

Delhi CM unfurls national flag at BSES Office and inaugurates 66/11 KV Grid

Delhi Chief Minister Shri Arvind Kejriwal inaugurated BRPL' 66/11 KV – 50 MVA Grid Sub Station at Fatehpur Beri in South Delhi on June 10, 2018. Constructed at around Rs 45 crore, it will benefit around 3 lakh residents. Before doing so, he visited BRPL' Head Office at Nehru Place and unfurled the national flag atop a 35 meter high mast and inspected the Bijli Diji Seva Kendra. At both the venues, he was accompanied by the Delhi's Hon'ble Power Minister, Shri Satyendar Jain.

Hon'ble MLAs Shri Avtar Singh, Shri Saurabh Bhardwaj, Shri Sahi Ram, Shri Madan Lal and Shri Praveen Kumar were present at the BRPL Office. Hon'ble MLA Shri Kartar Singh graced the inauguration of the Fatehpur Beri Grid. CEO Shri Amal Sinha led the BRPL team.

Follow simple tips to stay safe during the rainy season

Much to everyone's delight, Monsoons are here again! With them, Monsoon also brings with itself, its own set of unique problems and issues. Due to water-logging, chances of electricity related mishaps and incidents are especially high during the monsoon season. Simple precautions will help you stay safe and go a long way in ensuring incident free monsoons.

- Stay away from all electrical installations like electricity poles, sub-stations, transformers, streetlights etc
- Caution children not to play near them, even if they are barricaded.
- Do not touch electrical appliances with wet hands
- Keep a "Tester" at home. If a switch or a wall of your house is wet, do not touch it. First use the "tester" to check if there is an electricity leakage. If the need be, call your electrician.
