Sub: Fuel and Power Purchase Adjustment Surcharge (FPPAS) for April, 2026

Ref: Delhi Electricity Regulatory Commission (Terms and Conditions for Determination of Tariff) (Second Amendment) Regulations, 2026

Dear Sir,

We write to you with reference to Regulation 134 of Delhi Electricity Regulatory Commission (Terms and Conditions for Determination of Tariff) Regulations, 2017, as amended by the Delhi Electricity Regulatory Commission (Terms and Conditions for Determination of Tariff) (Second Amendment) Regulations, 2026 (**Amended Tariff Regulations, 2026**), which provides for the mechanism for recovery of Fuel and Power Purchase Adjustment Surcharge (FPPAS). Relevant portion of Regulation 134, as amended by the Amended Tariff Regulations, 2026 is reproduced below:

"(b) FPPAS shall be calculated and billed to consumers, automatically, without going through regulatory approval process, on a monthly basis, according to the formula, prescribed by the Commission in these Regulations, subject to true up, on an annual basis:

Provided that the automatic pass through shall be adjusted for monthly billing in accordance with these Regulations.

(g)

Provided that the Distribution Licensee shall also make monthly submissions of the detailed FPPAS computations in the formats specified by the Commission. Further, Statutory Auditor's certificate on quarterly basis with monthly breakup of power purchase cost indicating plant wise details of fixed charges, variable charges, other charges, units billed by each plant/source and actual transmission

Sub: Fuel and Power Purchase Adjustment Surcharge (FPPAS) for April, 2026

Ref: Delhi Electricity Regulatory Commission (Terms and Conditions for Determination of Tariff) (Second Amendment) Regulations, 2026

Dear Sir,

We write to you with reference to Regulation 134 of Delhi Electricity Regulatory Commission (Terms and Conditions for Determination of Tariff) Regulations, 2017, as amended by the Delhi Electricity Regulatory Commission (Terms and Conditions for Determination of Tariff) (Second Amendment) Regulations, 2026 (**Amended Tariff Regulations, 2026**), which provides for the mechanism for recovery of Fuel and Power Purchase Adjustment Surcharge (FPPAS). Relevant portion of Regulation 134, as amended by the Amended Tariff Regulations, 2026 is reproduced below:

“(b) FPPAS shall be calculated and billed to consumers, automatically, without going through regulatory approval process, on a monthly basis, according to the formula, prescribed by the Commission in these Regulations, subject to true up, on an annual basis:

Provided that the automatic pass through shall be adjusted for monthly billing in accordance with these Regulations.

(g)

Provided that the Distribution Licensee shall also make monthly submissions of the detailed FPPAS computations in the formats specified by the Commission. Further, Statutory Auditor's certificate on quarterly basis with monthly breakup of power purchase cost indicating plant wise details of fixed charges, variable charges, other charges, units billed by each plant/source and actual transmission

charges and other relevant information/details for (n-2)th month shall also be furnished to the Commission.

(h) The Distribution Licensee shall publish all details including the FPPAS formula, calculation of monthly FPPAS and recovery of FPPAS on its website and archive the same through a dedicated web address. ”

In light of the above, while BYPL reserves its rights to challenge the Amended Tariff Regulations, 2026, the FPPAS for the period April, 2026 is computed at **35.26%** in terms of the formula prescribed in the Amended Tariff Regulations, 2026. Moreover, in terms of Rule 14 of Electricity Rules, 2005 (as amended by the Electricity (Amendment) Rules, 2022), computed FPPAS for April 2026 yields the same figures. Since no formats have been specified by the Hon'ble Commission yet for monthly submission, BYPL submits the detailed computations, enclosed as **Annex – 1**. Power Purchase Audited statement and SLDC summary of monthly energy accounts of DISCOM for April 2026 are enclosed as **Annex – 2**. Soft copy of PPAC computation along with Power Purchase Bills of Apr'26 has been enclosed in Pen drive as **Annex-3**.

Additionally, this Hon'ble Commission vide its Tariff Order dated 30.09.2021 for BYPL had considered a PPAC of 7.43% equivalent to Rs. 512.14 Cr. for meeting the revenue gap arising in the Annual Revenue Requirement (ARR) for FY 2021-22. The relevant extracts are under:

“Table 4.71: Commission Approved: Revenue (Gap) for FY 2021-22 (Rs. Cr.)

Sr. No.	Particulars	Amount
A	ARR	4461.43
B	Carrying Cost for FY 2021-22	280.15
C	PPAC Cost Subsumed	18.40
D	Revised ARR	4759.98
E	Revenue at Revised Tariff	4259.40
F	Revenue from PPAC	512.14
G	Total Revenue	4771.54
H	Revenue (Gap)/ Surplus	11.56

.....”

As it is evident from the above table, entire FPPAS of 7.43% has been utilized to meet the fixed cost recovery forming part of ARR of FY 2021-22. In the past, the Hon'ble Commission has allowed PPAC through quarterly approval orders including 7.43%. As such, there is still under recovery of these amounts, which, in the past, the Hon'ble Commission has been allowing in the quarterly PPAC, over and above the incremental PPAC for the quarter in question, at the rate of 7.43%.

In view of the above, the actual FPPAS required for recovering of the Power Purchase Cost is 42.69% (i.e.35.26% + 7.43%) in terms of Regulations of the Hon'ble Commission and in terms of Rule 14 of Electricity Rules, 2005 (as amended by the Electricity (Amendment) Rules, 2022).

Accordingly in view of the above and in terms of Regulation 134(d) of the Amended Tariff Regulations, 2026, BYPL is levying 10% (capped) FPPAS for one month with effect from 01.06.2026 onwards.

The above is subject to outcome of representation / IA / Petition (Q3-Q4 PPAC) pending before the Hon'ble Commission.

The above is submitted for the kind information of the Hon'ble Commission without prejudice to the rights and remedies available to BYPL under law.

Thanking you,
Yours sincerely,

For BSES Yamuna Power Limited
