**Subject: Continuation of Accreditation**

NABL is pleased to inform the continuation of accreditation for your **Electrical** testing facilities in accordance with ISO/IEC 17025:2005 as per the scope and authorised signatories recommended by the assessment team. The accreditation of site testing facility is also approved with effect from 11.08.2010. However, the test performed at the site facility shall be clarified.

You may continue to use NABL symbol for the accredited parameters. The accreditation is valid till 17.08.2012 subject to your satisfactory compliance to NABL requirements for maintaining accreditation.

Being an accredited laboratory of NABL you must fulfill all the Terms and Conditions laid down in our document NABL-131. You have to follow strictly NABL-133 for using NABL Symbol.

You are requested to forward a soft copy of the accredited scope (in word format) to help us out in certificate preparation.

Yours Sincerely,

  
**(Bibin Philip)**  
Accreditation Officer
