other rights, the Company shall be entitled to withhold the payments due to the Contractor under the Contract.

49. AVAILABILITY OF TOOL & PLANT (T&P)

The contractor shall provide T&P to their staff as mentioned in Scope of work. The contractor shall provide all tools in the beginning of contract and shall ensure the proper availability of tools and tackles as per that list throughout the contractual period. These tools shall be of make as specified in the Scope of work. It shall be responsibility of contractors to replenish and maintain the existing T&P on regular basis.

I. All the T&P shall be tagged / marked as "BRPL-AMC-Div Name-Serial No." , For eg. LNR Divn T&P shall be tagged / marked as "BRPL-AMC-LNR-001" The tagging/ marking shall be done wherever possible

Accessories supplied by contractor shall be approved by Engineer In-charge. The cost of these Items shall be borne by contractor.
- (xix) Contractor shall provide any information / Data required from the site of meter installation such as Pole Number/ DT Tagging / GPS Coordinate etc without any extra cost to the Company.
- (xx) The Contractor shall test the Consumer installation such as Wiring, ELCB and MCB before installation of meter and prepare a report in the Meter Change Report / Meter Installation Report Performa provided by the company.

1.2 Part-B: Metering Activities of Power Metering (1-Ph, 3-Ph, LT-CT & HT Meters)

Contractor shall perform all functions properly required for execution of various metering activities with in Service Level Agreement time lines under this contract at consumer premise / company site locations as per DERC Regulation 2017, Guideline for safe meter installation 2021, CEA Regulation 2010 and COMPANY's SOP for meter installation in the company's area of supply. Contractor shall collect all existing SOP/Regulation/Guidelines from the Engineer In-charge.

The scope of work under section **Part-B** includes entire scope of work defined under Section **Part-A** and following additional scope of work specific to Power Metering department of the Company:

- (i) New meter Installation/ Replacement/ Removal/ Shifting/ Reinstallation/ Sealing/ Resealing/ Reconnection of all types 1-Ph, 3-Ph, CT and CTPT-Operated electronic Energy Meters (Including Smart Meters, Grid Meters, HT Meters, ABT Meters, Net Meters, Solar Meters etc.) and associated accessories, with AMR/ communication.
- (ii) Installation/ Replacement/ Removal/ Shifting/ Reinstallation/ Sealing/ Resealing/ Reconnection of HT, ABT, Grid, Meters for all type of Installation configuration such as Cubicle Mounted, Panel Mounted, CT-PT Mounted etc.((11KV to 66KV).
- (iii) Replacement / Removal / Preventive maintenance of Metering Cubicles, CT-PT Units of HT Consumers (11KV to 66KV).
- (iv) Hi-Pot Testing of CTPT unit / Metering cubicles during replacement/Maintenance Activities.
- (v) Installation/ Replacement/ Removal/ Shifting/ Reinstallation/ Sealing/ Resealing of Bus-bars /Pole DBs/LT-CT Box/Three phase meter Box/ Single Phase Meter box/ HT Metering Cubicle/CT-PT Units/ AMR Box.
- (vi) Identification and resolution of meter and associated CT/PT wiring connection issues.
- (vii) Installation / Replacement/Removal of any type of AMR Module / DCU / SIM card and to ensure communication with backend server for HT Meters, CT Meters, Smart & Group Meters, Thread-through meters and 3-ph meter etc.
- (viii) Provide assistance for testing of HT / Grid Meters /LT-CT/PP meters and associated CT-PT Units during installation and periodic testing.
- (ix) Contractor shall provide meter installation accessories like Plastics Gitti, Screws, Insulation Tape, Fasteners, Earthing Lugs, All types of Lugs up to 50 SQMM, All type of Saddle & Clamps, Nut-Bolt, Dhoti, M-Seal, Cleaning Agent, and Epoxy etc as per specification of the Company. Accessories supplied by contractor shall be approved by Engineer In-charge. The cost of these Items shall be borne by contractor.

- (x) Contractor shall provide Clip-On Meter, Multi-meter, Test Lamp, Discharge rod / chain, Hi-pot test equipment, 5KV Megar etc.

2.0 Deliverables and Terms & Conditions

2.1 Metering Activities:

- (i) Meter shall be installed at Outermost portion of the consumer's premise at safe location. Meter shall be installed at safe location near to Common entrance of the consumer premises provided with Safety Wall/ Metal made / Fire proof box with prior consent of Engineer In-charge. Meter installed at inaccessible location which may lead to theft of energy and shall attract penalty.
- (ii) During replacement of the meter, if existing meter is found OK at site, charges for site visit shall be paid for the same only if informed by the contractor person instead of replacement. Photograph of OK Meter & Site inspection report shall be prepared for such cases stating that "Existing Meter found OK at Site.
- (iii) Execution of Site work, Punching of Meter & Meter related particulars shall be completed before sunset & no work shall be done beyond this timeline without prior approval of Engineer In-charge or his authorized person. Cases shall be punched at actual site location during execution.
- (iv) Contractor shall complete project works such as replacement of Meters in Nx-Categories, Old Meter Replacement Drive, Analytics Cases, Not downloading cases, Not-Read cases or any other project.
- (v) Contractor shall replace Meters / Cables/ CT Meter Box due to increase in Maximum Demand against the list provided by the company.
- (vi) Contractor shall resolve Not-Downloading Meters, Meter Reader Exceptions within the specified time line.
- (vii) Cases where only cable replacement work is performed by the contractor shall be claimed as Meter-Reinstallation.
- (viii) Contractor shall ensuring meter getting downloaded after installation/ replacement/ shifting/ resealing/ cord change/ resolution of not downloaded complaints/over height/ box problem cases, meter reader exceptions / faulty Meters/AMR installation etc.
- (ix) Contractor shall comply with DERC/COMPANY (Service Level Agreement) timelines or timelines decided by Engineer In-charge, which may change from time to time in compliance of regulation / company requirement. Contractor shall ensure to install all the new connection cases within one day. Existing timelines for different activities are given in **Annexure-5**. Jobs performed beyond time line shall attract penalties.
- (x) Contractor shall ensure that installation of meters in new connection only after installation of ELCB/RCCB for sanctioned load 2 kW or above and MCB/MCCB in all cases irrespective of sanctioned load by consumers. No meter shall be installed without ELCB and MCB. Any deviation shall attract penalty as per defined clause.
- (xi) Sub-letting of work awarded to contractor is completely prohibited, if any contractor is found sub-letting his work, he will be held completely accountable for any acts of omission and commission during execution of the contract.

2.2 Material

- (i) Record of material issuance from COMPANY stores for execution of Jobs and handling of Meters, Cables, Bus bar, meter Seals, Gunny bag & seals, Accessories, MCR Books & Lab Testing Notice and other material to be maintained as per defined SOPs Annexure-3. Ensuring 100% reconciliation of issued materials from Company within specified timelines.
- (ii) During issue of any Meter or material from COMPANY Stores, contractors shall check the Meters & material properly for any kind of damage of material. After receipt of the Meters & material, if any kind of physical damage is found in Meter or material contractor's store or during the transit, contractor shall be responsible for the same and shall be liable for penalty as per penalty clause.

- (iii) Scrap generated from site/left over materials removed from site Cables (including any 2/4 core cable / copper cable), Bus Bars, all type of Meter boxes, SIM, terminal covers & screws, Seals, Metering Cubicles etc. & old meter with/without gunny bags shall be deposited to assigned COMPANY stores with proper records and as per prescribed timeline.
- (iv) Deposit damaged new Meter seals & Gunny Bag seals, MCRs & Lab Testing Notice (if any) at Circle office for reconciliation and provide reason for damage for deactivation in SAP.
- (v) Contractor shall provide meter installation accessories like Plastics Gitti, Screws, Insulation Tape, Fasteners, Earthing Lugs, All type of Saddles, Nut-Bolt, Epoxy etc as per specification of the Company. The cost of such petty Items shall be borne by contractor..
- (vi) Contractor shall collect removed seals from the site after performing metering activities. The removed seals shall be stored at vendor store and physically destroyed by the contractor supervisor in the presence of authorised representative of Engineer In-charge. Scrap of destroyed seals shall be deposited to Company Stores. Proper record shall be prepared for such seals.
- (vii) Transfer of material from one division/department/Circle to other division/ department/Circle of the Company is not permitted. In critical situation, transfer of any material shall be allowed only with approval of Engineer In-charge.
- (viii) Contractor shall be responsible for any loss material issued from the Company. Relevant clause of penalty shall be applicable for loss of different type of materials.

2.3 Quality

- (i) Meter installation work shall be carried out ensuring all quality norms defined in QC Manual of COMPANY. Violation of quality norms shall attract penalty as per penalty clause.
- (ii) Quality Norms such as Proper alignment of Meter, Proper cable connection at Meter Terminals with Exact peeling of conductors and cable Sleeves, Tightness of connection, making of flowers with cable armour inside the meter box, proper cable dressing with fixing of saddles just below the meter box and at 1.5-meter distance on incoming & out-going cables, Installation of cables with proper fixtures at pole & consumer end, Cable Earthing with appropriate size of lugs at incoming, out-going end of meter and Pole end, Earthing at Bus-Bar, Proper Sealing of Meter, Meter box and Bus bar, Exact alignment of reading cord, Meter, Meter box & Busbar, proper installation of communication module and SIM card and installation of service cable & busbar as per sanctioned load shall be ensured while meter installation.
- (iii) Meter/Bus bar shall be installed at safe and easily accessible outermost location of the premises at ground floor. Meter shall not be replaced at inaccessible locations such as locked room, other than ground floor, over height etc. Such cases shall be reported to respective Engineer In-charge of COMPANY and replacement shall be carried out in co-ordination with COMPANY Engineer In-charge.
- (iv) Service Cable shall be laid as per the SOP of the company and ensure compliance to all its quality related parameters such as installation of fixtures at pole end and consumer end, Sag within defined limit, termination of connection using appropriate connectors, earthing at all mandatory points. Service cable should not be laid with support of Trees, Consumer Grills, Wooden/Bamboo poles etc. Under ground Cables shall be laid using HDPE/MS-Pipe at the defined depth.
- (v) Meters shall not be installed during replacement at over height. Location for meter installation shall be at height of 5 to 6 feet from the floor / road level.
- (vi) Quality for Installation of CT/HT/Grid meters and laying of Underground service cables shall be ensured as per Company SOP.

2.4 Photographs of Metering Activities

Contractor shall provide Photographs of work execution at site as per the requirements below & may be changed during the course of this contract as per the requirement of Company. Photographs shall be taken through Mobile application. For cases executed without mobile application, photographs shall be provided in Pen drive. Photographs must be renamed with CA No. (prefix with "000") in requisite format. If such Photographs taken through mobile application is not as per defined type or not found clear, penalty shall be imposed as per relevant Penalty clause of this contract.

- (i) **For New Connections:** 3 Photographs after Installation shall be taken as per Company SOP 1st photograph should clearly depicting New Meter No., meter reading. 2nd Photograph should clearly show Meter with its incoming and outgoing cables, ELCB Installed, Saddling of cable, earthing etc. 3rd photographs for connection of feeding point (pole/bus bar etc) clearing showing cable connection & Earthing.
- (ii) **For Replacements of Meter/Cable/Meter Box:** 1st photograph before Installation clearly depicting old Meter No. with reading, 2nd photograph should clearly depicting New Meter No., meter reading and 3rd photographs shall clearly show Incoming / Outgoing Cables up to 100mm length, saddling, earthing etc.
- (iii) **Shifting/Reinstallation of Meter/Cable:** 1st photograph before Installation work clearly depicting old Meter No. with reading, 2nd photograph after installation of work should clearly show meter with Incoming / Outgoing Cables up to 100mm length, saddling, earthing etc.
- (iv) **For Meter Removal:** Capturing 1 photograph clearly depicting removed Meter No. with reading before removal.
- (v) **For Bus Bar Connections:** Taking 1 photograph of Bus Bar & Bus Bar Seal with Seal No., if Meter is installed/replaced through Bus Bar
- (vi) **For Resealing / Chord Replacement etc:** Taking 1 Photograph after activity which should clearly depict Meter no., Seal No./cord & reading getting downloaded through PDS/CMRI.
- (vii) **For AMR installation/replacement:** Taking 2 photograph 1 before activity and 1 after activity clearly showing blinking of AMR led.

2.5 Resource Deployment :

- (i) Contractor shall ensure that the work is carried out through adequate and properly trained, qualified and skilled resources /Teams (One Lineman and One Helper/ALM per team) and Supervisors/Engineers. Supervisor / Engineer shall have Diploma in Electrical Trade as minimum technical qualification to undertake electrical work & Experience of 2 Years in the field of Meter installation.
- (ii) Contractor shall ensure deployment of adequate and properly skilled resources (Two Linemen and one Helper per team) in 11 KV metering cubicle replacement/ maintenance/ removal having related Experience of 3 Years in execution of work at 11 KV level.
- (iii) Contractor shall ensure deployment of qualified safety officer/quality officer to implement safety and quality guidelines and practices among their resources, Diploma in Electrical as minimum technical qualification with valid safety certification with 3 Years experience.
- (iv) Safety officer shall ensure to organize safety talk and safety oath as decided by engineer in-charge and submit record of safety talk on monthly basis to Engineer in-charge.

- (v) Contractor shall provide list of all authorized resources deputed in field to carry out Metering activities, punching with mobile application, preparation of MCR etc. in advance to the Company. Also to ensure that MCR/Lab testing notice shall not be prepared by resources other than authorized one. In case of deviation, penalty shall be imposed as per relevant clause.
- (vi) Contractor shall ensure the Company policy regarding issuance of I-Cards to its employees. In case of contractor is instructed to issue I-Cards to its employee by the Company; such I-Cards shall be issued only after approval of Engineer In-charge. Contractor shall provide necessary documents such as Aadhar / PAN to Engineer In-Charge for the purpose of issuance of I-Cards.
- (vii) Contractor shall maintain attendance of all the employees deputed under this contract & produce the record as and when asked by the Engineer In-Charge.
- (viii) Employees of contractor shall attend mandatory training & assessment test in COMPANY as and when organized. Skilled resources that successfully completed training shall be allowed to engage in meter installation activities.
- (ix) Contractor shall deploy adequate number of teams / staff /workmen/ employees/vehicles as per the volume of the work (All activities) at all functional locations in the area of service under this contract and ensure that all the activities covered under the scope of this contract shall be completed with the timeline specified in **ANNEXURE-5**.
- (x) Contractor shall not depute resources of one division to another division to perform metering activities at site without consent of Engineer In-charge.
- (xi) Contractor shall not deviate from the team composition required for performing metering activities at site as defined in this work contract.
- (xii) Contractor shall also not deploy any person who is blacklisted by COMPANY or elsewhere. Contractor must exercise due diligence to ensure that no blacklisted vendor employee gets recycled through the vendor.
- (xiii) Contractor awarded the contract must sign the Vendor Code of Conduct and certify that they and their employees will comply with it.
- (xiv) Contractor shall provide a Declaration-cum-Undertaking to certify and vouch for the character and antecedents of their employees who will be deployed in COMPANY, and that, to the best of their knowledge, there is no criminal case against any of them.
- (xv) Contractor shall also depute a Safety/quality Officer to monitor assigned work of meter installation. Contractor's employee deputed must follow safety procedures and guidelines while performing assigned work at site. Contractor's employee deputed must be proficient to execute work, filling of MCR / Lab format / Quality report / Notices and entry / updating of data through Mobile APP. Contractor shall provide a declaration on Monthly basis for Safety Officer deputed at site & work getting executed considering all safety procedures & norms.
- (xvi) Contractor shall ensure removal of concerned Lineman from Meter Installation Work after issuing of Warning Letter if repeated deficiencies observed in installation of meters/cables/busbar etc by that particular Lineman.
- (xvii) Contractor's employees shall attend training/awareness program which gets conducted by COMPANY from time to time. Periodic training by Contractor shall also be imparted to their employees. Failing to send their employees for training shall attract penalty as per relevant penalty clause.
- (xviii) Contractor shall appoint engineers & supervisors to supervise the work to ensure uninterrupted Services rendered and for proper co-ordination with COMPANY ensuring quality of work & quality of reports (MCRs, Quality Reports & Lab Formats) & report malpractices. Engineer/supervisor shall submit a daily report to Engineer In charge regarding daily activity undertaken by Contractor and progress made by Contractor.
- (xix) Contractor shall depute team for Enforcement action/ Sealing Drive/ Demolition Drive etc for Meter replacement/removal along with teams of COMPANY, as per instruction of Engineer In-charge.

- (xx) It is the responsibility of the Contractor to prohibit / restrict its employees from involving in misconduct / malpractices at site. Contractor shall conduct preliminary enquiry /investigation against complaints received and share report with Engineer In-charge. Contractor shall refund full amount of money (if any) taken from consumer illegally by his employees for carrying out METER INSTALLATION AND RELATED WORKS activities at site.
- (xxi) Contractor staff shall not offer any paid service to consumer for consumer wiring or any other work pertaining to consumer at site.
- (xxii) Contractor shall be held responsible for any liability that may arise from any accident to his employees while performing work under this contract. An immediate intimation followed by reporting shall be provided by Contractor to Coordinator, Central office and to concern dept. and Govt. Electrical Inspector. A FIR shall be lodged immediately if the case is of criminal in nature. To cover such risks an insurance of the employee for such unforeseen circumstances shall be part of Contractor's scope.
- (xxiii) Contractor shall provide proper uniforms to all its employees deputed in field activities for execution of Jobs under this contract. Separate Uniforms shall be provided according to the seasons i.e. summer and winter. Specification of uniform shall be approved by COMPANY.
- (xxiv) Contractor shall depute designated employees for issuance & return of material.
- (xxv) Contractor shall ensure availability of Teams on Holiday in case of emergency of work as decided by engineer In-charge.
- (xxvi) Contractor shall ensure that its complete teams along with vehicles report to designated functional offices at 09:00 AM. Late reporting of team members shall attract penalty.
- (xxvii) Contractor shall cooperate with vigilance, coordinator or any other investigation agency in case of investigation of any illicit act done in field. If any matter/complaint is being investigated by Vigilance / Company / Any other investigating agency and require the presence of contractor shall ensure to attend the investigation with its employee. The decision taken by COMPANY involving contractor's employees shall be implemented by the contractor. Non compliance from Contractor at any point shall be treated as breach of contract terms.
- (xxviii) In case contractor Lineman is not able to fill the MCRs / operate mobile application, contractor shall depute a separate Engineer / supervisor with that team for filling up MCRs & Lab Format (online or offline).
- (xxix) Contractor shall make all payments and contributions if any which may have to be made in regard to the workmen employed by the contractor in relation to wages or other emoluments of such workmen under any statute or rules or regulations or otherwise howsoever and indemnify BRPL against such payments.

2.6 DRESS CODE

- 2.6.1 Contractor shall provide proper 4 set of uniforms to all resources working for them, with "Red" colour logo of Contractor on backside & on front Pocket of Top wear (Shirt / Jacket). Specification of Uniform to be approved by Company.
- 2.6.2 Uniforms shall be provided by contractor to their employees 4 times in a year, i.e., 2 sets in summer and 2 in winter.
 - a). Lineman and assistant staff working on live cases or pole work shall wear "Flame resistant protective clothing", to avoid threat from electrical arc flash.
 - b). In Summers /Normal seasons:
 - Upper body-** Full sleeves cotton shirts - Navy Blue Colour.
 - Lower body-** Heavy canvas work pants, Navy Blue Colour, with 6-8 pockets to keep essential tools. Tool holding Belts shall also be provided to all linemen.
 - c). In Winter Season:
 - Upper body-** Full Sleeve Cotton Shirt - Navy Blue colour & Full Sleeve Jacket - Navy Blue/Grey

Colour with fox-fur lining inside.

Lower body- Heavy canvas work pants, Navy Blue Colour, with 6-8 pockets to keep essential tools. Tool holding Belts shall also be provided to all linemen.

2.7 Safety

- (i) Contractor shall provide proper tools, tackles, PPE kit and associated paraphernalia as per **Annexure-1**, which may be required for carrying out the various jobs to be completed under this Contract. Contractor shall provide all safety gears including but not limited to Helmets with visor & live line sensor, Safety Goggles, safety belts, Insulated floor mat, ladders, safety shoes, Safety Gloves, Discharge Rod, Earthing Chain, first aid box with required medicine and rain wears to their personnel.
- (ii) Contractor shall ensure safety oath by their employees on daily basis before start of the work.
- (iii) Contractor shall ensure to execute work with 100% safety precautions at site. Vendor supervisor / team shall plan in one-day advance and **take shut-down** for carrying out any work in co-ordination with respective Engineer In-Charge/ SDO-O&M of COMPANY. Contractor shall ensure that their employee use all Safety PPE and T&P while performing Job at site. Any resources found violating safety guidelines shall attract penalty and in case any accident/incident happens then contractor shall be solely responsible for it.
- (iv) Contractor shall mandatorily install the CCTV camera and also depute adequate security at store location for safety of material in store.
- (v) Contractor shall provide necessary first aid and reasonable hygiene facilities for all employees, representatives and workmen working at the site, vendor store and to administer the use of first aid. Health Check-ups and First-aid training shall be done periodically.
- (vi) While executing work at site, Contractor shall follow Standards of BIS (Bureau of Indian standards), CEA (Measures relating to safety and Electric supply) regulation 2010, DERC Regulations 2017, Fire safety norms, unified building Bye-laws, company's SOPs and guidelines for safe meter installation 2021 with amendments thereof. Any deviation from not following above said guidelines and SOP shall attract penalty.

2.8 Mobile Application for Metering Activities

- (i) Contractor shall perform all metering activities through mobile application and web portal supplied by COMPANY. Particulars of metering activities and material consumption at site shall be captured through mobile application in 100% cases. **Jobs performed without Mobile Application shall attract penalties as per clause.**
- (ii) Contractor shall motivate and ensure its employees to use their phones by suitable compensation, as tariff plan along with portable printer and thermal paper rolls (for onsite printing) as per the specifications of COMPANY at his own cost to each team deputed at site. Contractor to ensure proper maintenance of devices without affecting the work at site.
- (iii) Contractor resources shall properly fill up MCR & Lab Testing Formats online or offline or both ways and shall timely submit the MCRs on next day of job completion in the morning (latest by 10 am) at designated COMPANY Central offices through authorized personal only.
- (iv) Contractor shall ensure to update the correct data of meters, seals, cable (length serial and drum no.) etc. through mobile application for further reconciliation and shall submit happiness code obtained from consumer after completion of job. Non submission of happiness code shall be liable for penalty.

2.9 Contractor Store Management

- (i) Contractors shall manage stores at designated locations in COMPANY for the purpose of storing materials for metering activities as per the SOP of COMPANY defined in **Annexure-2**. Space for the store shall be provided by the COMPANY on free of cost basis, if available. However, contractor shall take proper electricity connection in his name (if applicable) and pay energy bills regularly. If

- Contractor manages its own space for the purpose of store, prior approval shall be taken from COMPANY and contractor shall not be paid for arranging store space on its own.
- (ii) Contractor shall inform the details of store Address with in 07 Days from date of issue of work order.
 - (iii) Contractor shall depute store supervisor to manage and maintain store, material movement (inward and outward) register and soft data on daily basis, Cable issuance register, Daily Inventory stock & Issuance of materials to field teams to be maintained in specified formats / Registers / Soft Data as per the requirement & SOP of COMPANY. Contractor shall also depute one KPO and has to keep one or more computer with required number of accessories to maintain record of incoming, outgoing materials and required records.
 - (iv) Contractor shall ensure proper storage and create infrastructure required for storage of different type of meters, cable drums, meter boxes, bus-bars and other material issued to contractor at COMPANY provided/own space for the store to keep the issued material in safe and healthy environment/condition. Contractor shall ensure that no damage to the materials during storage and handling of material at store. All the issued material stored in open or dusty location must be covered with suitable weatherproof and flameproof covering material as applicable.
 - (v) Employee data base hierarchy chart should be displayed at the main entrance. Employee name and designation should be mention below employee photograph. Material index should be pasted in the front wall of the main store entrance. Material display board should be installed in the main hall of store room. Contractor shall also display all emergency contact no. Such as police, ambulance etc. Display boards shall be updated and maintained on Daily basis.
 - (vi) Proper sorting of material should be done for example (new, reusable, scrap). Place for each and every material should be fixed and proper racks should be managed with material name plate and availability.
 - (vii) Material and tools board should be managed for newly appointed employee. Contractor Store keeper must maintain one inward & out ward register for each item (Cable, Meter, Bus bar, Seal, Gunny bag, Bag Seal, Meter box etc.) clearly mentioning the name of the issued person.
 - (viii) Contractor shall ensure that no other activity except MMG activities being carried out from the store premise. Contractor must ensure proper disposal of garbage and maintain cleanliness at store. Contractor must ensure the utilization of all items including non moving items on FIFO basis.
 - (ix) Contractor shall install Weighing Machine of at least 100 kg in their store to cross check weight of scrap to be returned to COMPANY stores.

2.10 Transportation & Vehicles:

- (i) **For Activities covered in Part-A: MMG Activities,** Contractor shall mandatorily provide four wheelers, (Maruti-VAN/ECCO) / E-Rickshaws along with Driver with each team for performing all jobs at site for Meter Installation, replacement, removal, shifting & cable installation cases etc. Resealing, Cord change, Site Inspection etc may be attended with other mode of transport. Expenses related to vehicles deputed for discharge of services under this contract shall be borne by contractor and shall be included in the respective activity Codes. In case of no provision of vehicle for movement of man and material, contractor shall be liable for penalty as per clause.
- (ii) **For Activities covered in Part-B: Power Metering Activities,** Contractor shall mandatorily provide four wheelers, (Maruti-VAN/ECCO) along with Driver with each team. Expenses related to vehicles deputed for discharge of services under this contract shall be governed by respective Line Items. In case of no provision of vehicle for movement of man and material, contractor shall be liable for penalty as per clause.
- (iii) Transportation for movement of materials from/to designated stores of COMPANY shall be carried out with appropriate vehicle such that material can be safely transported. Crane to be arranged for loading and unloading of heavy materials like cable drums etc.

- (iv) Contractor shall ensure compliance to PUC, Safety norms, registration, licence & other requirement as per MV act of India for the vehicles deputed for discharge of services under this contract. Contractor must maintain the vehicle log book for movement of vehicles on daily basis.
- (v) Vehicles provided for movement of materials and contractor's employees shall be in good condition.

3.0 Company's Scope of Work

- i. All the materials (Except the accessories which are in the scope of contractor) required for the performing work at site shall be in the scope of the Company. Material shall be issued against MRS (Material requisition slip) to contractors authorized person from designated stores of Company on Free of Cost Basis.
- ii. Company shall provide the details of work to be executed at site on Daily Basis through Engineer In-charge.
- iii. Company representative may accompany the contractor's personal during execution of work under this contract.
- iv. Company shall provide PDS/ CMRI/ Meter Testing and CT-PT Testing Equipments wherever required.

4. Billing:

- i. Contractor shall submit bill on monthly basis (through Online Billing portal and/or hard copies or both ways) along with complete documents & photographs listed in prescribed format on or before 7th date of subsequent month. Bills shall be prepared on Company's division basis of the Company for the activities covered in Part-A: Metering activities of MMG and that for Part-B: Metering activities of Power Metering on Company's Circle Basis.
- ii. Unit rates of different Metering activities performed under this contract shall be governed by Line Items of respective scope of work i.e. Part-A: Metering activities of MMG and Part-B: Metering activities of Power Metering.
- iii. Data filled through Mobile Application / MCR/SAP data shall be considered as final data for billing. As per this, Measurement Sheet shall be finalized for payment.
- iv. Contractor shall ensure to provide 100 % reconciliation Record of all issued/used material along with monthly bill in Specified format by COMPANY.
- v. Penalties amount in Monthly Bills shall be governed by Penalty clauses of this work contract.
- vi. Retention amount shall be imposed in Monthly Bills if any reconciliation found pending for any material on contractor part.

5. Penalty

Penalties shall be governed by below listed penalty clauses against monthly bill. Over all penalties levied in a particular month shall not exceed 10% of the bill value under clauses. Penalties / Deduction against clause No- 5.3, 5.4, and 5.6 are not Included in Maximum limit of 10 % of Bill Value and shall be separately levied as per respective clause.

5.1 Penalties for Delay in Execution of Jobs:

Penalty of Rs. 1000/- per case shall be deducted for delay for the cases executed beyond the target completion date as per Company timelines,

Extension shall be granted in respect of the following cases and no penalty shall be levied:

- i. Non-availability of material on part of the company.
- ii. Disturbance & violence in the area due to Force majeure.
- iii. Adverse climatic conditions.

- iv. Deficiency Notice served to consumer if deficiency found at consumer premises on consumer part.
- v. Any unforeseen circumstances, if approved by Engineer In charge.

5.2 Penalties for Delay in resolution of Not Downloaded Cases, MR Note, Not Read Cases, Nx Replacement, Old Meter Replacement, and other Metering Projects:

List of the meters for resolution and replacement shall be provided on monthly basis. Contractor shall resolve or replace meters within a month period. Penalty for Unresolved / Unattended Cases after One month of allocation: Rs 100/- Per case in Meter replacement cases & Rs 50/- per case in other without meter replacement cases.

Extension shall be granted in respect of the following cases and no penalty shall be levied:

- i. Non-availability of material on part of the company.
- ii. Disturbance & violence in the area due to Force majeure.
- iii. Adverse climatic conditions.
- iv. Deficiency Notice served to consumer if deficiency found at consumer premises on consumer part.
- v. Any unforeseen circumstances, if approved by Engineer In charge.

5.3 Penalties for Misconduct/Malpractice at site:

- i) A penalty of Rs. 10,000.00 shall be levied on contractor for the first incident of misconduct/Malpractice at site.
- ii) A penalty of Rs. 25,000.00 shall be levied on contractor for the second incident of misconduct/Malpractice at site.
- iii) A penalty of Rs. 50,000.00 shall be levied on contractor for the third incident of misconduct/Malpractice at site & subsequently termination of his contract.
- iv) Penalty for engagement of unauthorized / Black listed personals for carrying out Jobs under this contract: Rs. 25000/- Per Instance.
- v) Any complaint of "money demanded" as reported by Consumer during Consumer Feedback Survey: Rs 2 times of money report through feedback or Min 1000/-per case.
- vi) Replacement of OK meters by Contractor: Rs 1000/- for Single Phase Meter & Rs 2500/- for three phase meter/CT/HT.
- vii) Penalty for deviation in total cable installed at site (including Input cable from Pole/Busbar & Output) and mentioned in MCR is equal to 2-times the actual cost of the cable.
 - a) If installed cable length is up to 5m, allowed deviation is +/-10%.
 - b) If installed cable length is greater than 5m, allowed deviation is +/-5%.

Note: Depending upon the level of malpractice, Engineer In-Charge can take decision which will have on report of misconduct, the matter will be scrutinized at appropriate level and if complaint found genuine above Penalties shall be applicable. Following activities shall be considered but not limited to malpractices / Misconduct:

- (a) Manipulation of data submitted for billing and reconciliation of material.
- (b) Tempering of Meter while Meter installation.
- (c) Fake submission of MCR & Lab Testing Formats for punching of meter & seal particulars.
- (d) Any illicit financial transaction between consumer or his representative and contractor's employee.
- (e) Involvement in any activity which leads to suspension of work.
- (f) Noncompliance of any critical Office order which leads to financial loss to COMPANY.
- (g) Involvement of contractor's employee in sale of new Material / Scrap material which pertains to COMPANY.
- (h) Old meter deliberately not removed from site or Misuse of Old removed meter at other site.
- (i) Deliberate misuse of Meter or seal & submission of fake Meter / Seal data.
- (j) Deliberate Meter replacement without order / out of circulated lists / without prior approval by Engineer In-charge.

(k) Misuse of company's cable by vendor or his representative.

5.4 Penalties for Loss / Damage of Meters, CT Box, 11KV metering cubicle, service cable, AMR, Seal and Material:

In case of any loss / damage of Material issued by company, penalty as under shall be levied:

- (i) Loss of New Meter: Rs. 25,000/- for each Single Phase Meter (All Type) & Rs 30,000/- for each three phase Meter (All Type), Rs 50,000/- for each LTCT/HT / ABT meter.
- (ii) Loss of Old Meter for single phase (All Type) and three phase meter (All Type): Rs. 10,000/- for each Meter. Rs 25,000/- for each LTCT/HT/ABT meter.
- (iii) Damage of New / Old Meter: Rs 2000/- for each Single phase meter (All Type) and Rs 5000/- for each three phase meter (All Type), Rs 10,000/- for each LTCT/HT meter and Rs 35,000/- for each ABT meter.
- (iv) Loss of New / Old LT CT Box Rs 15,000/- for each LTCT Box.
- (v) Damage of New / Old LT CT Box Rs 5,000/- for each LTCT Box
- (vi) Loss of New / Old 11 KV HT metering cubicle Rs 200,000/- for each HT metering cubicle.
- (vii) Damage of New / Old 11 KV HT metering cubicle Rs 100,000/- for each HT metering cubicle.
- (viii) Loss or damage of New/Old service cable. (2 times of per meter cost of particular cable size).
- (ix) Loss of New / Old AMR Rs 10,000/- for each AMR.
- (x) Damage of New / Old AMR Rs 5,000/- for each AMR.
- (xi) For Loss of each Meter Seal & Gunny Bag Seal & SIM card: Rs 500/-.
- (xii) Loss and damage of New Gunny Bag: 100 per Bag.
- (xiii) For Loss of MCR & Lab Testing Format: Rs. 200/-.
- (xiv) Loss of PDS / CMRI /Accucheck/HT testing machine/CT-PT tester/clamp-on meter etc issued to contractor (if any): Actual cost of the device.
- (xv) For Intentional Damage of each Meter Seal, Gunny bag seal & Sim Card: Rs 100/-
- (xvi) For Loss / Damage of any other material: Actual Cost of material.

Note: Any loss/theft of meter/seal/material should be supported by the comment of Engineer In-charge and next higher authority. Also Hard copy of FIR shall be submitted against any theft & loss of meter/seal/material etc.

FIR shall be Lodged under Section 154 Cr.P.C.(IPC Section-379) in case of Meter, 11 KV metering cubicle, Seal, Stationary & Material Theft.;

In case Loss / misplacement of Meter, Seal, Stationary & Material, FIR shall be lodged under Section 155 Cr.P.C / registered police complaint online.

In case lost meter is found installed elsewhere, Contractor shall be responsible for raising further

Complaint within 10 days, in respective police station under Section 154. In case contractor fails to do so, it will be treated as a case of Misconduct & relevant penalty will be imposed.

Though COMPANY shall be arranging for storage cum erection policy, in the event of any loss or damage to the goods, the contractor shall act immediately as though it has directly taken the insurance cover and accordingly, shall (i) immediately intimate such loss or damage to concern authorities and COMPANY and (ii) shall immediately proceed for the documentation work i.e. lodging FIR, other required documentation to put forth the claim to insurance company.

5.5 Penalties for Violations of Safety Norms:

- (i) Non-compliance of safety practices during execution of work at site & Work without shutdown in cases involving Pole activities: Rs: 2000/- per occurrence.
- (ii) Inadequate / improper tools, tackles & Safety Gears like Safety Belt, Gloves, Shoes, Helmet with Visor & Sensor etc.: Rs.2000/- per occurrence.
- (iii) Meter installed without ELCB & MCCB in new connection (sanctioned load 2 kW or above):- Rs. 500 per case.
- (iv) Noncompliance of Safety Talk & Other instructions regarding Safety: Rs 2000/ per instance.

- (v) Noncompliance of safety practices resulting in injury to any person /animal / property: penalty of 2.5% of bill amount.

5.6 Penalties for Violations of Quality Norms:

Following Penalties shall be levied for violation of quality norms as identified during joint inspection of QC Team along with contractor supervisor for execution of jobs under this contract:

- (i) New Meter installed at inaccessible location or inside consumer premises, which may lead to theft of energy / Burning of meter/CT Box/Cubicles due to installation defects within one month of Installation for all type of meters: **Rs. 5000/- each case.**
- (ii) Meter installed at inaccessible location in meter replacement or existing cases which may lead to theft of energy, Meter Installed without Box, Bus Bar not found Sealed after completion of work at Bus Bar, Loose cable connection / Non-peeling which leads to burning of Meter/ Quality discrepancies as per SOP related to Installation of CT Meter & HT Meter, Laying of UG/OH Service Cables: **Rs. 2000/-each case.**
- (iii) Meter installed at over-height or locked consumer panels, Improper Sealing of Meter Terminal, Meter Box or Meter Bus bar, Improper Gland fixing, Flower making, yellow cable insertion in gland or DB, Improper Cable Connection, Extra Peeling of cable, Improper installation of CT box, Use of Piercing connector when space available in DB, Installation of Under Size or Over Size service cable and bus bar: **Rs. 1000/- each case.**
- (iv) Improper Earthing connection at Meter-end and pole-end, Improper cable dressing / Saddling (at every 1.5 m) / Thimbling (with crimping tool), Sagging of service cable or no-installation of cable fixture at both end, DB not locked by Shearing Nut after completion of work at DB, Wrong installation of meter leading to Meter not getting downloaded, Meter Installed on Copper Cable without approval: **Rs 500/- each case.**

Note:-

-Penalties shall be levied separately against all deficiencies observed against the same case subjected to maximum of Rs. 2500/- per case for single phase meters and Rs 5000/- for three phase/CT/HT meters. Penalty amount levied in above cases shall be doubled if contractor fails to rectify deficiencies raised in QC inspection within 15 days. ATR is required with photographs after rectification.

-Maximum penalty of Quality in Vendor Bill shall be limited to 5% of the value of the bill amount.

5.7 Penalties related to MCR, Lab Notice and Mobile Application:

- (i) Delay in submission of MCRs by more than One day of execution date: Rs.1000 per Occurrence of Delay.
- (ii) MCR / Meter Live App data submitted with Wrong Meter Number (Old/New)/Wrong CA Number / Wrong Meter Reading: Rs.2000 per MCR.
- (iii) MCR / Meter Live App data submitted with Wrong Meter Seal Number: Rs.1000 per MCR.
- (iv) MCR/Lab Notice (online/offline) submitted with wrong/ incomplete/ Not Clear information (other than Meter no., CA no., Reading & Seal): Rs.100 per MCR.
- (v) MCR submitted without signature of consumer and contractor's employee and stamp: Rs 500 per case.
- (vi) Preparation MCR/Lab testing notice by unauthorized resources: - Rs. 2000 per case.
- (vii) If Lab testing notice found missing in Gunny Bag: Rs:1000 per case.
- (viii) Meter replaced without permission or Out of List: Rs. 5000 per case.
- (ix) Penalty for Percentage execution of Cases through Meter Live Application: <=80%, Rs. 25000/-, 81% to 85%: 10000/- & 86% to 90%: Rs 5000/-. Percentage shall be determined on monthly basis.
- (x) Penalty for not punching of Happiness Code through Meter Live Application in New Connection: <=90%, Rs. 10000/-, & 91% to 95%: 5000/-. Percentage shall be determined on monthly basis.

Note:

-If Vendor informs about any wrong entry or information like Meter No., Seal No. or Cable deviation in Mobile application or MCR, within 3 days of activity, such cases will not be considered for penalty, necessary proof like photographs are must for non-consideration of penalty.

5.8 Penalty for Non Submission of Bills with documents:

Monthly bills of all division along with complete documents as specified in Annexure-5 C shall be submitted

on or before 7th date of subsequent month. Penalty of 2% of bill value shall be applicable if contractor do not submit the bill in subsequent month.

Note: Incomplete bill shall be treated as Non Submission of Bill.

5.9 Other Penalties - Compliances:

- (i) Late submission of old removed meters to COMPANY store **after** five working days from the date of SAP punching:200/- per case.
- (ii) Improper handling of material during transport / Penalty for not providing required Number of Complete team/ Late Reporting of Teams / not providing vehicles (Four Wheeler/E-Rickshaw)/ Not Providing Testing Equipments: 2000/- per occurrence.
- (iii) If CA No, Activity type, and Date of activity not written on the Meter box after Installation / Replacement of meter: Rs. **50/-** per Meter.
- (iv) Penalty for not maintaining materials & Inventory record keeping at vendor store as per SOP of COMPANY: Rs 5000/- First Instance, after one month Rs 10000/ month till the compliance.
- (v) Non submission of desired number of photographs Rs. **25/-** per photograph with maximum of Rs. 100 per case.
- (vi) Any other deviation from Contract, SOPs, Regulatory procedures & required information not submitted by vendor on time (like resources details, meter/material details/ scrap details/ photographs /Uniform/ICard/ etc.): To be decided by Engineer in-charge with maximum capping of Rs. 5000.

6.0 Retention Clauses:

- (i) Retention to be made in bill for New Meters, Old Meters, Meter Seals & Gunny Bag Seals which are pending for reconciliation on contractor's part for longer duration and information not submitted the contractor even after intimation: Amount equal to the Penalty amount applicable in case of Lost of Item.
- (ii) Retention to be made in bill for non submission of complete Cable Drum reconciliation statement along with summary: Actual Cost of Un-reconciled Cable Length.
- (iii) Retention to be made in bill for any other material which is pending for reconciliation on contractor's part: Actual cost of the material.
- (iv) Retention amount to be released only after the reconciliation of pending materials by Engineer In-charge.
- (v) If any proposed retention amount in monthly bill is not settled within **90** days from the date of retention, same shall be converted into deduction amount without prior intimation.

7.0 Performance Evaluation & Contractor's Score card.

Performance of Contractor shall be measured & evaluated by various performance parameters as defined in Score Card (**Annexure 6**). Performance parameter & their weight-age may be amended as per the instruction of Engineer In-charge during the time period of this contract.

- a. Performance of the contractor shall be measured on a scale of 100 based on performance parameters and evolution criteria defined in Score Card given in **Annexure 6**. Performance parameters and evaluation criteria defined in Score Card shall be amended with prior information to contractor with approval of Engineer In-charge during the contract.
- b. Vendor scorecard shall be prepared for each Division on Monthly basis
- c. For initial one month, performance shall be measured with no deductions. Actual implementations of score card shall be done after one month.
- d. In case of equal marks obtained by more than one contractor in score card, i.e., same ranking in scorecard, Incentive/penalty shall be decided based on the following criteria sequence wise.
 - i. Marks obtained in "Quality Meter Installation"
 - ii. Marks obtained in "Total DERC activities"

- iii. Marks obtained in "Resolution of RCM cases"
 - e. In case of recurrent low scores (less than 75%) for consecutive three months, the Company shall have right to terminate the contract.
 - f. The complete vendor performance shall be reviewed by Company at the end of the each completed years.

BIDDING

Annexure-1: STANDARD INSTALLATION PRACTICE

STANDARD INSTALLATION PRACTICE WITH QUALITY, PPE & TOOLS, Photographs

Following Standard Personal Protective Equipment (PPE's) shall be provided by the contractor & shall be available with working resources at any point of time:

1. SAFETY PERSONAL PROTECTIVE EQUIPMENTS (PPE's)

- i. SAFETY HELMET WITH VISOR & Live Line Detector (IS :2925-1984, EN: 166 CE MARKED)
- ii. GOGGLES
- iii. SAFETY SHOES (IS:15298), Composite Toe work ISI marked Boots (Static Proof)
- iv. INSULATED GLOVES (EN:60903 CE MARKED)
- v. DOUBLE SAFETY ROPE WITH LATCH SYSTEM AND THIGH PROTECTION (EN 361:2002/ EN 358: 2000/IS: 3521:1991/2002)
- vi. LADDER (FOLDABLE TYPE 2/3/4 LAYER)
- vii. RUBBER MAT (FOR SHOCK RESISTANT UPTO 11KV)
- viii. SAFETY FIELD BARRIERS WITH CONES
- ix. REFLECTIVE SAFETY JACKET
- x. FIRST AID BOX
- xi. TOOLS WITH PROPER INSULATION (ISI marked)
- xii. FIRE EXTINGUISHER
- xiii. EARTHING ROD
- xiv. EARTHING CHAINS & SHORTING LEADS

2. Tool & Tackles:

Following Standard Tools & Tackles shall be provided by the contractor & shall be available with working resources at any point of time:

- i. INSULATED PLIER
- ii. WIRE STRIPPING PLIER
- iii. SCREW DRIVER SET
- iv. INSULATED SPANNER SET
- v. CRIMPING TOOL WITH DIE SET
- vi. CUTTER
- vii. DRILL MACHINE (HAMMER)
- viii. DRILLING BIT SET
- ix. CABLE BENDING TOOL
- x. HAMMER
- xi. PRE DEFINE TORQUE SCREW DRIVER
- xii. PHASE TESTER
- xiii. TOOL BOX/ BAG
- xiv. DOUBLE TEST LAMP
- xv. MEASURING TAPE
- xvi. TORCH/ EMERGENCY LIGHT
- xvii. HACKSAW BLADE WITH EXTRA BLADES

- xviii. ALLEN KEY SET
- xix. SOCKET SET
- xx. WELDING MACHINE FOR HT WORK.
- xxi. THREE PHASE RESISTIVE EXTERNAL LOAD FOR METER TESTING.
- xxii. TOOL BAG.

3. STANDARD METER INSTALLATION PRACTICE

Contractor shall ensure to carry out the activities as per the details provided below.

1. INSTALLATION AT OF METER AT COSUMER PREMISES.

- i. Meter should be installed within permissible height (5 ft to 6 ft).
- ii. Earthing is mandatory on both end (i.e. meter end and pole end), at least minimum 5 strands of armour used to make same using required size of lug. Earthing of i/c and o/g cables at meter end to be carried out.
- iii. Flower is mandatory at input / output gland. Flower not required in two hole gland.
- iv. Cable height should be 5.6 mtr along with the road and if cable crossing the road the height should be 5.8mtr.
- v. Meter cannot be installed without ELCB/MCB/MCCB.
- vi. Cable is properly bended through cable bending tool. Cable bending followed as per 12d formula used.
- vii. Cable anchor used on both ends.
- viii. Proper saddling of cable at 1.5 mtr gap.
- ix. All meters should be installed in the box.
- x. Two seals are being used to seal the meter box and one seal to seal the terminal.
- xi. Earthing must be checked through test lamp at both ends

3.3 INSTRUCTION FOR OVERHEAD CABLE LAYING:

LAYING OF 2*10/2*25 SQUARE METER CABLE

- i. Cable height should be 5.6 mtr along with the road and if cable crossing the road the height should be 5.8 mtr.
- ii. The installation of anchor at pole end is upto 5.8 mtr to maintain the height of the cable.
- iii. Same angle installed at the consumer end upto 5.8 meter to maintain the cable height from ground.
- iv. Ensure minimum sagging of the cable.
- v. Properly tighten the cable at anchor.

LAYING OF 4*25/4*50 CABLE SQUARE METER CABLE:

- i. Cable height must be 5.6 mtr along with the road and if cable crossing. The road the height should be 5.8 mtr.
- ii. Ensure minimum sagging of the cable.
- iii. Properly tighten the cable at pole and consumer end by installing angle and tie the cable through cable tie/ armour of the cable.

LAYING OF 2*10, 2*25, 4*25, 4*50 CABLE SQUARE METER CABLE AT HVDSPOLE:

- i. Cable height should be 5.6 mtr along with the road and if cable crossing the road the height should be 5.8 mtr.
- ii. While working on HVDS, shut down must be taken from competent authority from the nearest gang operated switch (go switch)
- iii. Ensure that LT side of the HVDS transformer must be cut off from power.
- iv. All cable must be anchored below the distribution transformer (DT)
- v. Do not use piercing connector at HVDS pole.
- vi. Earthing of cable must be maintained at distribution box (db).

INSTRUCTION FOR OVERHEAD CABLE LAYING IN NARROW STREET: -

- i. Cable must be laid with proper support, full saddling, and using cable tie as well. No cable hanging at wooden pole or trees or balcony structure of building.
- ii. Cable length must be maintain as per company norms that is ≤ 30 mtr.
- iii. Unwanted sagging, bundling shall be avoided
- iv. Proper height must be maintained as per company norms.
- v. In case of long service line cases must be informed to O&M department for installation of pole & electrification.

3.4 INSTRUCTION FOR BUS BAR INSTALLATION: -

- i. Bus bar should be installed not below the height of 6ft.
- ii. Bus bar should be installed as per SOP.
- iii. In case of consumer panel, the bus bar should be isolated and sealed as per company norms.
- iv. Gap must be maintained between bus bar and meters.
- v. Earthing of individual cable must be providing at bus bar earthing point.
- vi. Bus bar seals must be connected firmly at given seal terminals.

Annexure-2: STORE MANAGEMENT

MMG Store is most important place for storage of MMG materials and functional location for execution of metering activities in BRPL. Vendor shall ensure adequate infrastructures, facilities and security at MMG stores. It is recommended to follow 5-S strategy in management of MMG stores. Following are the guidelines for management of store for the purpose of MMG activities and shall be complied by all MMG Vendors.

1. Store Infrastructure

Contractor shall depute adequate number of resources to manage all the activities related to store very efficiently. Contractor shall be responsible for proper arrangement of facilities and required infrastructure for management of store and activities performed at store.

- i. Desk, Computers, Printers, Chairs, Cupboards, Storage Racks, Baskets, Benches, Water Coolers etc.
- ii. CCTV, Attendance Systems, Security arrangement, Fire Safety Arrangement (Fire Sand buckets and Fire extinguishers), First-Aid.
- iii. Vehicles required for Movement of Materials from & to Store.
- iv. Arrangement for Housekeeping, Sanitation, Drinking Water, Electricity, for Store premises.
- v. Stationary required for daily operation of Store.

2. Storage of Materials

Contractor shall ensure proper storage of all the items issued from BRPL. Materials shall be stored in such a way to ensure safety of materials, quickly traceable, easiness in issuance and maintain tidiness in store premise.

- vi. MMG Material like New Meters, Old Removed Meters, Bus-bars, Meter Boxes & Other accessories issued to contractor from BRPL shall be stored properly using suitable Racks, Baskets, Cupboards etc at store.
- vii. Materials shall be sorted according to their type and shall be kept at labelled location in the store premises.
- viii. Material like Meters, Seals, SIM card etc shall be stored at a location with lock provision in the store.
- ix. Separate area to be marked for storage of Cable Drums, Scrap Cables, Reusable Cables according to the Size of Cables.
- x. Consumption or issuance of material from store shall follow FIFO system.
- xi. Non-moving items shall be marked & stored at separated section in the store.
- xii. Loading and Unloading of materials shall be in such a way to ensure safety of personnel and materials. Cable Drums and other Heavy Items shall be moved with proper T&P and Vehicles.
- xiii. Re-usable items shall be segregated from scrap such as busbars, cable, meter boxes etc and to be stored at specified location for reusable items.
- xiv. Material stored in open shall be covered with weather proof and dust proof covers of suitable material.

3. Storage of Records

- i. Record Files of MCR, Notices, QC Inspection, Material Issuance Dockets, Billing Documents, Material

record registers etc shall be marked / labeled with Name, Month and date (From-To) and shall be stored in Racks / Cupboards/ Almirah at lockable place in the store premise.

- ii. Records shall be stored in such a way to ensure safety of records from rodents, termites etc.
- iii. Site Photographs shall be renamed with CA Numbers and shall be stored in Month Wise Folders in Computer. Other Soft Records such as Material Issuance and consumption reports, Reconciliation reports, Billing Data, Installation Records shall be stored in computers with relevant file name. Back-up to be ensured for all the recorded maintained on Computers.

4. Workstation for Store Employees

Vendor shall provide suitable working stations for its employees deputed in store for proper functioning of store and field activities.

- i. Store In-charge Work Station: Table and Chair.
- ii. Work Allocation & Recordkeeping Work Station: Table, Chair, Compute, with Internet Net Connection Printer and scanner.
- iii. Material Issuance Work Station: Table and 2 to 3 Chairs.

5. Facilities at Store Premise

Vendor shall ensure all basic facilities required for its resources and operation of MMG activities from vendor the store.

- i. Separate storage space with lock provision to be allocated to all field teams for keeping of Tools and Safety gears. Allocated space shall be marked with name of the team leader.
- ii. Sitting arrangement with required numbers of benches / chairs for all vendor employees for the purpose briefing, discussion etc.
- iii. Parking area shall be marked and all vehicles of employees and store shall be parked in orderly manner so that it shall not create hindrance to public.
- iv. Attendance recording arrangement with Biometric or Manual system shall be ensured with in the store premise for all employees.
- v. Arrangement of Drinking Water, Electricity and First-Aid shall be ensured within the store premise.
- vi. Proper Sanitation and Cleanliness shall be ensured with in and around the store premise on daily basis.
- vii. Weighing machine Capacity-100KG.

6. Displays

- i. Display board for material inventory at suitable location in the store premise shall be maintained on daily basis.
- ii. Vendor shall ensure display of Banners / Posters/ Notice Boards related to Working Guidelines, Meter Installation practices, Safety guideline, First Aid, Anti-corruption Message, Office Orders, Emergency Contact Numbers etc shall be displayed at appropriated place with in the store premise.

- iii. Display boards for Tools and Safety Gears used for Meter installation shall be made available at appropriate place in store premise.
- iv. Display boards of Cables and Metering all accessories shall be made available at appropriate place in store premise.
- v. Display Boards of Store Employees & Fields Teams with Employee's names and ID shall be made available with in store premises.
- vi. Installation of Different types of Meters with all QC-Norms shall be displayed for demonstration and training purpose within the store premise.

7. Safety and Security

- i. Installation of CCTV in such a manner to cover all important locations within and around the Store Premise.
- ii. Fire extinguishers & Sand buckets to be installed at the entrance of Store premise.
- iii. Security personal shall be deputed.

8. Store Inspection

- i. MMG Co-ordinator shall inspect in presence of vendor representative on monthly basis. Store inspection report shall be prepared duly signed report of MMG Co-ordinators and Vendor representative.
- ii. Store inspection report shall clearly mention the all noncompliance observed during the inspection. Report shall also mention corrective action to be taken and time line for the compliance against each noncompliance observed during inspection of store.
- iii. Store Inspection shall be shared with MMG Circle office and Head MMG by MMG Coordinators.
- iv. It is the responsibility of Vendors to take corrective actions against non compliance with the timeline and inform MMG Coordinators.

Annexure-3: SOP for Issuance of Materials, Reconciliation and Record Keeping in MMG

1. Issuance of Materials

- i. New Material shall be issued only when stock value falls below **5-Days** of buffer stock value. Once the stock value falls below the 5-Days buffer stock value, contractors shall raise request for issuance of material to the MMG Coordinators with available stock position through E-Mail. MMG Coordinator shall verify the available stock position and material consumption at MMG vendor store before issuance of MRS.
- ii. MMG coordinators shall issue MRS with the quantities of materials required to maintain 5-Days Buffer Stock + 7-Days Consumption (i.e Quantities required for 12 Days) by the MMG coordinators. It is the responsibility of MMG coordinators to ensure that excessive materials not been issued to contractors to avoid misuse.
- iii. Buffer stock value shall be defined against each material based on average consumption pattern. MMG Circle office shall provide quantities of materials for the 5-Days Buffer stock & 7-Days average consumption for all divisions.
- iv. All materials shall be issued from BRPL stores against Material Requisition Slip (MRS) generated by MMG Co-ordinators and Approved by Division Head O&M.
- v. Materials shall be issued to authorised representatives of contractors only from BRPL stores. Authorization shall be approved by respective MMG Co-ordinator, Division Head and O&M and Head MMG.
- vi. All serialized Items such as Meter, Seals, Gunny-Bags, Cable, Busbar, MCR, Notices, SIM, AMR etc shall be checked and verified by the authorised representative of the contractor at the time of issuance from BRPL store. Details of Serial Numbers of the serialized items shall be mentioned on MRS / Store Docket while issuance by store representative. Contractor shall not accept MRS or Docket without details of serial numbers for issued serialized items form BRPL stores.
- vii. Copy of the MRS / Docket against which materials have been issued, shall be submitted to MMG Co-ordinators for record keeping. Contractor shall keep the original copy of the same.
- viii. All issued material shall be safely loaded / unloaded and transported to respective designated MMG-Stores. All issued material shall be kept in the custody of contractors at designated MMG-stores only.
- ix. Contractor shall ensure proper storage of all the issued materials as per guidelines for MMG store management.
- x. Contractors shall not transfer any materials to other divisions or contractors without the approval of MMG Co-ordinators. Transfer of material from one contractor to another in cases of emergency and material crisis (with approval only) shall be processed with proper documents mentioning Item name, quantity, serial number etc. MMG Coordinators shall provide the information of such material transfer to Division Head-O&M and MMG Circle Head before transfer of materials.
- xi. It is the responsibility of contractors to further issue materials to MMG installation teams on daily basis under the supervision of MMG Co-ordinators and keep complete records of materials from issuance to consumption.
- xii. Contractors shall report Non-Moving Items to MMG Co-ordinator for return to BRPL Store. MMG coordinator shall issue Docket for return of such materials.
- xiii. Scrap shall be deposited twice in a Month against approved SDF only. First schedule should be between 16th to 20th Date of the Month and the second schedule should be between 1st to 5th Date of next the Month. Reusable Items shall be segregated from the scrap by the contractor before declaring scrap in coordination with MMG Coodinators. SDF shall be issued only after verification of Scrap & Reusable Items in specified format approved by MMG Co-ordinators.

1.1 Issuance of Meters

- i. **Kitted Meters:** Meters Kitted against service orders shall be issued by BRPL stores to authorised representative of contractor on daily basis. Kitted Meters shall be installed against the service orders for which meters have been kitted.
- ii. If any kitted meter remains un-installed due to any reason, contractor shall send request for re-kitting of such meters to MMG Co-ordinators. If service orders are not available for Such Meters, meters shall be returned within 10 Days of Issuance.
- iii. **Loose Meters** (Without Kitting). Meters without kitting shall be issued against MRS prepared by MMG co-ordinators for the installation in various projects.

a. Issuance of Cables

- i. MRS shall be raised by MMG Coordinators, preferably for complete drums, as per requirement. MRS shall be issued only when cable reconciliation statements for previously issued cable drums (**Drum Wise**) are submitted by respective contractors specified format and available stock position.
- ii. Cable shall be issued with details of Drum Number, Cable Length and Cable readings (from – To). These details shall be mentioned on MRS at the time of issuance for BRPL store.

9. Reconciliation & Recordkeeping

- i. It is mandatory to record consumption of all materials on MCR / capturing data through Mobile Application. Serial Numbers shall be mentioned on MCR / captured in Mobile Application for all serialized Items. In case of New cable, cable drum number, cable length and cable reading shall be mentioned on MCR / Mobile Application.
- ii. Copy of All Reports of Metering Activities (MCR, Notices etc) to be maintained in Box files by the contractors on Monthly Basis in order of Date of execution. This File to be produced for any verification by BRPL.
- iii. MMG Coordinator and Contractor shall keep the record of all MRS against which materials have been issued by BRPL stores or returned to BRPL stores in a Box File in order of date of issue / return. Scanned Copies shall be maintained in computer with renaming as YYYYMMDD-MRSNUMBER. Summary shall be maintained in Excel Sheet and serial numbers shall be cleared mentioned along with quantity for all serialized Items including cable drums.
- iv. "Material Issuance / Return Registers" for recording the material issuance to / Return from field teams shall be maintained by contractors on daily basis in specified formats.
- v. Contractors shall share Stock Inventory for all Items with MMG coordinators on weekly basis. MMG Coordinator shall verify the stock and consumption of major items such as meters, cable, busbar etc. on Weekly basis.
- vi. MMG Co-coordinators shall inspect MMG stores for physical Stock Verification on first working day of the month and prepare stock verification report duly signed by contractors.
- vii. Material Reconciliation report shall be prepared by contractors on monthly basis for all the materials. Reconciliation report shall be supported by installation records with CA Number and Meter Number and activity date. Material reconciliation reports shall be verified by MMG Coordinators.
- viii. Record of Cable issuance and consumption to be kept drum-wise with drum number and cable length reading.
- ix. For serialized items such as meter, seal, MCR, Notice, Cable, Busbars, MCR, Notices, AMR, SIM etc., all records to be maintained with their serial numbers.
- x. Contractor shall return old meters within 5-Days and Records of Removed Meters shall be maintained on daily basis by contractors.

- xi. Record of the Scrap shall be maintained with Scrap Deposit Forms in Box File (SDF).
- xii. Reusable materials shall be segregated by MMG contractors and Records of such reusable items shall be maintained separately by contractors. MMG Co-ordinators shall verify the consumption of reusable materials.
- xiii. All the records shall be stored at lockable place. Contractor shall produce records as and when demanded by BRPL.
- xiv. Record of all Employees of contractors to be maintained with Name, Address, Contact Number, UID Number, Date of Joining etc by Contractors and MMG Coordinators.
- xv. Display Board for Material Inventory Stock to be maintained by contractor on daily basis in the MMG Store.
- xvi. Records shall be maintained as per the formats specified in Annexure.

BRPL

Annexure-4: CHECK LIST FOR CONTRACTOR BILL

Sl. No.	Documents	Page No. (As per Index)	Remarks By METER INSTALLATION AND RELATED WORKS
1	Invoice Movement Sheet	1	
2	Work Measurement Sheet	6A	
3	Annexure-1 (METER INSTALLATION AND RELATED WORKS Work Summary)	8	
4	Meter not return to Store Details	8A

15	Removal of meter	R01	3 Day	ZDRM

Time Line for Other Metering Activities:

Activity Name	Execution Time Line
Resolution of Not Downloading Meters	30 Days
Replacement of Meters Based on List Provided by Company	30 Days
Installation / Replacement of AMR	5 Days
Replacement of Metering Cubicle	1 Day
Visit for Grid meters complaint	1 Day
Grid meters complaint rectification	1 Day
AMR complaint rectification	2 Days

ANNEXURE-6 PERFORMANCE EVALUATION & SCORE CARD

A) Meter Installation & Relates Works Score Card

The performance of the contractor through score card shall be reviewed by the company on monthly basis at Division level .

BRPL

ANNEXURE – I : BID FORM

To,

**Head of Department
Contracts & Material Deptt.
BSES RAJDHANI Power Ltd
1st Floor, C Block
BSES Bhawan, Nehru Place
New Delhi 110019.**

Dear Sir,

- 1 We understand that BRPL is desirous of awarding the contract for..... (Name of the Work) work in its licensed distribution network area in Delhi.
- 2 Having examined the Tender Documents for the above named works, we the undersigned, offer to deliver the goods/services in full conformity with the Terms and Conditions, technical specifications & Scope of Work as may be determined in accordance with the terms and conditions of the contract. The quoted amounts for this work are in accordance with the Price Schedules attached herewith and are made part of this bid.
- 3 If our Bid is accepted, we undertake to deliver the entire goods/services as per delivery/ completion schedule mentioned in Section III from the date of award of order/letter of intent.
- 4 If our Bid is accepted, we will furnish a Contract Cum Performance Bank Guarantee (CPBG) for due performance of the Contract in accordance with the Terms and Conditions of the NIT.
- 5 We agree to abide by this Bid for a period of 180 days from the due date of bid submission and it shall remain binding upon us and may be accepted at any time before the expiration of that period.
- 6 We declare that we are aware of the provision of all Laws associated with the supply of equipments/materials or Services and the prices have been quoted accordingly.
- 7 Unless and until Letter of Intent is issued, this Bid, together with your written acceptance thereof, shall constitute a binding contract between us.
- 8 We understand that BRPL is not bound to accept the lowest, or any bid BRPL may receive.
- 9 There is provision for Resolution of Disputes under this Contract, in accordance with the Laws and Jurisdiction of Contract.
- 10 We do hereby agree and shall abide the terms of tender documents/agreement, in full

Dated this..... day of..... 2022

Signature..... In the capacity of

.....duly authorized to sign for and on behalf of

(IN BLOCK CAPITALS).....

1.0 General Requirements

- 1.1 The contractor shall ensure that safety of all the workers, materials, Installation and equipment's belonging to him or to others and working at the site is ensured through effective and practicable safety management systems.
- 1.2 The contractor shall be responsible for compliance to provisions of all safety requirements under various notices, acts, rules and relevant applicable legislations.
- 1.3 The contractors shall comply with all health & safety requirements as deemed necessary by BRPL from time to time.
- 1.4 Works shall be carried out by the contractor after taking necessary "Permit to work". Also the work shall not be carried out without use of Protective equipment's like shoes, safety belts, helmets etc. adhering to safety compliance.
- 1.5 All the equipment's being used shall be timely calibrated and a copy of the same shall be submitted to Safety Department within 4 weeks of the acceptance of contract and thereafter on every renewal.

2.0 EHS Policy

The contractor as per requirement of CEA Measures Relating to Safety and Electric Supply Regulations, 2010 shall follow the Environment, Health & Safety policy of BRPL. The contractor shall implement quality, health & safety management systems in accordance to BRPL EHS policy and ensure that intentions of such policy are met.

3.0 Health & Safety Plan

- 3.1 Within 4 weeks of the notification of acceptance of the tender, the contractor shall submit detailed and comprehensive Contract specific health & safety plan incorporating HIRA (Hazard Identification & Risk Analysis) to BRPL. This plan shall necessarily include detailed policies, procedures, method statement for each activity to be performed and regulations which, when implemented, will ensure compliance of the contract provisions stated herewith.
- 3.2 The contractor shall submit health & safety plan for such activities required to be carried out under the awarded contract as deemed necessary by BRPL.
- 3.3 Health & safety plans, procedures, method statements, etc. developed & submitted by contractors shall be reviewed and approved by designated authorities of BRPL (Head Safety). First cut of the plan shall be submitted to Safety Department within 2 weeks of agreement of contract. After suggested rectification, the final plan shall be submitted to Head Safety not later than 4 weeks of the agreement of contract. A copy of the same shall be given to the engineer in charge also. The document shall carry the signatures of the authorized signatory (the person who has signed the

agreement document of contract).

- 3.4 The health & safety plans, procedures, method statements, etc. shall not be changed without prior review and approval by designated authorities of BRPL.

4.0 OHS Organization & Responsibility

- 4.1 The contractor supervisor will play the role of safety supervisor. The safety supervisor shall hold a diploma degree from a recognized institute or university as per CEA Regulations, 2010. Also simultaneously contractor has to ensure their competency in safety or EHS with 40 hours training from reputed agency (like RLI/Allied Boston/ National Safety Council) or trainer, which should be verified earlier by BRPL safety department accordingly. The copy of training certificate shall be submitted to Safety Department within 4 weeks of agreement of contract. Time extension may be given in extraordinary situation subjected to submission of any convincing document carrying valid proof of near future plan of the training.

- 4.2 The training certificate should not be more than one-year-old.

- 4.3 Apart from above, as an owner of the company the contractor & their other key persons are also responsible for safety compliance and related issues.

5.0 First Day at Work –Induction Training and Issuance of ID-Card

- 5.1 The contractor shall ensure that all his workers have undergone the safety induction and have been issued with a valid ID card prior to start work at BRPL site. The proof of the same shall be submitted to Safety Department within 4 weeks of agreement of contract.

- 5.2 All contractor workers shall undergo above as per the BRPL site specific procedure issued from time to time.

- 5.3 The contractor shall ensure that no worker is in any O&M activities until the valid ID card is issued and the same is available by each worker at site including that of sub-contractor(s).

- 5.4 In case any worker lost the ID card issued to him, the contractor shall ensure that such incidences are promptly reported to BRPL and duplicate or new ID card is issued immediately after completing formalities as deemed necessary by BRPL.

6.0 Provision of Safe Working Conditions

- 6.1 Proper barricading shall be created during height work, cable laying work, working on pole, etc. Dimensions of barricading while cable laying work- Height- 2 mtr, Length- 1.5 mtr. There shall not be any gap in between two barricades. LED Bacon light shall be placed at 1st and every 4th barricade. However, while working on pole during supply maintenance work there should be a barricading cone and caution tape. In narrow lanes, where proper barricading as per rules is not possible, use barricading as per the approval of respective safety circle head in writing and copy forwarded to safety and uploading in QMS.

6.2 PPE' Requirement

- 6.2.1 The contractor shall ensure all the required PPEs given in clause 6.2 and shall allow their workers to start work at site only after proper verification of adequacy of safety gears/PPE required for the

specific job at site by the Safety personnel/Site Engineer of BRPL.

Contractor has to ensure the quantity and quality of PPEs during procurement and continuous usage of following PPE's by his staff.

S.NO.	NAME OF THE PPEs	LINEMAN / FITTER/SKILLED	HELPER/UNSKILLED	SUPERVISOR
1	SAFETY HELMET	✓	✓	✓
2	FULL BODY HARNESS (POSITIONING BELT)	✓	X	X
3	ELECTRICAL HAND GLOVES	✓	✓	X
4	SAFETY SHOES	✓	✓	✓
5	SAFETY GOGGLES	✓	✓	✓
6	REFLECTIVE JACKET	✓	✓	✓

6.2.2 Contractor has to ensure for proper procurement and distribution of required PPE's among their workers with receiving in attached format (Appendix-3) which will be verified by the safety department during inspection. The entire issuance format duly signed by individual worker and to be verified/ certified by Department Head and the same need to be submitted to Safety Department along with mentioned certificates within 4 weeks of agreement of contract. The sample of the PPE's being procured by the contractor shall be submitted and approved from the Safety Department beforehand.

6.2.3 The contractor has to provide 3 arc protection face shields in each zone (2 for complaint team and 1 for maintenance team) as per specifications mentioned in clause 6.2.5.6.

6.2.4 If any of the contractor staff found without PPEs, the said PPE's will be issued to them from BRPL store with immediate effect. And the 20% extra amount with procurement cost will be recovered from their next monthly bill cycle.

Note: PPEs shall strictly be as per the brand mentioned in clause 6.2.5

6.2.5 Technical Specification of the PPEs

6.2.5.1. Safety Shoes – With Composite / Fiber toes (CE approved / IS 15298) – Mandatory for all personnel working at BRPL O&M. The safety shoes shall meet the following features:

1. Electric Shock Resistant Sole
2. Impact Resistant
3. Scrap/Heat Resistant
4. Slip Resistant
5. Oil and Acid Resistant
6. Rubber PU Sole
7. Anti-puncture

Lead MAKE: BATA/HONEYWELL/KARAM

6.2.5.2 Safety Helmets: (IS 2925 - 1984 or DGMS) with chin strap – Mandatory for all personnel working at BRPL O&M. The specification of safety helmet shall be as given below:

V-GARD HDPE Yellow With 4 Point Fas Trac Ratchet Suspension

Shell Material	UV stabilized HDPE, Non vented
Suspension	<ul style="list-style-type: none"> • With 4 Point Fas Trac Ratchet Suspension sewn headband • Textile straps made from polyester Suspension • point fixing: good positioning, ...stability, better air circulation due to ...limited contact areas with the head • Easy clean sweatband
Size	52-62 cm
Accessory slot	Standard 30 mm with removable HDPE dead plugs suitable to leak proof fitting
Approvals	ANSI/ IEC Z89.1 Class E (electrical)
Additional	Low temperature -10°C (acc. to GB2811), High temperature +50°C
Colours	Yellow
weight	360 g

Lead MAKE: 3M / KARAM / UFS

6.2.5.3 Full Body positioning Harness: (CE approved / IS 3521 / EN 361 / EN 355) – Shall be used while work is in progress at height more than 1.8 meter or where from a person may fall and get injured. The specification of the Full body harness shall be as given below:

Anchorage	Adjustable two chest attachment D-rings and A dorsal attachment D-ring
Adaptability	Adjustable shoulder and thigh straps
Convenience	Shoulder and thigh straps differentiated by a dual color scheme.
Ergonomics	Ideally. Positioned sit strap for extended comfort.
Size	Standard
weight	1200GMS
ENERGY ABSORBING FORKED LANYARDS :	
Spec.	44mm wide polyamide webbing.
Length	1.5 Meter

There should not be any metallic part in the full body harness.

Lead MAKE: KARAM /LIFEGEAR/UFS/HONEYWELL

6.2.5.4 Flex Chem Full View Safety Goggles – Shall be used to protect workers eyes from foreign materials and flying particles. Mandatory for all personnel working at BRPL O&M. Safety goggles shall meet the following feature:

1. Acetate lens for special applications requiring superior chemical resistance.
2. Industrial version of tough and popular first responder goggles.
3. SoftFlex low profile frosted frame for increased comfort.
4. Comfortable headband with length adjustment.
5. Indirect venting for comfortable, long lasting wear can be worn with safety helmets and over prescription spectacles.
6. Sightgard + premium anti-fog coating (EN 166 “N”) with good anti- scratch properties.

Technical Specification:

Weight	95g.
Lens thickness	1.0mm
Overall width	173mm
Overall length	90mm
Bridge	47.6mm
Lens base	5.5 curve
Lens size	86.1mm verticle, 174mm diagonal
Headband	Adjustable length at max.440mm(long enough to fit together with helmets)
Material & colors	
Lens	Acetate clear, coating, Sightgard + anti-fog according to EN 166 “N” & anti scratch.
Body	PVC smoke
Headband holder	Nylon
Headband	Adjustable grey elastic fixed on frame side parts
Marking / Approvals	
Standard number	EN 166
Frame marking	MSA EN 166 34-FT CE
Lens marking	2C-1.2 MSA 1 FT N CE
Filter class	2C (Ultra violet radiation with enhanced color recognition)
Scale number	1.2: luminous trasmittance-89%
Optical class	1 (best class, for permanent wear)
Mechanical resistance	F (low energy impact 45m/s) T (at extreme temperature -5 to +55° C)
Resistance to	N(distorted vision due to lens fogging)
UV filter	99.9%
Ordering information	10145578-FlexiChem Sightgard + clear , 6x

Lead MAKE: MSA / UVEX/ UFS/3M/KARAM

6.2.5.5 Electrical Insulating Hand Gloves – Shall be used to prevent electric shock based upon the hazards/risks involved in a particular activity. Safety goggles shall meet the following features:

- Breakthrough manufacturing process for exception dry grip.
- Soft and flexible for enhanced tactility, high dexterity and wearer comfort.
- Ergonomic design featuring tapered fingers to reduce hand fatigue.

- Relaxed wrist for easy on/off.

	For LT work	For HT work
Length	360mm	360mm
Class	2	0
Thickness	3.6mm	1mm
Proof test voltage	20000	5000
Maximum use voltage	11000	1000
Tensile strength	>16mpa[Mega Pascal]	
Puncture resistance	>18N/mm [Newton per milli meter]	
Elongation at break	>600% [Stretching length]	
Tension set	<15%	

- It should be resistant to oil, acid, ultra violet rays and very low temperature.
- Each pair of glove should be marked with class, category, month & year of manufacturing, CE logo, batch no. and certified laboratory no.
- EN certified to electrical and thermal hazards,
- EN certified to thermal & electrical hazards to confirm EN 60-903,
- EN certified to mechanical hazard to EN-388

Lead MAKE: Honeywell / ANSELL/CATU

6.2.5.6 Arc Protection Face Shield

- ATPV value is 10 cal/cm²
- It shall have a slotted hard hat and chin guard
- Visible light transmission (VLT) shall be 70%
- It should have anti fog lens
- It should have a provision for replacement of lens and brackets.
- It should cover the complete face and the complete neck region.
- It must not hinder the work. Must be comfortable for the height jobs as well as in the ground.
- Carry bag for the kit.

Lead MAKE: Oberon/Honeywell

6.2.5.7 Certificates required for all PPEs:

1. Manufacturer Certificate
2. Test Certificate
3. Authorization of Dealership/Distribution ship

The copy of all the certificates shall be submitted to safety department within 4 weeks of agreement of contract.

7.0 Integrated Management System & Audits

- 7.1 The Contractor shall work in the framework of Integrated Management System (IMS) and shall maintain documentation as prescribed in the IMS Manual of BRPL. IMS Manual can be obtained directly from site engineer/Division Head/Respective Head.
- 7.2 All contractors during their currency of contract shall strive to continuously improve and demonstrate strict compliance to ISO 9001, 14001 & 45001 standards of BRPL.
- 7.3 To verify compliance and to continually improve the management system, all contractors shall be subjected to both internal & external audits.

8.0 Medical Examination

- 8.1 The contractor shall arrange a medical examination of all his employees including his sub-contractor employees like lineman, ALM, supervisor, Fitter, welders, gas cutters, drivers and all the workers supposed to work at height (and any other trade specified deemed necessary by BRPL at the time of deployment then annually) before employing, after illness or injury, if it appears that the illness or injury might have affected his fitness and, thereafter, once in every year as per the provisions of applicable laws or as prescribed by BRPL with proper record.
- 8.2 Records of medical examination as described above shall be maintained at the contractor premises and a copy of the same shall be submitted to Safety Department within 4 weeks of agreement of contract.
- 8.3 No person about whom the Contractor knows or has reason to believe that he is a deaf or he has a defective vision or he has a tendency to giddiness shall be required or allowed to work in any O&M operation or other construction work which is likely to involve a risk of any accident either to the worker himself or to any other person.

9.0 Working at Height

- 9.1 The Contractor shall ensure that all works carried out at a height of 2 Meter or more shall only be started after obtaining a permit to work at height, which shall be issued as per the procedure of BRPL by authorized personnel.
- 9.2 The contractor shall ensure that all control measures mentioned and agreed through above work permit or as deemed necessary by BRPL are enforced and complied all the time during activities carried out at height.
- 9.3 Full body harness and ladder along with the required PPEs shall be used during height work.
- 9.4 Barricading cone and tape shall be used along with creation of proper safety zone.

10.0 Reporting of Near Miss/ Incidents / Dangerous Occurrences

- 10.1 In case of any incident/ accident occurs during the O&M activities undertaken by the Contractor thereby causing a dangerous occurrence or near miss or any minor or major or fatal injury to his employees due to any reason, whatsoever, it shall be sole responsibility of the Contractor to promptly inform the same to Department Head in prescribed form and also to all authorities envisaged under the applicable laws.

11.0 Suspension of Work

- 11.1 BRPL shall have the right at its sole discretion to suspend the work till compliance of safety norms, if in its opinion the work is being carried out in such a way that it may cause accidents and endanger the safety of the persons and / or property, and / or equipments.
- 11.2 In such cases, the contractor shall be informed in writing about the nature of hazards and possible injury /accident and he shall comply to remove all shortcomings promptly. Decision of BRPL shall be conclusive and binding on the Contractor in such aspects.
- 11.3 The contractor shall not be entitled to damages / compensation for suspending of work due to safety reasons and the period of such stoppage of work will not be taken as an extension of time for completion of the facilities as per the work order and will not be the ground for waiver of levy of liquidated damages.
- 11.4 The contractor shall follow and comply with all safety Rules of BRPL, relevant provisions of applicable laws pertaining to the safety of workmen, employees plant and equipment as may be prescribed from time to time without any demur, protest or contest or reservation. In case of any nonconformity between statutory requirement and safety rules of the BRPL referred above, the latter shall be binding on the contractor unless the statutory provisions are more stringent.

12.0 OHS Appreciation Policy

- 12.1 If the contractor observes all the safety rules and codes, statutory laws and rules during the period of the contract awarded by the BRPL and no accident occurs then BRPL may consider the performance of the contractor and safety score card will be prepared. The best contractor will be appreciated by suitable "SAFETY AWARD" as per scheme as may be announced separately from time to time.

13.0 Safety Motivational Scheme for Contractor Employee

- 13.1 All contractors must reward their employee monthly for best worker in term of complying safety norms. They should honour with a gift of Rs. 500/- (five Hundred) with commendation certificate to motivate others towards safety compliance. The record with photograph should be kept with them & also to be submitted to BRPL safety department. Contractor may ask to BRPL safety people for their presence during awarding time.
- 13.2 All contractors have to observe safety day/ week on 4th March to 10th march every year with proper planning and record to create safety awareness inside their organization. A detailed report of observing the same to be forwarded to safety department every year.

14.0 Guidelines for Penalty Policy Implementation

- 14.1 Total penalty shall be calculated by multiplying the number of safety violations and the penalty amount specified for such violations in **Appendix - 1. (Example – If at first offence persons are found working without safety helmet at 3 locations, the penalty would be $3 \times 2000 = \text{Rs.}6000/-$)**
- 14.2 The amount of penalty can be increased or decreased based upon the seriousness of safety violations. The decision of recommending authority shall be final one.

- 14.3 Recommending authority shall send his factual observations to Department Head and Safety Head who in turn shall either reject or approve it. If approved, he shall send it to Finance & Accounts for execution. Finance Accounts shall execute the penalty and confirm the same & shall send it back to Department Head and Safety Head.
- 14.4 Recommending Authority means the Department Head, HODs, Site Safety officer / Supervisor, representatives from OHS and other personnel authorized jointly by O&M.
- 14.5 Penalties will be imposed for delay in submission of EHS related requirements/documents mentioned in the contract. Once the contract is accepted, the requirements as mentioned in **Appendix- 2 to be submitted within 4 weeks.**
- 14.5 Safety Head may impose penalty for serious violations directly.
- 14.6 All penalties shall be imposed directly on the concerned contractors. No penalty shall be imposed on individuals.
- 15.0 Guidelines for Safety Appreciation Policy Implementation**
- 15.1 Recommending Authority shall write comments of his Appreciation in case he observes that there is no any safety violations.
- 15.2 Recommending Authority shall send his Safety Appreciation to Safety Head who in turn shall either approve or reject it and shall send it to Site Safety Officer for keeping in records.
- 15.3 Management will appreciate the Safe Contractors for their best performance towards safety norms based upon number of safety appreciation notes.
- 15.4 Every year best Safe Contractor shall be suitably awarded. The contractor shall be selected based upon the maximum numbers of approved safety appreciation notes.
- 15.5 Any contractor who has received any penalty for a particular year shall not be entitled for Safe Contractor's Award irrespective of number of safety appreciation notes he has received.
- 15.6 Site Safety Officer will maintain the contractor wise record of penalty & safety appreciation notes and declare the results latest by 28th February of every year for the performance of previous year.
- 15.7 BRPL Management shall present a Trophy with commendation certificate of safety excellence every year on the occasion of 4th to 10th March (National Safety Day) to the contractor, who qualified the safety standard criteria.

Appendix – 1

Penalty Policy on Safety Violation

Class	Type of Offense	Penalty Detail	Execution Channel
A	Not Wearing Safety Helmets Safety shoes/ Safety Goggles / Electrical insulating hand gloves/ reflective jacket/Not using electrically safe tools and equipments. (Poor quality or damaged item means noncompliance)	# First Offence - Warning Note & Rs.2000/- # Second Offence - Warning Note & Fine of Rs.5000/- # Third Offence- Note of recommendation of the concerned workmen/ supervisors for removal from deployment with BRPL& Fine of Rs.15000/-	Recommendation by OHS- Representative/Department Head Approval by Safety Head Deduction by Finance & Account
B	Not wearing Full Body Harness/fall arresters while working at a height more than 1.8 meter or where from a person may fall. Not using Safety Net to arrest falling objects and personnel. Not using Arc Protection Face Shield Not using barricading cone and tape. (Poor quality or damaged item means noncompliance)	# First Offence -Warning Note & Fine of Rs.5000/- # Second Offence - Warning Note for dismissal and a Fine of Rs.10000/- # Third Offense - -Action for the concerned Workmen/ supervisor for removal from deployment with BRPL and a fine of Rs.25000/-	Recommendation by OHS- Representative/Department Head Approval by Safety Head Deduction by Finance & Account
C	Any other unsafe work practices or condition which is considered having potential for fatality or injury to personnel.	# First Offence - Warning Note & Fine of Rs.10000/- # Second Offence - Action for the concerned workmen/ supervisors for removal from deployment with BRPL and fine of Rs.20000/-.	Recommendation by OHS- Representative/Department Head Approval by Safety Head Deduction by Finance & Account

Notes:

- # Refer clause No. 14 for penalty policy implementation guidelines
- # If there are 03 violations by an individual employee, his removal from deployment with BRPL # If there are 10 violations in one quarter, will be recommended for termination of contract order.

Appendix – 2

Penalty Policy on non- submission of EHS related requirements

Following EHS related requirements to be submitted within 4 weeks of agreement of contract

Requirement	Penalty Detail	Execution Channel
1. Contract specific health & safety plan and HIRA (Hazard Identification & Risk Analysis)		
2. Safety supervisor training records on EHS (40 hrs training)		
3. Submission of sample of PPE's in EHS department for approval (if procured by the contractor)	Delay of 15 days- Warning Note & Consolidated Fine of Rs.5000/- on non-submission of proof of any of these mentioned 8 types of documents	Recommendation by OHS-Representative
4. Bills/challan of PPE's along with test certificates (if procured by the contractor)	On every subsequent delay of 15 days- Warning Note & Consolidated Fine of Rs. 10,000/- on non-submission of proof of any of these mentioned 8 types of documents	Approval by Safety Head
5. PPE's receipt by worker (as per Annexure #1)		Deduction by Finance & Account
6. Medical examination record of workers		
7. ID card of workers		
8. Calibration Certificates of equipments

ACCEPTANCE FORM FOR PARTICIPATION IN REVERSE AUCTION EVENT

(To be signed and stamped by the bidder prior to participation in the auction event)

BRPL intends to use the reverse auction through SAP-SRM tool as an integral part of the entire tendering process. All the bidders who are found as techno commercially qualified based on the tender requirements shall be eligible to participate in the reverse auction event.

The following terms and conditions are deemed as accepted by the bidder on participation in the bid event:

1. BRPL shall provide the user id and password to the authorized representative of the bidder. (Authorization letter in lieu of the same be submitted along with the signed and stamped acceptance form)
2. BRPL will make every effort to make the bid process transparent. However, the award decision by BRPL would be final and binding on the supplier/Contractor.
3. The bidder agrees to non-disclosure of trade information regarding the purchase, identity of BRPL, bid process, bid technology, bid documentation and bid details.
4. The bidder is advised to understand the auto bid process to safeguard themselves against any possibility of non-participation in the auction event.
5. In case of bidding through internet medium, bidders are further advised to ensure availability of the entire infrastructure as required at their end to participate in the auction event. Inability to bid due to telephone line glitch, internet response issues, software or hardware hangs; power failure or any other reason shall not be the responsibility of BRPL.
6. In case of intranet medium, BRPL shall provide the infrastructure to bidders, further, BRPL has sole discretion to extend or restart the auction event in case of any glitches in infrastructure observed which has restricted the bidders to submit the bids to ensure fair & transparent competitive bidding. In case of an auction event is restarted, the best bid as already available in the system shall become the start price for the new auction.
7. In case the bidder fails to participate in the auction event due any reason whatsoever, it shall be presumed that the bidder has no further discounts to offer and the initial bid as submitted by the bidder as a part of the tender shall be considered as the bidder's final no regret offer. Any offline price bids received from a bidder in lieu of non-participation in the auction event shall be out rightly rejected by BRPL.
8. The bidder shall be prepared with competitive price quotes on the day of the bidding event.
9. The prices as quoted by the bidder during the auction event shall be inclusive of all the applicable taxes, duties and levies and shall be FOR at BRPL site.

10. The prices submitted by a bidder during the auction event shall be binding on the bidder. No further communication will be there.
11. No requests for time extension of the auction event shall be considered by BRPL.
12. The original price bids of the bidders shall be reduced on pro-data basis against each line item based on the final all-inclusive prices offered during conclusion of the auction event for arriving at contract amount.

PROFORMA OF CONTRACT CUM PERFORMANCE BANK GUARANTEE

(TO BE ISSUED ON RS 100/- STAMP PAPER)

This Guarantee made at _____ this [____] day of [____] 2022

1. WHEREAS **M/s BSES Rajdhani Power Limited**, a Company incorporated under the provisions of Companies Act, 1956 having its Registered Office at **BSES Bhawan, Nehru Place, New Delhi - 110019**, India hereinafter referred to as the "Company", (which expression shall unless repugnant to the context or meaning thereof include its successors, administrators, executors and assigns).
2. AND WHEREAS the Company has entered into a contract for _____ (Please specify the nature of contract here) vide Contract No. _____ dated _____ (hereinafter referred to as the "Contract") with M/s. _____, (hereinafter referred to as "Contractor", which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include each of their respective successors and assigns) for providing services on the terms and conditions as more particularly detailed therein.
3. AND WHEREAS as per clause ____ of General Conditions of Contract, the Contractor is obliged to provide to the Company an unconditional bank guarantee for an amount equivalent to seven and half percent (7.5%) of the total Contract Value for the timely completion and faithful and successful execution of the Contract from [_____] pl. specify the name of Bank) having its head/registered office at [_____] through its branch in _____ (pl. specify the name of Branch through which B.G is issued) hereinafter referred to as "the Bank", (which expression shall unless it be repugnant to the context or meaning thereof be deemed to include its successors and permitted assigns).
4. NOW THEREFORE, in consideration inter alia of the Company granting the Contractor the Contract, the Bank hereby unconditionally and irrevocably guarantees and undertakes, on a written demand, to immediately pay to the Company any amount so demanded (by way of one or more claims) not exceeding in the aggregate [Rs.].....(in words) without any demur, reservation, contest or protest and/or without reference to the Contractor and without the Company needing to provide or show to the Bank ,grounds or reasons or give any justification for such demand for the sum/s demanded.
5. The decision of the Company to invoke this Guarantee and as to whether the Contractor has not performed its obligations under the Contract shall be binding on the Bank. The Bank acknowledges that any such demand by the Company of the amounts payable by the Bank to the Company shall be final, binding and conclusive evidence in respect of the amounts payable by the Supplier to the Owner. Any such demand made by the Owner on the Bank shall be conclusive and binding, notwithstanding any difference between the Owner and the Contractor or any dispute raised, invoked, threatened or pending before any court, tribunal, arbitrator or any other authority.
6. The Bank also agrees that the Company at its option shall be entitled to enforce this Guarantee against the Bank as a principal debtor without proceeding against the Contractor notwithstanding any other security or other guarantee that the Company may have in relation to the Contractor's

liabilities.

7. The Bank hereby waives the necessity for the Company first demanding the aforesaid amounts or any part thereof from the Contractor before making payment to the Company and further also waives any right the Bank may have of first requiring the Company to use its legal remedies against the Contractor, before presenting any written demand to the Bank for payment under this Guarantee.
8. The Bank's obligations under this Guarantee shall not be reduced by reason of any partial performance of the Contract. The Bank's obligations shall not be reduced by any failure by the Company to timely pay or perform any of its obligations under the Contract.
9. The Bank further unconditionally and unequivocally agrees with the Company that the Company shall be at liberty, without the Bank's consent and without affecting in any manner its rights and the Bank's obligation under this Guarantee, from time to time, to:
 - (i) Vary and/or modify any of the terms and conditions of the Contract;
 - (ii) Forebear or enforce any of the rights exercisable by the Company against the Contractor under the terms and conditions of the Contract; or
 - (iii) Extend and/or postpone the time for performance of the obligations of the Contractor under the Contract;

and the Bank shall not be relieved from its liability by reason of any such act or omission on the part of the Company or any indulgence shown by the Company to the Contractor or any other reason whatsoever which under the law relating to sureties would, but for this provision, have the effect of relieving the Bank of its obligations under this Guarantee.

10. This Guarantee shall be a continuing bank guarantee and shall not be discharged by any change in the constitution or composition of the Contractor, and this Guarantee shall not be affected or discharged by the liquidation, winding-up, bankruptcy, reorganization, dissolution or insolvency of the Contractor or any of them or any other circumstances whatsoever.
11. This Guarantee shall be in addition to and not in substitution or in derogation of any other security held by the Company to secure the performance of the obligations of the Contractor under the Contract.
12. NOTWITHSTANDING anything herein above contained, the liability of the BANK under this Guarantee shall be restricted to _____ (insert an amount equal to seven and half percent (7.5%) of the Annual Contract Value) and this Guarantee shall be valid and enforceable and expire on _____ (pl. specify date) or unless a suit or action to enforce a claim under this Guarantee is filed against the Bank on or before the date of expiry.
13. On termination of this Guarantee, all rights under the said Guarantee shall be forfeited and the Bank shall be relieved and discharged from all liabilities hereunder.
14. The Bank undertakes not to revoke this Guarantee during its validity except with the prior written consent of the Company and agrees that any change in the constitution of the Bank or the Contractor shall not discharge our liability hereunder.

15. Company may assign this Guarantee to any Person or body whether natural, incorporated or otherwise under intimation to the Bank. The Bank shall be discharged of its obligations hereunder by performance in accordance with the terms hereof to such assignee without verifying the validity / legality / enforceability of the assignment.
16. This Guarantee shall be governed by the laws of India. Any suit, action, or other proceeding arising out of, connected with, or related to this Guarantee or the subject matter hereof shall be subject to the exclusive jurisdiction of the courts of Delhi, India.

NON-DISCLOSURE AGREEMENT

THIS NON-DISCLOSURE AGREEMENT ("Agreement") is made and entered into at Delhi on the _____ day of _____, 2022

By And Between

M/s BSES Rajdhani Power Limited, a company registered under the Companies Act, 1956 and having its registered office at **BSES Bhawan, Nehru Place, New Delhi - 110019** (hereinafter referred to as the "Disclosing Party" which expression shall unless repugnant to the meaning and context mean and include its successors and permitted assigns) of the FIRST PART

And

_____, a company incorporated under the Companies Act, 1956 and having its registered office at _____, (hereinafter referred to as the "Receiving Party" which expression shall unless repugnant to the meaning and context mean and include its successors and permitted assigns) of the OTHER PART

Disclosing Party and Receiving Party are hereinafter individually referred to as the "Party" and collectively as the "Parties".

WHEREAS the Disclosing Party is in discussions with the Receiving Party for Security Management Services ("Project") and the Disclosing Party may in conjunction with the aforesaid disclose to the Receiving Party information relating to their businesses which is confidential and sensitive in nature and the Receiving Party is willing to undertake to restrict the use and further disclosure of the information in accordance with the terms and conditions set out herein:

1. The "Receiving Party" acknowledges and confirms the confidential and sensitive nature of all information, documents and material relating to Persons and entities which may be accused of or related to the theft of electricity which is a penal offense under the provisions of the electricity act 2003As well as the various data and tools which may be available by way of documents as well as other modes of proof("Project") (i) that may be disclosed or made available to the Receiving Party by the Disclosing Party or its employees/ representatives/ advisors/ consultants; (ii)Receiving Party may gain or gather from any source; (iii) Receiving Party may process or arrive at during the course of the Project; (iv) Receiving Party may have come across during its discussions with any person in the course of the Project; and (v) all negotiations and discussions between the Parties relating to the Project (all the information referred to above is hereinafter referred to as the "Confidential Information").
2. Confidential Information is understood to include but is not limited to information made available in written, machine recognizable, graphic or sample form including, without

limitation, drawings, photographs, models, design or performance specifications, its analysis, compilations, studies, notes and all other information and data disclosed orally or visually which has been developed / is exclusive to the Disclosing Party and includes information provided in various meetings.

Provided, however, that Confidential Information shall not include information which (a) is, or becomes, publicly known, otherwise than through a wrongful act of the Receiving Party or its representatives; (b) is in the possession of the Receiving Party prior to receipt from the Disclosing Party or its representatives without an obligation of confidentiality; (c) is independently developed by the Receiving Party, provided that it was not derived from the Confidential Information; (d) is furnished to others by the Disclosing Party without restrictions, similar to those herein on the rights of such others to use or disclose; or (e) is approved in writing by the Disclosing Party for disclosure.

3. The Receiving Party shall not disclose the Confidential Information to any other person save and except with the express consent in writing given by the Disclosing Party. The Receiving Party, however, may disclose such part of the Confidential Information where (i) such disclosure is in response to a valid order of a court or any other governmental body having jurisdiction over this Agreement or (ii) such disclosure is otherwise required by law, provided that Receiving Party has given prior written notice to the Disclosing Party forthwith it came to learn about such disclosure requirement or the demand for such for disclosure and made all reasonable efforts to protect the Confidential Information in connection with such disclosure.
4. The Receiving Party shall with reference to the Confidential Information take all actions as may be necessary to (i) maintain the confidentiality thereof; (ii) limit its use of such Confidential Information solely for the purpose of the Project; (iii) avoid disclosure even to any of its employees that are not associated with the Project; (iv) avoid any dissemination or publication by any of its employees/ representatives associated with the Project; (v) avoid writing about sensitive information which is disclosed verbally and is sensitive to the operations; and (vi) safeguard the Confidential Information from being accessed by any unauthorized person. Such actions shall include but not be limited to obtaining appropriate non-disclosure undertakings from its employees directly or indirectly engaged in the Project.
5. The Receiving Party hereby agrees to indemnify and hold harmless the Disclosing Party and its directors and employees from and against any damage, loss, cost or liability (including all expenses and costs of enforcing rights under the Agreement) arising out of or resulting from (i) any use or disclosure by the Receiving Party of Confidential Information in violation of the Agreement; (ii) any leakage of the Confidential Information at the end of the Receiving Party or its employees/ representatives; and (iii) breach or violation of any of the other covenants herein.
6. The Receiving Party will, promptly upon the request of the Disclosing Party, deliver to the Disclosing Party, the documents comprising the Confidential Information or any part

thereof and will destroy any copies, notes, or extracts thereof, without retaining any copy thereof, except that any portion of the Confidential Information that consists of analysis and any written Confidential Information not so requested and returned, shall be retained and kept subject to the terms of this Agreement, or upon the Disclosing Party's request destroyed (such destruction to be confirmed in writing).

7. The term of this Agreement is 3 years from the date of execution of this Agreement. However, the obligation to maintain confidentiality of the Disclosing Party's information shall survive the termination of this Agreement. Any violation of this agreement may lead to termination of all the relations with the Receiving party and black listing/ debarring of the Agency for future engagements.
8. This Agreement shall be governed by the laws of India. Any dispute, difference or claim related to or arising under, out of or in connection with this Agreement shall be resolved subject to the jurisdiction of Delhi Courts.
