For Banking of Power

On Firm Basis during May-2020 to Mar-2021

**Last Date for Submission of Bid is 31-Jan-2020 (15:15 Hrs)**

**Tender no – BYPL/PMG/FY 19-20/Tender/Banking-3 dt 20-Jan-2020**

Head (Power Management Group)  
2<sup>nd</sup> Floor, A-Block, Shakti-kiran Building  
Karkardooma, New Delhi-110092  
Ph: 011-41247779/85  
Fax: 011-41247787

## 1. Introduction and Background

BYPL is limited company incorporated under the companies Act 1956 and engaged in the business of distribution of electricity within its licensed area in NCT of Delhi. BYPL invites offers from the CERC licensed power traders / utilities for power swap arrangement for the period as per the details given below: -

Arrangement I	Supply of power to BYPL			Return of banked power by BYPL	
	Month	Time slots (Hrs)	Quantum required (MW) up to	Month	Time slots (Hrs)
	16-May-2020 to 30-Sep-2020	00-03, 14-17 & 21-24	100	01-Nov-2020 to 31-Mar-2021	00-06 & 22-24  (Or)  00-24
Arrangement II	01-May-2020 to 15-May-2020	00-03 & 12-24	50		
	16-May-2020 to 31-May-2020	00-03 & 12-24	125		
	01-Jun-2020 to 15-Jul-2020	00-05 & 10-24	250		
	16-Jul-2020 to 31-Jul-2020	00-03 & 12-24	150		
	01-Aug-2020 to 31-Aug-2020	00-03 & 12-24	150		
	01-Sep-2020 to 15-Sep-2020	00-03 & 12-24	100		

This is tentative quantity; the quantity shall be finalised at the time of letter of Award.  
Sources/bids from WR/SR shall be considered based on the WR-NR corridor availability

- Note: -**
- i) If trader/utilities prefer to offer/avail power in some other time slot, BYPL would consider the same on mutually agreed basis. However, selection/Rejection of such bids shall be at sole discretion of BYPL. (Valid LOI/Comfort letter of other utility is mandatory)
  - ii) Any other banking offer (with proper back to back LOI/comfort letter) shall be considered, if found suitable for BYPL
  - iii) Bids without relevant back to back LOI/deviation in terms & conditions of this tender shall be summarily rejected & shall not be considered for evaluation.

## 2. Return of Power:

Trader/utilities are requested to clearly indicate the Conversion Ratio in percentage, offered by them on the quantum of banked power returnable by BYPL.

Preference shall be given to the trader/utilities who will accept the return of power with minimum return percentage for Arrangement-I & Arrangement-II with minimum trading margin.

**3. Back to Back Arrangement: -**

In case the bidder is Trading Licensee if it has valid back to back Lol/ Agreement with the supplying utility, Lol/ Agreement of back to back arrangements, should be attached with the bid. It may be noted that offer without backup LOI shall not be considered for evaluation.

**4. Earnest Money Deposit:**

The prospective Bidders shall have to deposit Earnest Money (EMD) of Rs. 500000/- (Rupees Five Lac) through RTGS directly in the designated account of BYPL.

**Processing fee:** - Applicants are required to submit non-refundable processing fee of Rs 5000/- plus 18% GST in designated bank account of BYPL. Bid without processing fee or processing fee less than prescribed amount shall be rejected.

**Bank details are as follows: -**

- (i) Account Name - BSES Yamuna Power Limited
- (ii) Bank Name – AXIS Bank, Swasthya Vihar, New Delhi.
- (iii) Account No. – 911030003596085
- (iv) RTGS Code - (RTGS Code of Axis Bank UTIB0000055)

**Participation of bidders is subjected to confirmation of receipt of EMD nad processing fee by finance department.**

The bid without prescribed amount of EMD shall be rejected.

The EMD shall be refunded to the bidders whose offers are not accepted after 30 days of opening of bids without any interest. The EMD of the Bidders whose offers are accepted shall be refunded only after the said bidder(s) have released all the payments and fulfilled their obligations under this contract. No interest shall be paid on this EMD.

**Government companies/utilities/PSU/which are owned/controlled by central or state government, intend to participate directly in the tender, shall be exempted from furnishing the requisite EMD and bid processing fee.**

EMD submitted by the bidders may be forfeited under the following circumstances:

- i. In case bidder withdraws or modifies its bid during Bid Validity Period or fails to sign detailed Power Swap Agreement within 07 days from issuance of Lol (Letter of intent) to successful bidder,
- ii. During period of supply to BYPL- In case BYPL issues the Lol in favour of successful bidder, and the trader/utility fails to apply open access within stipulated time as specified in the prevailing open access regulations for advance booking of short term open access, issued/amended by CERC from time to time.
- iii. During period of Return by BYPL- In case BYPL has already availed power under the contracted banking arrangement and the bidder/trader fails to apply open access within stipulated time as specified in the prevailing open access regulations for advance booking of short term open access, issued/amended by CERC from time to time.
- iv. In case of any wilful default by the trader/utility during the return of power by BYPL leading to any surplus in the contracted returnable energy to BYPL.

**5. Submission of Bid**

The Electricity Trading Companies are required to submit photocopy of their valid license issued by CERC along with Bid Document. The Bid submitted by the Bidder and all correspondence and documents relating to the bid shall be written in the English Language.

The Bidders shall submit their bids in sealed envelopes marked "BYPL Power Swap Arrangement-for May-20 to Mar-21" and shall be sent to:

Sh. Sunil Kakkar  
Head- Power Management  
BSES Yamuna Power Limited  
Block-A, Cabin-2, 2nd Floor,  
Shakti-Kiran Building,  
Karkardooma, New Delhi-110092  
Fax No. 011-41247777/ Tel (O) – 011-41247785

**6. Contract Documents**

Subject to approval of the competent authority BYPL shall intimate the award of power swap arrangement to the successful Bidder's through a letter of Intent (LOI). Successful Bidder's shall convey their acceptance of Letter of Award within 3 days of issue of letter of Intent. Acceptance of Letter of Intent shall be construed as a binding contract. After acceptance of Letter of Intent, the successful bidder shall execute the detailed Power Swap Agreement with BYPL within 7 days of issue of Letter of Intent, inter-alia incorporating provisions of the General Terms and conditions attached as per Annexure-I.

**7. Payment Security Mechanism**

In case successful bidder is utility then, both the parties (BYPL & successful bidder) shall provide the month wise SLDC consent for open access booking in advance for scheduling of contracted power.

The schedules/applications so signed shall not be revised/ changed without consent of both the parties. However, if it becomes necessary to alter/amend the same on account of corridor congestion/change in scheduling procedure the same will also be made with mutual consent of both the parties.

**8. Compliance to the terms and conditions**

The Bidders are advised to ensure that the bid is fully compliant with the requirements specified, terms and conditions contained in the Bid Document. No deviation from these conditions is permissible and BYPL reserves right to reject any such bid with any deviations.

**9. BYPL right to accept/reject the bid**

BYPL reserve the right to reject any or all bids or to accept any bid in full or part at its sole discretion without assigning any reasons whatsoever there off. For the avoidance of doubt, it is clarified that BYPL also reserves the right to alter the time period/slots of supply & return of power, quantities of power/split the quantities of power as fully described in clause 1, amongst more than one selected bidder for the same month.

The decision of BYPL shall be final and binding on the bidders in this respect and no further correspondence shall be entertained by BYPL in this regard. The participation of any bidder shall be at their own cost and risks.

• **10. Modification of the Bid Documents**

BYPL reserves the right to modify terms and conditions of the Bid Documents prior to the submission of the bid by the bidder by issuing amendment(s) and such amendment(s) shall form part of bid documents.

**11. Bid Validity Period**

The offer shall remain valid for a period of 30 days from the date of opening of bid ("Bid Validity Period") and the Bidders shall have no right to withdraw the offer or alter any terms and conditions during the period of validity. In case the bidder withdraws or alters any terms and conditions during the period of validity, EMD submitted by the bidder shall be forfeited.

**12. Submission of the Bid**

The tender may be submitted in the office of Head-Power Management Group, Shakti-Kiran Building, BYPL Corporate Office, Karkardooma, New Delhi-110092, on or before by "31-Jan-20" at 15:15 hrs and the bids will be opened on the same day at 15:30 hrs. The Venue for the tender opening shall be "Board Room, 1st Floor, ShaktiKiran Building, Karkardooma". The representatives of the participating parties may be present at the time of opening of the bid, if they so desire.

**13. Governing Law**

Subject to the statutory provisions for arbitration under Electricity act 2003, all other differences or disputes between the parties arising out of or in connection with this "bid document" shall be settled through arbitration subject to the provision of arbitration and conciliation Act 1996. The venue for arbitration shall be New Delhi.

**14. Jurisdiction**

Matters arising out of or in conjunction with the Bid/offer Documents and/or the bidding process shall be governed by and construed in accordance with Indian Law and the courts of New Delhi shall have exclusive jurisdiction.

**15. Change in Law**

In case of change in law or restriction imposed by Regulator (Central / State) or Government or Appellate Tribunal/ High Court/ Supreme Court on any aspect for sale, purchase or banking of power, the same shall be binding on both the parties.

**16. Contact Person:**

*For any clarification in this regard, please contact*

Thanking you,

Yours Sincerely

**Sunil Kakkar**

**Head -Power Management, BYPL**

**Annexure-I: General Terms and Conditions**

Terms and conditions for power swap arrangement are as under: -

**I. Period, Time slot & Quantum of Power:**

BYPL shall supply/avail the power as per following details:

Arrangement I	Supply of power to BYPL			Return of banked power by BYPL	
	Month	Time slots (Hrs)	Quantum required (MW) up to	Month	Time slots (Hrs)
Arrangement II	16-May-2020 to 30-Sep-2020	00-03, 14-17 & 21-24	100	01-Nov-2020 to 31-Mar-2021	00-06 & 22-24  (Or)  00-24
	01-May-2020 to 15-May-2020	00-03 & 12-24	50		
	16-May-2020 to 31-May-2020	00-03 & 12-24	125		
	01-Jun-2020 to 15-Jul-2020	00-05 & 10-24	250		
	16-Jul-2020 to 31-Jul-2020	00-03 & 12-24	150		
	01-Aug-2020 to 31-Aug-2020	00-03 & 12-24	150		
	01-Sep-2020 to 15-Sep-2020	00-03 & 12-24	100		

**Return of Power:**

If trader/utilities prefer to return the banked energy in some other time slot, BYPL would consider the same based on mutually agreed basis. However, selection/Rejection of such bids shall be at sole discretion of BYPL.

**2. Delivery point: -**

The Delivery Point in either case shall be at Regional Periphery of exporting utility.

**3. Open access, Transmission Charges & Losses:**

**a) Upto Delivery Point:**

When BYPL is exporting: All Open Access Charges Upto delivery point including SLDC application fee, SLDC Operating charges, PoC injection charges, Delhi STU charges etc. and all transmission losses including PoC Injection Losses shall be borne by BYPL.

**b) Beyond Delivery Point:**

When BYPL is importing: All Open Access Charges beyond delivery point including SLDC/RLDC Application fee, SLDC/RLDC Operating charges, PoC drawl charges, Delhi STU charges and all transmission losses including PoC drawl losses shall be borne by BYPL.

- Any other charges/losses, other than specified above shall be to the account of the successful bidder/Trader. Any Taxes, duties & Cess etc. if becomes applicable, shall be borne by the bidder.

#### **4. Scheduling:**

The successful trader/BYPL shall apply open access for the entire contracted quantum for all the blocks of the contracted period immediately after the receipt of Lol from BYPL as per the time line stipulated in CERC open access regulations/guidelines in force, presently 3 months in advance.

Scheduling of power shall be as per CERC Open Access Regulations, CTUs Open Access procedure and IEGC in vogue and shall include the following:-

(i) Both importing and exporting utility shall schedule power in full, except in case of transmission constraints. The scheduling and dispatch of the power shall be coordinated with the respective RLDCs as per the relevant provisions of IEGC and the other decisions of RLDC and RPCs.

(ii) Scheduling of power should be uniform throughout the block period filled in the tender document subject to Open Access approval received from nodal RLDC.

(iii) Both the entities shall obtain the concurrence of their respective SLDC required for short term open access. Recipient utility shall apply for STOA as per short term scheduling procedures along with the SLDC consent and pay the open access charges as per rules. The recipient utility shall provide the SLDC concurrence in advance to BYPL.

(iv) The supplying utility shall reimburse the open access and scheduling charges if any before delivery point, to recipient utility within 7 days after receiving the bill.

(v) In case of cancellation of corridor by RLDC due to system constraints, the refund received by recipient utility from RLDC, if any, against supplying State's Open Access Charges shall be refunded within 7 days of receipt from the Nodal RLDC

(vi) In case of re-routing of open access corridor due to congestion/system constraints, the additional charges involved shall be borne by recipient utility.

#### **5. Contract Security Mechanism:**

BYPL shall provide the SLDC consent in advance against the power received under banking transaction. The trader/ Utility shall apply for the open access corridor on advance basis/ FCFS basis for the return of banked quantum.

#### **6. Settlement Rate:**

Energy will be exchanged with energy only. If the energy is exchanged between BYPL and trader/ utility in the desired proportion no monetary transaction will take place. However

##### **Arrangement I & II –**

i. In case Successful bidder (Trader/Utility) fails to supply the contracted returnable energy during a month, owing to Transmission constraints & other force majeure conditions, the balance energy for that month shall be returned to BYPL, as per mutual consent.

ii. In case quantum of power to be returned by BYPL is less than 99.5% of power returnable by it, the differential energy will be settled at the rate of Rs 4.00/kwh.

iii. In case quantum of power to be returned by BYPL is more than or equal to 99.5% and less than 100% of power returnable by it, the differential energy will be settled at the rate of Rs 3.00/kwh.

## **7. Energy Accounting:**

- (a) For the power availed by BYPL during the entire month, the trader/BYPL shall submit certified energy statement to BYPL based on the REA issued by the NRPC along with relevant extract of REA highlighting the details of transaction.
- (b) For the return of banked power to trader/utility by BYPL during the entire month, the trader/utility shall issue a certified energy statement based on the REA issued by Nodal RPC along with relevant extract of REA highlighting the details of transaction.
- (c) Once all the transactions are completed, trader/utility shall prepare a final energy account showing the supply and return of power in energy terms (MUs).
- (d) Accounting of energy exchange will be carried out by trader / utility on the basis of implemented schedule / final revision by Northern Regional Load Dispatch Centre and respective Regional Load Dispatch Centre subject to final reconciliation on the basis of Regional Energy Accounts issued by NRPC and respective Regional Power Committee at the end of contract period. Final reconciliation certificate shall be raised on the basis of REA adjustment, if any.

## **8. Payment & late surcharge:**

All payments against Trading margin, Open Access bills and adjustment of energy bill shall be made within 7 working days from the receipt of bill. Bill received after 12:00 hrs shall be considered to be received on next working day and shall be processed accordingly.

However, for delay in payment beyond 30 days from the issuance of bills, surcharge will be applicable @ 1.25% per month. The surcharge shall be calculated on day-to-day basis.

## **9. Compensation for default:**

(i) The traders/Utility shall apply for obtaining Open Access approval from the nodal agency for booking of corridor for contracted quantum on three-month advance basis. In case successful trader/utility fails to apply for open access on three-month advance basis then compensation shall be levied on 100% contracted quantity @ Rs.1.00/kWh.

(ii) Without prejudice to the provisions of force majeure, if BYPL fails to schedule power equal to the 85% of the monthly (calendar month) energy, for which Open Access is initially approved then the BYPL shall pay compensation @ Rs 1.00/Kwh (One per Kwh) for the difference (shortage) quantity to trader/utility. Similarly, if trader/utility does not supply the power equal to 85% of monthly (calendar month) energy for which Open Access is initially granted, then trader/utility shall pay compensation @ Rs 1.00/Kwh (One per Kwh) for the difference (shortage) quantity to BYPL. The compensation, as mentioned above, shall also be applicable for return of power by BYPL to trader/utility.

At the time of final settlement, the amount of compensation paid by the trader/ utility/ BYPL, if any, shall be adjusted.

(iii) In case of revision/cancellation of approved open access corridor, the party seeking revision / cancellation of open access corridor shall bear all the open access charges as applicable under Inter-State Open Access Regulations from the injection point till the point of drawl applicable due to such surrender/cancellation.

## **10. Trading Margin:**

The trader (i.e. bidder) is required to specify the trading margin inclusive of all taxes, for the quantum of power supplied to BYPL. However, the trading margin will not be more than Paisa 4.0/kwh. No trading margin will be allowed on the quantum supplied by BYPL. In case the offers of different bidders have the same provision for return of power, then the offer of the bidder with lesser trading margin shall be preferred.

### **11. Force Majeure**

The parties shall ensure due compliance with the terms of the agreement. However, no party shall be liable for any claim for any loss or damage whatsoever arising out of the failure to carry out terms of the agreement to the extent that such a failure is due to Force Majeure events like rebellion, mutiny, civil commotion, riot strike, lock-out, natural calamity, act of God and technical constraints / transmission constraints imposed by RLDC / RPC. But any party claiming the benefit of this clause shall fully satisfy the other party of the existence of such event and give written information to the other party within 24 hours of such Force Majeure. Supply / drawl of power shall be resumed immediately by the parties concerned after such eventuality has come to an end or ceased to exist.

(To be given on the official letter Head of the Bidder)

Bid for banking of power
