## Happy Holi

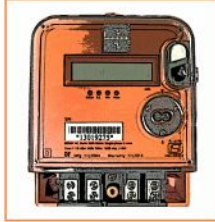

**BSES**  
BSES Rajdhani Power Limited

a joint venture with GONCTD

March - 2015

### For your safety and security, get your meter shifted to an accessible place

In the interest of your own safety, we appeal to you – our esteemed consumers to get your electricity meters voluntarily shifted to a safe, easily accessible and covered place outside the premises. For shifting their meter, consumers can call our helpline number 399 99 707. We will help complete the meter shifting formalities expeditiously.

Benefits of shifting meter to an accessible place:

- Reduces threat of unauthorized persons from gaining entry into your premises
- Reduces incidence of provisional billing due to inaccessibility of the meter
- In case of sparking or other emergencies, it is easier for electricity officials to identify and access the meter

### You can register a 'No Supply' complaint through Helpline no, IVRS & SMS

Call 24x7 399-99-707

- Call 399-99-707 from your registered contact no\*
- Select language

- Your request will be automatically registered
- If you are not calling from a registered no, please punch the CA/CRN no for registering the request

IVRS

SMS

Type BSESRP <SPACE> NC <SPACE> Your 9 digit CA no. and SMS to 5-61-61-07

### Join BRPL 'zero balance' drive. Hundreds of LEDs to be won.

Join BRPL 'zero balance' drive and get a chance to win LED bulbs. Every week lucky draws will be held, where 10 consumers from each

of BRPL' 19 Divisions will win 5 LED bulbs each. These draws will be undertaken by eminent resident's / RWA members every Saturday at 10: 30 am at the respective Division offices. Interested consumers are invited to the draw.

Names of winners would be displayed on BSES' website and Division Customer Care Centres.

To participate, all you have to do is clear all the past dues, outstanding arrears, if any, and maintain a zero balance before the date of weekly draw and so also on March 31 respectively.

**Bumper Draw\***  
3 bumper prizes to be won including 40" LED TV, Refrigerator & Washing Machine

"Eligible consumers automatically qualify for the bumper draw\*\*".

The bumper lucky draw will be held on April 6, 2015, at 10 am, at BRPL' head office at Nehru Place.

### Use power efficiently and reduce your bills

- Switch to LED bulbs. They are eight times more energy efficient than an incandescent bulb and twice as energy efficient than a CFL.
- Line windows and walls with plants to reduce air-conditioning costs by upto 40%.
- Set AC thermostat at 25 degree celsius to provide the most comfort at the least cost.
- Painting the roofs white or installing white tiles on commercial and residential roofing can cut air conditioning costs by upto 20%.
- Avoid keeping electronic appliances in the stand by mode. Switch them off from the main switch.
- Make sure the refrigerator is placed away from any heat source, including direct sunlight and walls. If the heat cannot escape, the cooling system will have to work harder and use more energy.
- Switch off your computer when not in use. Because even when it's in the sleep mode, it is consuming electricity.
- Use BEE star rated energy efficient appliances to reduce electricity consumption.
