BSES Yamuna Power Limited

...a joint venture with GONCTD

Jan - Feb 2012

Tune in to "Dilli Rahe Roshan" Every Friday evening on 102.6MHz

Starting October 28, 2011, CEO's and senior officials of BYPL, BRPL and NDPL are on 'AIR' every Friday to answer queries from listeners across Delhi and India. All three Delhi discoms are jointly participating in an interactive consumer awareness program on Delhi power issues. 'Dilli Rahe Roshan', the program is on air (between 6:30 pm to 7 pm) every Friday, on AIR FM - Rainbow (102.6 MHz).

Tune in to know the facts on various power distribution business aspects, success stories and improvement in the Delhi power distribution sector.

Participate send your feedback on sms at 9810173550 or email narenjanman@gmail.com to win prizes like several other lucky participants!

BYPL Wins India Power Award for Energy Conservation

In the recently concluded 4th India Power Award, promoted by the Council of Power Utilities, BSES Yamuna Power Limited was presented an award for 'Energy Efficiency & Conservation'. Mr. Vijay Lal, Vice President

HR accepted the award on behalf of BYPL.

Last year, the 3rd India Power Award was presented to BSES discoms for "Overall Utility Performance in Urban Areas".

BYPL' Lok Adalat settled 1175 cases

BYPL, in association with the Delhi State Legal Services Authority (DSLISA), organized a one-day Mega Lok Adalat, for its customers in East and Central Delhi, on Saturday, December 10, 2011.

The Lok Adalat received an overwhelming response. A total of 1175 cases / litigants availed this one-time opportunity by the Lok Adalat for an amicable and on the spot settlement of cases. Power theft cases relating to both direct theft and meter tampering (DAE) were resolved.

MV residents top list in adopting LED/CFL

The two month BYPL tie up with Osram for LED/CFL discounted price promotion received an enthusiastic response. Over 5000 LED & CFLs were bought by consumers. Mayur Vihar 1 & 2 topped the list by purchasing 972 LEDs and CFLs, Jhilmil residents followed with 856 and Mayur Vihar 3 with 493 LED and CFL purchases.

If for every CFL & LED bought during the two month promotion consumers replace a 40 watt bulb with minimum 8 hour usage the savings translate to an impressive 392,690.652 kwh a year. This means we can avoid burning of around 4lakh tonnes of coal and a CO₂ reduction of 3.28 lakh tonnes.

| SNo | Division | Sale of LEDs and CFLs |
|-----|----------------|-----------------------|
| 1 | Mayur Vihar | 972 |
| 2 | Jhilmil | 856 |
| 3 | Mayur Vihar-3 | 493 |
| 4 | Daryaganj | 341 |
| 5 | Dilshad Garden | 330 |

BSES offers largest Network of e-charge ports for electric vehicles

Auto Expo is here and many car manufacturers will be showcasing their eco-friendly electric cars.
