

BRPL' CSR program continues to positively touch lives of the under privileged in South and West Delhi. During September, they touched the lives of around 3000 people. Since April 2017, lives of around 23000 have been positively touched.

### Overwhelming response to Tobacco De addiction

During the month, BRPL organised two tobacco de-addiction camps at Chaupal, Joga Bai, Near Batla House Chowk, Okhla. Around 270 people visited the camps, of which over 150 quit the butt. Infact, the plan was to organise one camp, but because of the overwhelming response, the second camp was also organised.

### BRPL continues to impart confidence in girls

BRPL' self defence training continues to give confidence to girls. During the month, training was imparted to around 130 girls in two schools in Outer West Delhi. Recognising their participation in the seven days self defence training program, they were given certificates and school bags.

### Tree Plantation Drive to reduce Co2

Doing its bit for the environment, BRPL has planted 15000 trees in the last two month in West Delhi. Of these, over 12000 samplings, best suited for Delhi's climate, were planted in September itself. These 15,000 trees are estimated to reduce carbon dioxide by around 7.2 lakh pounds every year.

In addition to these, Adult Literacy (ALC) and Vocational Training (VT) are continuing at a steady pace. In the first six months of FY 2017-2018, around 1350 have benefitted from the ALC and around 600 from the VT.

### Residents sight is in BRPL' vision

A free eye check-up camp was successfully organized at Shiv Mandir, "Z" Block, Gopal Nagar, Jaffarpur. Around 400 residents visited the camp, where around 230 glasses and 270 medicines were distributed.
