Get ELCB installed, stay safe

BYPL wants its consumers safe. To protect your near and dear from electric shocks and accidents, please have ELCB (Earth Leakage Circuit Breaker) installed.

As per DERC guidelines, ELCB is mandatory for electricity connections.

For more details, please call on our Helpline number 399 99 808 or contact your Division office

Please note: Physical copy of the electricity bills will not be sent to the consumers, who have opted for E-bills. Physical copy of their bills will be stopped after three cycles. Remember; by opting for E-bills, you are contributing in protecting trees and Mother Nature.

Get upto Rs 300 cash-back per month by paying BYPL bill using Mobikwik™

Paying your electricity bills digitally is even more rewarding now! You can get a **cash-back of upto Rs 300 per month** by simply paying your BYPL electricity bills for three consecutive months through Mobikwik.

The scheme will continue till 30 September, 2018.

Log-on to www.bsesdelhi.com for details.

CM Inaugurates Dry Transformer

THE TIMES OF INDIA, NEW DELHI

City gets oil-free transformer

Delhi's power supply saw the infusion of innovative technology with the launch of an oil-free transformer by CM Arvind Kejriwal. Besides being safer than the conventional transformer, the new transformer, mounted atop a 30 foot-high platform to save space, will address the issue of traffic congestion in the area.
