

Great Place to Work® - A Culture Built Together

BSES Discoms have once again been certified as a Great Place to Work®, marking the second consecutive year of this recognition.

This honour reflects the trust, collaboration, and shared purpose that employees across BSES bring to work every day. Higher participation and an improved Trust Index reaffirm a strong, inclusive culture — one built on respect, commitment, and belief in one another. At BSES, excellence is defined not only by the power we deliver to the city, but by the people who power the organisation from within.

From Delhi to Colombo to Taipei — Excellence Without Borders

BSES continues to set global benchmarks in quality and innovation. This triumph comes close on the heels of last year's stellar international performance. At ICQCC 2024 in Colombo, Sri Lanka, BSES had won 5 Gold Awards, reinforcing its growing global footprint and consistent leadership on world quality platforms.
