

Wishing you a very Happy New Year

SPARSH

...enlightening lives

This has been a busy time for BRPL' CSR activities. Apart from the 'Kabaddi Talent' contest (covered in the last issue of Sparsh), Eye Camps and Blood Donation Camps were also organised.

Self Defence Training in Schools

BRPL, in association Trident Tactical Private Solution, an expert agency, has started imparting self defence training (especially to girls) in schools. The first of the trainings was organised in Navyug Convent School, Jharoda Village, Najafgargh, where 75 girls were given training.

In these trainings, the participants were made aware of possible threats to them in their day to day situations along with situational analysis and suggested precautions.

Navyug Convent Sr School Principle Mrs Rajesh Yadav wholeheartedly appreciated BRPL initiative and gave a certificate of appreciation.

Blood Donation Camp

BRPL, in association with the Indian Red Cross Society (IRCS) and Deen Dayal Upadhyaya Hospital, organised two blood donation camps. These camps were organised at Andrewz Ganj and Hari Nagar offices in December and January. A total of 30 volunteers donated blood.

Eye Camps

Two eye care camps were organised in association with ICare Hospital & Post Graduate Institute, in villages of Ranholla Road (Vikaspur Nagar) and New Chupal Tikari in West Delhi. Nearly 376 patients were examined and around 277 glasses distributed.
