

BRPL' CSR programs are going from strength-to-strength. In the first nine-months of FY 2018-2019, the program positively impacted the lives of over 1.25 lakh, including over 12,000 beneficiaries in December. Women constitute well over 40% of this.

Braving Delhi's winters, colleagues donate blood

Blood is the elixir of life. Life depends on it. Playing our role as responsible Corporate Citizens and to pay homage to Shri Dhribhai Ambani on this birthday, BRPL organised a series of blood donation camps. Braving Delhi's extreme winters, 78 colleagues (and 174 in FY 2018-19) voluntarily donated blood.

Self Defence Training benefits over 50

Over 50 girls (1361 in FY 2018-19) underwent self defence training in South Delhi's Red Roses school. Trained by a former SPG Commando, the participants were also given certificates.

Eye camps give clear vision to over 900

Over 900 residents (> 5200 in FY 2018-19) benefitted from the three eye care camps organised in the Outer West Delhi in December. Of these, one was in organised in the Jaffarpur division and two in the Najafgarh division. Glasses and medicines were also distributed to over 530 residents.

Over 540 complete vocational training program, awarded certificates

During December, 543 students (753 so far) -largely women - were awarded certificates after successfully completing the latest batch of the vocational training (VT) program at BRPL' VT centres in Nangloi, Jaffarpur, Mundka and Najafgarh. Efforts are on to get them placed.

Energy Conservation: 3483 students in 26 schools sensitised

Sustainable growth cannot be achieved without the participation of residents. On its part, BRPL' CSR programs continue to sensitise students on "how to conserve electricity" through interactive workshops. During December, over 3400 students (< 13300 in FY 2018-19) from 26 schools (>400 in FY 2018-19) were sensitised.

Toilets renovated in 11 schools

BRPL' continued focus and emphasis on sanitation saw 22 toilets being renovated in 11 MCD schools (>200 in FY 2018-29) during December, benefitting over 3000 students (> 57,000 in FY 2018-19). The students were also sensitised on sanitation and personal hygiene.

Apart from these initiatives, over 4000 women (>20500 in FY 2018-2019) were sensitised and empowered in and around Joga Bai, Joga Bai, Zakir Nagar, Noor Nagar, Haji Colony, Okhla Vihar, Dhobi Ghat, Batla House, Azeem Dairy in Jamia Nagar. These programs were organised in association with Cequin (Centre For Equity and Inclusion), our NGO partner.
