MCD permissions and Fire Safety Clearance a must for all schools and coaching centres

According to the directions of the Hon'ble High Court of Delhi, educational establishments like coaching centres and schools have to provide MCD permission and Fire Safety Clearance at the time of applying for a new connection.

Further, all the existing educational institutions like coaching centres and schools are advised to ensure that they are in compliance of the fire safety norms and have a valid MCD permission. Without these, electricity is liable to be disconnected.
