## GYAN for trouble free house wiring

Faulty Internal wiring, besides being a serious safety hazard can also play havoc with your electricity consumption. Follow these simple dos and don'ts and enjoy years of trouble free living:

- Check your Electronic Meter's EL LED indicator. Glowing EL LED indicates one or more of the following: (i) Earth is being used as neutral; (ii) Neutral wire is touching the earth wire; (iii) Phase/ Neutral wire is mixed with a neighbours phase/ neutral wire.
- Incorrect house wiring may affect electrical safety and can cause fire and mishaps.
- As per Indian Electricity Act, 1956, ensure all electrical work, including addition, alteration and adjustment should be undertaken only by qualified and certified electrical contractors.
- Install an Earth Leakage Circuit Breaker (ELCB). This simple yet very useful device detects Earth Leakage in your house and thereby preventing major mishaps.
- Each independently metered consumer load must be directly connected to the distributing mains, only through its respective meter. If you have more than one meter installed in your building, get a qualified electrician to check that the wiring in the building is segregated.

Tune in every Friday from 06:30-07:00PM to AIR FM Rainbow 102.6MHz - "Dilli Rahe Roshan". Take part in the quiz and win prizes by sending sms to 98-101-73-550 or email narenjanman@gmail.com

## New 66/11 KV Grid at Hastal, W. Delhi

Catering to the increasing power needs of its Vikaspuri Division in West Delhi, BRPL will set-up a Rs 45 crore, 75 MVA Grid Sub Station at Hastal, Vikaspuri. The foundation stone for the Grid Sub Station – 6th in the area and 78th in its licensed area spanning 750 sq Kms - was laid by the Hon'ble Power Minister of Delhi, Shri Haroon Yusuf on February 22, 2012. Others present on the occasion included, Shri Mahabal Mishra (Hon'ble

Member of Parliament, Lok Sabha), Shri Nand Kishore Sehrawat (MLA), Smt Sarita Jindal (Councillor), Shri Parimal Rai (Delhi Power Secretary) and senior BRPL officials.

This Grid Sub Station will further improve the power supply for over 2 lakh consumers in the area.

## BRPL Lok Adalat settles over 2000 Cases

BRPL, in association with the Delhi State Legal Services Authority (DLSA), organised a two-day Special Lok Adalat, for its customers of South and West Delhi, on January 11 and 12, 2012. The Lok Adalat received an overwhelming response. Surpassing all expectations, it saw over 90% or 2018 cases, getting amicably resolved.
