Fortune India ranks BRPL as 'India's Most Admired' power discom

FORTUNE INDIA Fortune India's (One of the most admired news magazine in the country)

August 2014 issue carries its 3rd annual ranking of corporate India's most admired companies. In the run-up to the final rankings, 1523 companies – were 'long listed' in phase I of the multi-level and multi-phase evaluation criteria.

In the overall rankings (across industry sectors), BRPL has been ranked (@ no 35) as one of India's 45 most admired companies. *It is the only pure-play distribution company in this coveted list.* It shares space with acknowledged industry leaders like ITC, L&T, Hindustan Lever, TCS, State Bank of India, Tata Motors and NTPC.

In the sectoral rankings (power sector), BRPL has been ranked at No 3 and BYPL at No 5.

Over 200 consumers visit BSES' Eye Care camp

As part of its consumer outreach program, BRPL organised a free eye check up camp at Gurudwara Madipur recently in association with Dr. Kapur's 'The Healing Touch Eye'. Over 200 consumers visited the camp; 106 spectacles were distributed and around 20 cataract surgeries were facilitated.

Important Notice (In event of cheque dishonour)

As per DERC' recent Tariff Order for FY 2014-15, in case of a cheque being dishonoured, the consumer will be given one final opportunity for payment of his/her bill through cheque.

In the event, the cheque of the same consumer is dishonoured for the second time within a period of three months, the consumer will be required to make all future payments through a Demand Draft for a period of next six months.

In view of the same and to avoid any inconvenience, customers are requested to ensure that cheque issued is not dishonoured by the bank.

BSES organises 'Power Conclave' to discuss Energy Efficiency

Governments and private enterprises the world-over are working together to find effective and sustainable

ways to stretch the plant's energy resources. Close home; BSES has taken up the cause in partnership with technologists.

In this context, BRPL organised a 'Power Conclave' recently, in association with M/s Energynomics, M/s Ecolibrium Energy, GERMI (Gujarat Energy Research and Management Institute) and M/s Harsha Abakus Solar.

Besides showcasing developments in the domain of energy efficiency and DSM (Demand Side Management), the Conclave saw eminent speakers talk about developments in the field. BSES also showcased its new energy saving initiatives, like *cloud based' Consumer Portal'*, which can help consumers, especially large consumers reduce their electricity bills.

Register for free SMS Alerts and 'Bill on Email' and win prizes in Lucky Draw

Are you getting free SMS alerts from BRPL on the payment due date or payment confirmation? Or getting e-bills in your mail box? If not, please get your mobile number and email id registered with us. You will get these and many more useful alerts.
