

TERMS AND CONDITIONS

BRPL Enquiry No:	BR/ENQ/26-27/FK/CR/AG/3160	Date: 24.06.2026
Bidder bid Ref No:		
Bidder bid submission Date:	30.06.2026	

S.NO	ITEM DESCRIPTION	AS PER BRPL	CONFIRMATION OF BIDDER/BIDDER terms Agreed/Not-agreed
1	Payment terms	100% Payment within 30 days after receipt of invoice and Certification from BRPL officer-in-charge.	
2	RATE ESCALATION	The Rates are firm and fixed for two years from the Agreement's Effective Date. The Rates shall not be subject to escalation or increases on an account/reason (s). , Agreement/Order will be renewed on second-year based on Vendor/Contractor performance.	
3	PENALTY	In the event, Calibration of various type of equipment in BRPL is delayed beyond agreed schedule, BRPL shall levy penalty of 1% of development cost per week of delay and maximum upto 10% of development cost.	
4	Certification	NABL accredited calibration certificate of Lab with GST & PAN	
4	Scope of Work	The scope of work includes the Calibration of different types of Testing & Measuring Equipments in BRPL as detailed below: i. Bidder to provide NABL accreditation certificate of calibration of each equipment as per the attached list (Annexure-A). ii. In case the bidder's scope of NABL accreditation does not include the calibration of few instruments for which they have quoted, then the calibration of that few instrument shall be done from third party lab whose scope of NABL accreditation include the calibration of said few instrument. iii. The Vendor/Contractor will collect our instrument from the division of Office by convenient mode of transport between intervals of 15 Days. iv. Instrument can be calibrated at Onsite or Vendor Lab as per convenience of lab & our requirement. v. The instrument is calibrated & our status will be updated by mail, if required then the repair will be done after our confirmation. vi. Calibration certificate shall be provided by the vendor for a period of 1 year. Calibration sticker shall also be pasted on the calibrated instrument. vii. After award of the work order, all the instrument shall be collected from two fixed locations (one in south Delhi and one in West Delhi) provide by BRPL and after successfully calibration, instruments shall be delivered to the same two fixed locations at bidder's risk and cost. vi. Three calibration reminders will be sent through SMS & mail to the coordinator one month prior Recommended Date for the Next Calibration by the vendor. All the labor, materials, tools tackled, technical supervision, etc are included in the vendor's scope of work. The adequate number of supervisors and labors shall be posted at the site and the chart of the same should be submitted by the vendor/Contractor to the Company for checking the adequacy, within one week from the date of this order.

ANNEXURE – A:

ACCEPTANCE FORM FOR PARTICIPATION IN REVERSE AUCTION EVENT

(To be signed and stamped by the bidder prior to participation in the auction event)

BRPL intends to use the reverse auction through SAP-SRM tool as an integral part of the entire tendering process. All the bidders who are found as techno commercially qualified based on the tender requirements shall be eligible to participate in the reverse auction event.

The following terms and conditions are deemed as accepted by the bidder on participation in the bid event:

1. BRPL shall provide the user id and password to the authorized representative of the bidder. (Authorization letter in lieu of the same be submitted along with the signed and stamped acceptance form)
2. BRPL will make every effort to make the bid process transparent. However, the award decision by BRPL would be final and binding on the supplier/Contractor.
3. The bidder agrees to non-disclosure of trade information regarding the purchase, identity of BRPL, bid process, bid technology, bid documentation and bid details.
4. The bidder is advised to understand the auto bid process to safeguard themselves against any possibility of non-participation in the auction event.
5. In case of bidding through internet medium, bidders are further advised to ensure availability of the entire infrastructure as required at their end to participate in the auction event. Inability to bid due to telephone line glitch, internet response issues, software or hardware hangs; power failure or any other reason shall not be the responsibility of BRPL.
6. In case of intranet medium, BRPL shall provide the infrastructure to bidders, further, BRPL has sole discretion to extend or restart the auction event in case of any glitches in infrastructure observed which has restricted the bidders to submit the bids to ensure fair & transparent competitive bidding. In case of an auction event is restarted, the best bid as already available in the system shall become the start price for the new auction.
7. In case the bidder fails to participate in the auction event due any reason whatsoever, it shall be presumed that the bidder has no further discounts to offer and the initial bid as submitted by the bidder as a part of the tender shall be considered as the bidder's final no regret offer. Any offline price bids received from a bidder in lieu of non-participation in the auction event shall be outrightly rejected by BRPL.
8. The bidder shall be prepared with competitive price quotes on the day of the bidding event.
9. The prices as quoted by the bidder during the auction event shall be inclusive of all the applicable taxes, duties and levies and shall be FOR at BRPL site.
10. The prices submitted by a bidder during the auction event shall be binding on the bidder. No further communication will be there.
11. No requests for time extension of the auction event shall be considered by BRPL.

12. The original price bids of the bidders shall be reduced on pro-data basis against each line item based on the final all-inclusive prices offered during conclusion of the auction event for arriving at contract amount.
