

SPARSH

...enlightening lives

After an eventful year, FY 2016-2017 also promises to be equally action-packed from the CSR point of view. Several CSR activities have been undertaken for the targeted consumers in the last few weeks and will gather steam in the weeks and months ahead.

Cancer Detection Camp

A Cancer detection camp was organised in association with PHD family welfare foundation at Tikri Kalan in Mundka Divison on 11 May. Around 130 residents and villagers were examined in the camp.

Tree Plantation Drive

On occasion of the World Environment Day, multiple activities were undertaken at BRPL. To begin with, a tree plantation event was organised in association with Sahyog Care For You at the Nangloi Crematorium, near Surajmal Stadium. On the occasion, over 500 saplings were planted. School children participated in this event with a lot of enthusiasm.

Apart from this, customer care department distributed saplings to consumers on the occasion. Focussing on green environment, the discom encouraged consumers to make their surroundings green, safe and clean.
