CSR NEWSLETTER

JUNE - 2026

Welcome to this edition of **Sparsh**, highlighting BYPL's ongoing commitment to community welfare and social responsibility. This month's initiatives spanned healthcare, education, and environmental sustainability. Senior citizens at BSES Seniors' Abode benefited from a TB screening camp and a dedicated yoga session, while GB Pant and RML Hospitals received

advanced medical equipments to strengthen patient care. Meanwhile, young minds engaged in hands-on STEM learning through the ATL Summer Programme, gaining practical skills in robotics and circuit design. We hope you find this edition of Sparsh insightful as it highlights these and many more CSR initiatives undertaken during the month.

BYPL Celebrates World Environment Day

BYPL celebrated World Environment Day on June 5, 2026, with the participation of 40 students, 15 senior citizens, BSES officials, National Highways Authority of India (NHAI) representatives, and the Give Me Tree Trust (GMTT) team, an NGO partner. Participants took part in various activities, including plantation drive, nature walk, leaf painting, and bird nest-making. Through these engaging and enjoyable activities, they gained valuable insights into biodiversity conservation, environmental stewardship, and the importance of protecting natural ecosystems. The programme concluded with the distribution of certificates to all participants.

Three LigaSure Systems Donated to GB Pant Hospital

BYPL donated three LigaSure surgical systems to GB Pant Government Hospital on June 11, 2026, enabling safer and precise surgical outcomes while strengthening the delivery of quality public healthcare.

The formal handover ceremony was attended by the hospital's senior leadership, including Dr. Pooja Sakhuja (Director), Dr. Harpreet Singh (Director, Professor & Head – CTVS), and Dr. S. E. Naqvi (Professor), along with the BYPL team, marking another step towards strengthening public healthcare services.

Public Healthcare Gets a Boost: ICU Monitors Donated to RML Hospital

Eight ICU patient monitoring devices were donated to RML Hospital on June 12, 2026, strengthening critical care and public healthcare services.

The formal handover ceremony was attended by the hospital's senior leadership, including Dr. Akhilandeshwari Prasad (Director) and Dr. Dinesh Kumar (Head, Department of Pediatrics), in the presence of the BYPL team.

BSES Felicitates Agniveers for Completing Drone Pilot Training

BSES organised a certification and felicitation ceremony at Delhi Cantonment to honour 30 Indian Army Agniveers on the successful completion of the Drone Pilot Training Programme. The initiative equips retiring Agniveers with drone operation skills relevant to the industry, supporting their transition to various career opportunities.

A total of 283 Army veterans and Agniveers have been trained under the programme so far. The hands-on training prepares participants for roles across sectors such as agriculture, surveillance, mapping, infrastructure inspection, disaster response, and aerial photography / videography.

The ceremony was attended by Commanding Officer Col. A.K. Payal and senior CSR representatives from BSES, who congratulated the participants and spoke about the programme's role in supporting skill development and future opportunities for veterans.

Empowering Youth through Sports & Wellness

Four players from the BSES High Performance Centre, representing New Friends Club, secured the Runner-up Trophy at the Delhi Under-16 State Championship, reflecting the players' dedication and disciplined training.

Separately, the BSES Basketball Academy marked International Yoga Day with yoga sessions at its centres in IP Extension, Fatehpur Beri, and Begumpur. A total of 119 young players took part in the sessions, which focused on physical fitness, flexibility, and discipline.

Senior Health Supported with TB Screening and Yoga Day Session

BYPL organised a Tuberculosis (TB) screening camp for residents of BSES Senior's Abode, supporting preventive healthcare and early diagnosis. The initiative enabled timely health assessments and encouraged greater awareness about TB prevention among residents.

BSES Seniors' Abode also marked International Yoga Day with a yoga session focused on physical fitness and flexibility. Guided by instructors, residents took part in yoga asanas and breathing exercises.

ATL Summer Learning Programme Sparks Innovation among Young Minds

As part of its CSR commitment to strengthening Atal Tinkering Labs (ATL), BYPL conducted an online summer learning programme during the school vacation to encourage STEM learning among students.

A total of 115 students participated across two batches. The Beginner Batch worked on Tinkercad, electronic components, and basic circuits using potentiometers and LDRs. The Advanced Batch worked on projects such as Smart Parking Systems, LED Fade Effects and Pattern Design, Obstacle Detection Systems, and circuit programming.

The hands-on, project-based programme helped students build problem-solving and coding skills.

Animal Birth Control and Anti-Rabies Drive Held across East Delhi

As part of its Animal Birth Control (ABC) and Anti-Rabies Vaccination Programme, BSES sterilized and vaccinated 500 dogs and 150 cats across East Delhi this month. The initiative aims to support responsible animal population management and reduce the risk of rabies.

By combining sterilization with preventive vaccination, the programme supports a safer environment for both residents and stray animals.
