

## BYPL' CSR initiative "Suraksha"

Complementing the efforts of the government machinery, BYPL through its CSR initiative "Suraksha" handed over 30 sanitiser vending cum thermal scanning machines for Delhi Police offices and stations in East and Central Delhi. These machines were handed over by BYPL CEO Mr PR Kumar to Mr Alok Kumar, IPS (Jt. Commissioner, Delhi Police) in an event at DCP office, Shahadara. Mr Amit Sharma, IPS (DCP, Shahadara District), senior district police officers and BYPL officials were also present on the occasion.

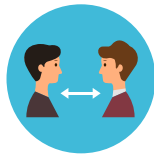

In a similar programme organised at BYPL Head Office Karkardooma, 2 lakh gloves, 1.5 lakh three-ply masks and 200 Oximeters were handed over by BYPL CEO Mr PR Kumar to EDMC' Additional Commissioner Dr Mukesh Director Health, Mr. R Kumar, District Commissioner Shahdara and Mr A Neduchezhiyan, Deputy Commissioner Shahdara South Zone, for the EDMC staff. Senior EDMC and BYPL officials were also present on the occasion.

## Prevention is the only 'vaccine' against Covid-19

Just because the restrictions are easing, does not mean that the danger of Covid is over. It is not. Measures to stay safe that were true a few months ago still remain the only 'vaccinations' against the Corona virus.

Wear mask

Maintain social distancing

Wash / sanitise hands frequently

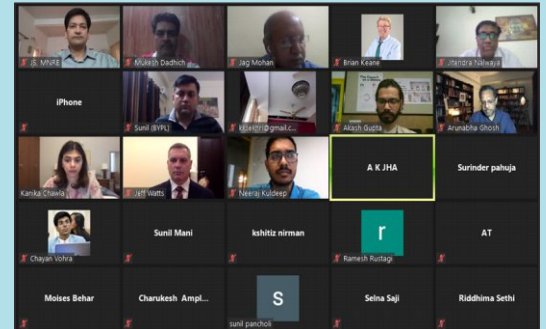

Avoid unnecessary gatherings / get-togethers

## Go Digital. Stay Safe

You don't need to visit a BSES office for availing our services! You can do so from the comfort of your home using digital self-service touch points like the BSES Website, Mobile App, WhatsApp, Email, Call Centre and SMS. Our services are now at your fingertips!

## BYPL expands Solar City Initiative, launches 'Solarise karkardooma'

BYPL is committed to aggressively promote roof-top solar in East and central Delhi. Taking this commitment further, BYPL has expanded its Solar City Program by launching 'Solarise Karkardooma', an ambitious community-based demand aggregation program. Depending on the result, the program may also be launched for other BSES areas.

The 'Solarise' program was unveiled in a virtual ceremony in the presence of the senior BYPL officials. Also present in the ceremony were senior officials from the MNRE, EE & REM, US Embassy, CEEW, and solar vendors and RWAs representatives.

This initiative has been rolled-out by BYPL in partnership with SmartPower, a US based non profit organisation focused on local community campaigns to increase consumer adoption of clean energy, WeeGreen and Council on Energy Environment and Water.
