

Monthly Bills To Help Better Manage Your Monthly Budget!

Starting February 2014, BYPL has adopted monthly billing for all its 13.7 lakh consumers.

The decision on monthly billing for all categories of consumers is based on extensive feedback from customers, and in line with current international practices. It gives due importance to consumer priority as every household plans its budget on a monthly basis.

Consumers will continue to get all the benefits they are presently

enjoying with bi-monthly billing. For instance, customers will continue to get 15 days before the due date to pay their electricity bills.

Subsidy and slab benefits remain unchanged.

Other Advantages of Monthly Billing:

- Allows consumers to better manage their monthly expenses

- Helps consumers to better align their electricity bills with other bill schedules

- Frequent, timely information enabling consumers to moderate usage and adopt energy conservation

BYPL has established a dedicated 'option' on its existing 24 x 7 helpline number 011-399-99-808 for all queries on monthly billing.

BYPL Organises Women Self Defence Classes

As part of CSR initiative - together with teams from **Delhi Police Special Unit for Women & Children Nanakpura**, BYPL organised Women Self Defence classes in its area. All participants were given a certificate at the end of the 10 day training. So far close to 500 participants have

benefited from this initiative which include employees, students from **Rajkiya Pratibha Vikas Vidyalaya in Yamuna Vihar, Happy School in Daryaganj, Sant Eknath Sarvodhya Kanya Vidyalaya in GT Road** and from NGOs in BYPL area.

LED Limited Period Offer- Save Upto 46%

Commemorating the festive season, BYPL has tied-up with **ECOLITE**, manufacturer of high-quality LED bulbs, to facilitate LEDs at heavily discounted prices for its consumers. These will be available at special kiosks put-up at 16 BYPL office locations. The offer will continue till March 15, 2014.

LED	Normal Price	Offer Price	Discount (%)
7 Watt Bulb	Rs 550	Rs 299	46%
5 Watt Bulb	Rs 500	Rs 275	45%
18 Watt Tube light	Rs 1500	Rs 990	34%

Benefits:

- ✓ LEDs sold under the special offer will be backed by an unmatched three-year replacement warranty
- ✓ LED lighting is eight times more energy efficient than an incandescent bulb and twice as energy efficient as a CFL
- ✓ Premium LED bulbs lifespan is upto 50,000 hours. CFLs last for around 8,000-10,000 hours while incandescent bulb last for 1,200 hours
