

BSES**BSES Yamuna Power Limited, New Delhi****Notice Inviting Expression of Interest For****Service operator at LT level for carrying out O&M and commercial activities.**

BSES Yamuna Power Ltd. (BYPL), a Joint venture between Reliance Infrastructure Limited and GoNCTD is an electricity distribution and retail supply licensee and is serving consumers in Central and East Delhi. BYPL invites Expression of Interest (EOI) from interested bidders for undertaking the role of a Service Operator at LT (Low Tension) level on a 3-5 year contract basis.

Bidder's scope shall cover assisting BYPL in various activities of electricity distribution in certain areas covering O&M, commercial / retail activities, customer service and surveillance for control of power theft with an objective to reduce T&D losses and improve operational efficiency. BYPL shall continue to supply consumable materials and capital goods.

Interested parties are requested to submit their response to the undersigned as per details which will be made available from time to time on our website (www.bsesdelhi.com).

The Expression of Interest should reach by 4.00 PM on 23rd January 2016. The EOI is to be submitted in a sealed cover superscripting "Expression of Interest for Service operator at LT level for carrying out O&M and commercial activities".

The response to Expression of Interest shall cover:

1. Bidder Company Name, Address, Date & Place of Incorporation, Company Profile
2. Group / Parent Company Profile if different from Bidder entity
3. Experience in similar work
4. Financial Strength (turnover, net worth for FY2012-13, 2013-14, 2014-15)
5. Employee Strength – total, and employees with relevant experience related to above scope of work
6. Senior Management Team description
