* For Terms and Conditions visit www.brpl.in/rram

Disclaimer - The cash-back schemes are being operated only by Paytm, Mobikwik and Mopay. BRPL is not liable for any claims on any grounds whatsoever in future in this context.

Residence is for living. For commercial activities like PG & Hostel accommodation, take a non domestic connection

We have come across several cases where 'Domestic Category' connections (at residential premises) are being used for 'Non Domestic' purposes like running Paying Guest (PG) & Hostel accommodation and Offices. This is a violation of the Electricity Act 2003 and Delhi Electricity Regulatory Commission (DERC) guideline. Such cases are liable to be booked for 'unauthorized use of electricity' / tariff violation.

For your peace of mind, we request you to get the category of the connection changed to non-domestic (from domestic) if your premise is being used for any commercial activity. For any clarification, please call our helpline number 011-399 99 999 or write-to brpl.customercore@relianceada.com.

Reasons for outages!!

BRPL strives to provide you un-interrupted power supply. Our efforts at times get constrained due to factors, many of which are beyond our control. They include:

- Low frequency in the Grid
- Breakdown of equipment at the generating units
- Low generation on account of fuel shortages at generating stations
- Breakdown / capacity constraints of transmission lines and equipment
- Over loading of the distribution system due to power-theft
- Breakdowns at the distribution level due to illegal encroachments
- Local faults and
- Planned shut downs for preventive maintenance for system improvement
