AUGUST - 2025

Greetings from the Sparsh family! At BYPL, our strength lies in the trust and partnership we share with the communities we serve. Sparsh is more than just a newsletter — it is a reflection of our shared journey towards compassion, inclusion and meaningful progress.

August 2025 was truly special for all of us at BYPL. It was a month filled with milestones that celebrated compassion, care and community.

BYPL continued to make a positive impact through diverse CSR initiatives. A two-week Solar PV Installation Program in Ambala equipped 19 army veterans with practical skills in renewable energy. At Seniors' Abode, residents benefited from a fire safety training session by Delhi Fire Services and showcased

their talents through a Raksha Bandhan exhibition-cum-sale generating ₹20,000. Under Dhaga Vishwas Ka, women artisans participated in a successful exhibition at Pragati Maidan on National Handloom Day, drawing over 85 visitors. The BSES Basketball Academy engaged 379 students across centres, celebrated International Youth Day with a quiz and 3x3 matches, and marked achievements with players selected for state-level championships and school teams excelling in zonal tournaments.

This edition of Sparsh brings these inspiring stories and more, reminding us of the difference we can make together.
