

## Delhi CM energises Delhi's 1<sup>st</sup> 2 MVA Distribution Transformer

BRPL is regularly exploring cost-effective and workable solutions for augmenting its distribution network in congested areas. After deploying an innovative solution like the Double Decker Sub Station, BRPL has now deployed Delhi's first 2 MVA distribution transformer. Delhi's Hon'ble Chief Minister Shri Arvind Kejriwal inaugurated the first transformer in Joga Bai Extension, Jamina Nagar on July 27, 2017. Others present on the occasion included, Delhi Hon'ble Power Minister Shri Satyendar Jain and Shri Amanatullah Khan, Hon'ble MLA. BRPL team was led by Shri Amal Sinha, CEO.

Now available for IOS and Android phones!

## For your safety and security, shift your meter to an accessible place

In the interest of your own safety, we appeal to you – our esteemed consumers - to get your electricity meters voluntarily shifted to a safe, easily accessible and covered place outside the premises. For shifting their meter, consumers can call our helpline number 399 99 707. We will help complete the meter shifting formalities quickly and at our cost.

### Shifting meter to an accessible place will help reduce:

- Threat of unauthorized persons from gaining access into your premises
- Incidence of provisional billing
- Time taken to identify meter/ premises during cases of sparking / other emergencies

### Register 'No Supply' complaint through Helpline No, IVRS, SMS and Mobile App

Call 24x7-IVRS	Emergency (Fire & Shock) and non LED streetlights	SMS	Mobile APP
