## Green Grid to 'power' Commonwealth Games 2010

In the run up to the Commonwealth Games 2010, BSES is setting up a 66/11 kV Grid Sub Station in the picturesque Akshardham temple. The foundation

stone for this state-of-the-art Grid station was laid by Smt Sheila Dikshit, the Hon'ble Chief Minister of Delhi on January 17, 2009 in the presence of Olympian Gurbachan Singh Randhawa.

This Rs 40 crore state-of-the-art 25 MVA 'Commonwealth' Grid will exclusively cater to the electricity requirements of the upcoming Commonwealth Games Complex. The Grid is expected to be completed before March 2010. It would also be Delhi's first Green Grid. Over 30 percent of the total Grid area will have green cover. BSES also plans to take care of the softer elements of the Grid including aesthetics and landscaping.

## BSES becomes 1st discom in Delhi to get ISO 27001: 2005 certification for IT - CM calls it a matter of pride

BSES' IT department has received the coveted ISO 27001:2005 certification for Information Security Management - becoming the first discom in the Capital and only the second in the country to do so. - "...a matter of pride for Delhi", as Smt Sheila Dikshit, Hon'ble Chief Minister of Delhi stated in her congratulatory letter.

This ISO 27001: 2005 certificate, besides benchmarking the IT systems and processes in accordance to international norms, has enormous tangible and intangible benefits for BSES' 25 lakh customers and stakeholders. Some of them include:

- Increased reliability and accuracy of data and information
- Quicker response time for customer's queries
- Increased security for customer's and other sensitive data
- Near Zero errors in billing
- Increased confidence amongst BSES' customers and stakeholders

BSES received the coveted ISO 27001: 2005 certification from the reputed Det Norske Veritas (DNV), headquartered in Norway.

## Delhi CM felicitates winners of Bijli Gyan Abhiyan

The award ceremony on February 19 at the Delhi Secretariat concluded BSES' Bijli Gyan Abhiyan - an inter-school exercise aimed at spreading awareness about energy conservation. Amidst thunderous cheer and applause from fellow students, teachers and parents, Smt Sheila Dikshit, the Hon'ble Chief Minister of Delhi gave away prizes to the winners.

The competition saw thousands of students, across hundreds of private and government schools in South and West Delhi slugging it out. As in the first edition for East and Central Delhi schools in August 2008, a total of six students - three each from private and government schools were declared winners. In addition, two students coining the best slogan on energy conservation were also selected.

BSES had gifted its BSES' Bijli Gyan Audio Visual CD - a 10 minute AV on energy conservation. Based on the Bijli Gyan AV, three rounds of intra/inter quizzes were conducted for the students of Classes 8 and 12. The winners include Dolly Gupta, Prateek Nath, Nasar Ajmera, Rishi Chowdhary, Tanmay Kumar and Mani Makkar.

## Project ARPAN - BSES donates clothes in leprosy colony

BYPL donated clothes and woolens to the residents of the leprosy colony at Sundar Nagri in East Delhi under its social campaign Arpan.

Project Arpan saw BYPL joining hands with Rehabilitation Centre for Leprosy Patients (RCL),

Department of Social Welfare, Tahirpur, to distribute the clothes / woolens to 1100 families in February 2009.
