

## Simple precautions for a bright festive season

Just because the restrictions are easing and the festive season is here, does not mean that the danger of Covid is over. It is not. Measures to stay safe that were true a few months ago still remain the only 'vaccinations' against the Corona virus. Be extra cautious during the festive season.

Wear mask

Maintain social distancing

Wash / sanitise hands frequently

Avoid unnecessary gatherings / get-togethers

Celebrate festivals virtually

## Go Digital. Stay Safe

You don't need to visit a BSES office for availing our services! You can do so from the comfort of your home using digital self-service touch points like the BSES Website, Mobile App, WhatsApp, Email, Call Centre and SMS. Our services are now at your fingertips!

## Don't let DG sets add smoke to your celebrations

In the wake of rising pollution, like last year, the Environment Pollution Control Authority (EPCA) has banned the use of Diesel Gensets in Delhi. BSES consumers need not worry. You can get a prompt and hassle-free temporary electricity connection for functions, marriages, religious gathering and many other purposes. It is cheaper, safer, noise and pollution free.

To get a tatkal\* temporary electricity connection:

- Call BYPL: 19122 (toll-free number) or
- Apply and pay on BSES' website [www.bsesdelhi.com](http://www.bsesdelhi.com) / Mobile App

\*Terms and Conditions Apply

## Now, go solar for just Rs 22,200\* per kW

In a short span, BYPL has energised over 450 rooftop solar connections – with a connected solar load of over 22 MW – in Central and East Delhi. Consumers across categories, including residential and CGHS, have warmed up to roof top solar net metering in big-way. It is an ideal method to reduce electricity bills and do your bit for the environment.

The much awaited Solar PV Rooftop Scheme under MNRE's phase 2 guidelines (with support of the Delhi Government) is now available for consumers. Now, a residential consumer can get a subsidy of upto 40% for going-solar. For details you can make a call on 19122.

\*Price per kW, upto a 3 kW connection
