

## CEA Regulations on Own Choice Meter

As per the **CEA regulation**: Page no. 4 & 5, point no. 2.

- a) Consumer meter shall generally be owned by the licensee
- b) If any consumer elects to purchase a meter, the same may be purchased by him. Meter purchased by the consumer shall be tested, installed and sealed by the licensee. The consumer shall claim the meter purchases by him as his asset only after it is permanently removed from the system of the licensee.
- c) All consumers meter shall bear BIS mark, meet the requirement of these regulations and have additional features as approved by the Appropriate Commission or pursuant to the reform program of the Appropriate Government. To facilitate this, the licensee shall provide a list of makes and model of the meters.

For details of the meter specification, please click of the below link:

- Single phase meter: [http://www.bsesdelhi.com/docs/pdf/single\\_PHASE.pdf](http://www.bsesdelhi.com/docs/pdf/single_PHASE.pdf)
- Three phase meter : [http://www.bsesdelhi.com/docs/pdf/THREE\\_PHASE.pdf](http://www.bsesdelhi.com/docs/pdf/THREE_PHASE.pdf)

### Process for an Own Choice Meter

- Consumer can purchase a meter of an approved make
- Consumer to submit the new purchased meter at the respective Divisional Office for installation
- BSES to test the new meter before its installation
- BSES, to advice a schedule to the consumer
- On the given schedule, BSES to replace the meter
- BSES to take the custody of the old meter
