\*Discount on MRP

**BRPL augments its fleet of EVs**

Be it Electric Vehicles (EVs) or the EV charging infrastructure, BSES is committed to promote the entire gamut of E-Mobility solutions. Enroute to achieving its goal of replacing its existing fleet of vehicles with EVs by 2030, BSES Rajdhani Power Limited (BRPL) has inducted a fleet of 12 electric scooters from Hero Electric and 1 e-cart from Lohia Auto. These join the existing fleet of 9 electric cars and cargo vehicles, taking the total EVs in the organisation to 22. More such e-vehicles will be inducted subsequently. These are being deployed for operational field roles. These were flagged by Mr Amal Sinha, CEO, BRPL.

**Now, go solar for just Rs 22,200\* per kW**

In a short span, BRPL has energised over 2100 rooftop solar connections – with a connected solar load of over 63 MW – in South and West Delhi. Consumers across categories, including residential and CGHS, have warmed up to roof top solar net metering in big-way. It is an ideal method to reduce electricity bills and also do your bit for the environment.

The much awaited Solar PV Rooftop Scheme under MNRE's phase 2 guidelines (with support of the Delhi Government) is now available for consumers. Now, a residential consumer can get a subsidy of upto 40% for going-solar. For details on rates and vendors & expressing your interest, please visit [www.solarbses.com](http://www.solarbses.com) and refer to the solar-booklet

([http://solarbses.com/viewFile.aspx?filename=Solar\\_booklet.pdf](http://solarbses.com/viewFile.aspx?filename=Solar_booklet.pdf)). You can also call 19123 (option 9).

\*Price per kW; upto a 3 kW connection
