**BSES** Rajdhani Power Ltd  
Yamuna Power Ltd

...a joint venture with GONCTD July - August 2009

Dear Consumer

Greetings,

Your company has made all the necessary arrangements required to supply you 24 x 7 quality and reliable electricity. Our efforts at times get constrained due to external factors, which are beyond our control - like Low frequency, Grid constraints, Overdrawal by neighboring states and Outages. However, we remain alert and committed to ensure uninterrupted power supply and seek your support to assist our staff while they attend to breakdowns. In case you have any electricity supply related issue, please call your Divisional Manager (Operations and Maintenance). (See box)

Sincerely,

  
Arun Kanchan  
CEO

Electricity theft is a criminal offence. Anyone caught stealing power faces charges under Section/s(135, 138 and 150) of the Indian Electricity Act, 2003 and section 420 of the Indian Penal Code (IPC).

These offences - ranging from direct theft to tampering of meters - carry an imprisonment upto 3 years, fine or both.
