

Reliance Infrastructure led BSES signs 510 MW of 'Green' Power with SECI

Reliance Infrastructure led BSES discoms are committed to a green and sustainable future. Championing the cause of renewable energy, Reliance Infrastructure led BSES discoms have inked Power Sale Agreements with SECI (Solar Energy Corporation of India) to procure 510 MW of solar and bundled hybrid power. Of the total quantum of 510 MW, 300 MW is solar power and 210 MW, hybrid power.

Reliance Infrastructure led BSES discoms have become the first discom in Delhi and among only a handful in the country to procure hybrid power. Inked for a period of 25 years, the solar and hybrid (mix of solar and wind) power is expected to be available to BSES discoms, 18 months after signing of the agreement at a very competitive tariff of Rs 2.44 per unit for solar and Rs 2.48 per unit for hybrid determined through an e auction.

Don't let your guard down in the fight against Covid-19!

Just because the restrictions have once again started to ease, does not mean that the danger of Covid is over. It is not. Measures to stay safe that were true a few months ago still provide safety from Covid. For complete protection, take precautions even after vaccination!

Wear mask

Wash / sanitize hands frequently

Maintain social distancing

Get vaccinated

Go Digital

You need not visit a Reliance Infrastructure led BSES office for availing a service!!

You can do so from the comfort of your home using digital self-service touch points like the BSES Website, Mobile App, WhatsApp, Email, Call Centre and SMS.
