1. How many Net Metering connections has BSES energized so far?
Ans: (a) 100 (b) 150 (c) Over 200
2. On which WhatsApp # can you send evidence of power theft?
Ans: (a) 95550 10022 (b) 399 99 707
3. At how many branches of Bank of Baroda can you pay electricity bills?
Ans: (a) 50 (b) 100 (c) Nearly 200

TIP OF THE MONTH

BSES scores a Double Century with Solar Connections

BSES has become the first discom in India to energise over 200 (206 to be precise) Rooftop Solar Net Metering connections with a sanctioned load of over 7 MW. Another 50 connections with a sanctioned load of around 1.5 MW are in the process of being energised.

Benefits of Rooftop Solar Net Metering

- Rooftop solar net metering allows consumers to generate electricity for self-consumption and sell any surplus electricity beyond their own use to the discom as per DERC guidelines
- Typical consumers recover their Return on Investment on Rooftop Solar Net Metering within 7 to 9 years

Interested consumers may Email with their CA Number & Contact Details at Netmetering.Brpl@relianceada.com

CITIZEN CORNER

Power Theft is a Social Menace - FIGHT IT

- If you witness power theft, capture the video or Photo of illegal cables/wires from BSES pole/line along with address or landmark of the premise where it is being used
- Send us the evidence and location details via WhatsApp
- Your identity will remain confidential **95550 10022**
