

BYPL organises virtual meetings with around 250 RWAs

Connecting with consumers is a responsibility, BSES takes very seriously. In continuation of these efforts, BYPL recently has launched a unique initiative to organise virtual online meetings with its RWAs. Since launch of the platform around a couple of months ago, virtual meetings with around 250 RWAs have been organised in East and Central Delhi.

Team BYPL does its bit in the fight against Corona virus

Team BYPL, under its CSR initiatives, donated 2865 ration kits to needy families in Yamuna Vihar, Karawal Nagar, Nand Nagri and Krishna Nagar.

Through the contributions made by BYPL employees, hygiene kits have been provided to over 800 families in Seelampur, GB Pant, Noor-e-Ilahi and Trilokpuri areas.

BYPL employees also donated a one-day salary towards CM relief fund as Covid relief measure.

Follow simple tips to stay safe during the rainy season

Much to everyone's delight, Monsoons are here again! With them, Monsoon also brings with itself, its own set of unique problems and issues due to water-logging. Chances of electricity related mishaps and incidents are especially high during the monsoon season. Simple precautions will help you stay safe and go a long way in ensuring incident free monsoons.

- Stay away from all electrical installations like electricity poles, sub-stations, transformers, streetlights etc
- Caution children not to play near them, even if they are barricaded.
- Do not touch electrical appliances with wet hands
- Keep a "Tester" at home. If a switch or a wall of your house is wet, do not touch it. First use the "tester" to check if there is an electricity leakage. If the need be, call your electrician.

Now, go solar for just Rs 22,200* per kW

In a short span, BYPL has energised over 450 rooftop solar connections – with a connected solar load of over 22 MW – in Central and East Delhi. Consumers across categories, including residential and CGHS, have warmed up to roof top solar net metering in big-way. It is an ideal method to reduce electricity bills and do your bit for the environment.

The much awaited Solar PV Rooftop Scheme under MNRE's phase 2 guidelines (with support of the Delhi Government) is now available for consumers. Now, a residential consumer can get a subsidy of upto 40% for going-solar. For details you can make a call on 19122.

**Price per kW, upto a 3 kW connection*

Simply WhatsApp and get your bill

Getting your electricity bill on WhatsApp is so simple now.
Bill [SPACE] 9 digit CA No. and send to 8745999808
